A Summer Full of Hard Work Sprinkled with Fun

Hello friends. Summer is in full swing! It sure is HOT but still busy as always around here. If you're like me, it feels good to stay inside where it's nice and cool. For our maintenance team, it's another story. They are out every day making sure things around here are well manicured.

With temperatures soaring high, the grounds need more care than ever. The boys who live in our Boys' dorm help out with the lawn care here on the property. Headed up by Logan Shultz, these boys mow the lawns, tend to the flowers and there's always something for them to work on that needs to be fixed!

But it's not all work and no play here. We are blessed with some loyal friends who have a heart full of love for our residents and often go out of their way to make their days extra special. Just earlier this month, our dear friends, the Berrys, graciously invited us to their Nicholasville home. They opened their swimming pool to us, and oh, what a time we had! The girls splashed around one day, and a few days later the boys got their turn. It brought back fond memories for many of our residents who remember the days when we had a pool right here at the home. I'm told there were a lot of

happy smiles and laughter echoing through the air as well as delicious food that was served.

Just this past week another special family, the Shades, came to visit and decided a special trip to the Louisville Zoo was just what we needed. So, our group loaded up 3 vans totaling 37 people in all. What a day it was! They left bright and early Friday morning, got there when the park opened and although it was a record temperature day, nothing could take away the joy on their faces. For Ayla, it was her very first time at the zoo, and she was absolutely thrilled to see the lions and tigers. Each resident had their own special moment during the visit. George couldn't get enough of the playful monkeys. Renee was captivated by the elegance of the pink flamingos. Medina said the elephants were her favorite. Connie was entertained by the mischievous spider monkey, while Tammy was excited when the polar bear swam right up to her. As for Effie, she simply loved everything about the zoo! The sheer delight and wonder experienced by our residents reminded us all of the simple pleasures in life and the profound impact these outings have on their happiness and well-being.

The Group at the Zoo

As we soak in the warmth of summer, we are also looking ahead. Our upcoming fundraisers are crucial to ensuring we can continue to meet the needs of our 32 residents who live here full-time. Here are some dates to mark on your calendar:

August 8 "Fore the Home Golf Scramble," Lakewood Country Club, Russell Springs, KY.

October 11 and 12 "36th Annual Quilt Auction," here at the home.

You'll find more details about these events in the ads listed within this newsletter.

Your continued support and generosity are the lifeblood of our organization, allowing us to create these joyful moments and maintain a loving, nurturing environment for our residents. We can't thank you enough for being part of our family and for helping us make a difference in the lives of those who call this place home. Stay cool and come see us!
