# Is your child ready for K4?

Please work with your child on:

## Fine motor skills:

- Build with Legos or Blocks
- Practice buttoning and unbuttoning shirt
- Play with Play-Doh
- Color in a coloring book
- "Draw" or "write" with a crayon or big marker.

## Ideas for name practice:

- Have your child use magnetic letters to build his/her name
- Write their name with a highlighter and have your child trace the letters with a crayon.
- Write your child's name across a paper. Cut the paper into strips with one letter on each strip. Have your child put the letters in order to re-build the picture.
