## Jenkinson's Aquarium visits CRS

On March 31st Kelly and Brianna along with their friend, Captain Jack from Jenkinson's Aquarium visited our students. They discussed with our students where penguins live, how we can help them in the wild, and how they are cared for at the aquarium since they are an endangered species. Thank you to the PTO for this wonderful program!

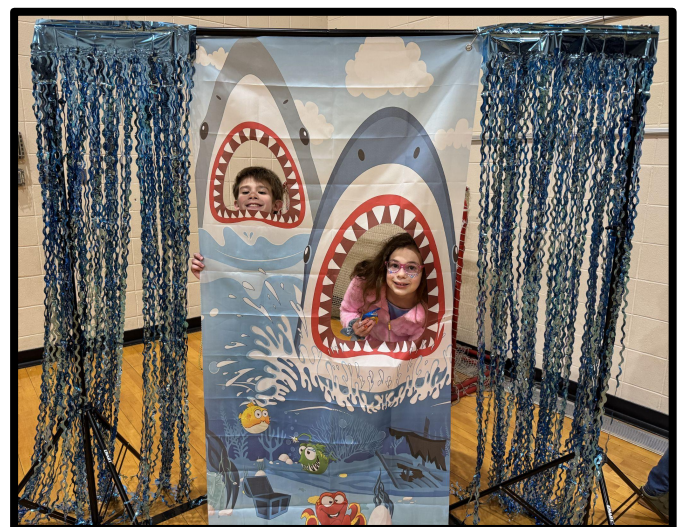

## Spotlight on Third Grade

Third graders have been working hard in all areas! In reading, we are learning about the text structures including description, sequence, compare/contrast, problem/solution, and cause/effect. In math, we began our fractions unit. Students are able to identify numerators and denominators and completed a fun ice cream or gum ball project to display their work. In writing we are moving onto our informational unit. Students will be able to choose and research a topic on something they are interested in. We are starting to learn about plant life cycles in science and in social studies we will begin our unit on the three level of government. Keep up the incredible work, third graders!

## Me and My Dance

Our CRS students attended the Me and My Dance on March 25th and the LLE students attended the dance on April 1st. Each student was able to enjoy the dance with someone special and their friends. We would like to thank the PTO for organizing the fun event for our students!

Dear CRS and LLE Families,

As the weather warms up we are starting to see more students at LLE who walk home. If your child does walk home please speak to them about doing so properly. This includes staying on the sidewalks, following the directions of the crossing guards, using kind words towards others and no physical contact with others.

Also, when arriving to drop your child off at either CRS or LLE, please pull as close to the curb as possible and drive slowly when in our driveways.

Below are important reminders:

### **Principal's Challenge:**

#### **County Road School:**

When: Tuesday after school from 3:05-3:45

Pick-up: Parents will pick up their child in the normal carpool way that we do each afternoon. Staff members will be outside to assist. **Please arrive promptly at 3:45.**

#### **Luther Lee Emerson School:**

When: Tuesday before school from 7:30-8:05

Drop-off: Parents drop off their child in the normal carpool way that they do each morning. Students will enter via the main entrance. **Please arrive promptly at 7:30.**

#### **Important Dates:**
