A Message from your Principal

We are so excited to welcome you back to Havasupai! As you can see, Coyote Country has been undergoing some serious upgrades! We are so thankful for the bond money which made all of this possible. The front portion will be ready for school to start but you will continue to see improvements throughout the year. Our morning schedule is changed due to playground renovations. There will be no recess before school. If your student is eating breakfast, they will enter at 7:30am. If not, they will enter the gates at 7:50 and go straight to the classroom. Other recesses will take place in the library, computer lab or music room until November (our goal to open up our brand new playgrounds!). We will keep you updated on any changes. In the meantime, thank you for making this possible and for your ongoing support to give our students the best possible environment for them to thrive!

Tamara Yates, Principal

Cash Only
Order Form in office

Purple Game Day Shirts \$7.00
Cash Only
Order Form in office

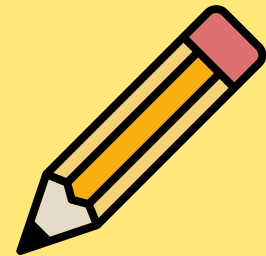

Counselor's Corner

Hi, my name is Patty Riviera and as the Havasupai Elementary school counselor, my goal is to support all our students as they learn, grow, and acquire new skills both personally and academically.

To support this goal, I work with students individually and/or in small groups. These sessions are designed to help students improve their classroom behavior, support academic progress, and learn new ways to problem solve while improving social skills and growing awareness of their emotions and self-image. Students can be referred by parents or teachers. To meet with students, either individually or for groups, parental permission is required. Those forms are available at the school office, or you can contact me directly.

Toolbox lessons will be taught again this year in the classrooms by myself and your student's teacher. The Toolbox curriculum helps students learn tools to self-regulate and use coping skills to problem solve on their own.

To contact me, please call the school office at 928.505.6040. Or, if you prefer, you can email me at patricia.riviera@lhusd.org.

50 QUESTIONS TO ASK YOUR KIDS AFTER SCHOOL INSTEAD OF "HOW WAS YOUR DAY?"

- What made you smile today?
- Can you tell me an example of kindness you saw/showed?
- What did you do that was creative?
- Who did you sit with at lunch?
- Was anyone in your class gone today?
- Tell me something you know today that you didn't know yesterday.
- Did you like your lunch?
- What was the hardest rule to follow today?
- If you could change one thing about your day, what would it be?
- What made your teacher smile?
What made her frown?
- If you could switch seats with anyone in class, who would it be? And why?
- What kind of person were you today?

Nurse's Corner

Hello and happy August everyone! I know you are all excited for the new school year. We are excited for this school year too!

I hope you all had a great summer. I look forward to a great 2023/24 school year. I want to personally welcome our new Kindergarten kids coming in and welcome back all my other kids.

Please remember, if I send/sent home a letter for Immunizations, they need to be completed within 30 days after their birthday. I really appreciate all of the parents and guardians getting this done in a timely matter. I try to give out the letters in advance to make sure you have time to get it scheduled and completed.

August monthly observations: Child Support Awareness, National Immunization Awareness, Family Fun month, National Dog month, Happiness happens month, and many more! Too many to name.

**I always have new backpacks for any kids that need one, please don't hesitate to ask!
I also have new water bottles!**

Lastly, feel free to call me anytime at 928-505-6042, please leave a message if I'm not available. I will get back to you.

Have a Great School Year!! Stay Hydrated and Be Safe!!!

Ms. Kat (Nurse) Havasupai Elementary
