SUMMER UPDATES

COZY READING HAVEN

Thanks to the Friends of the Bear Canyon Library & Hughes FCU, we have cozy rugs, magazines, floor cushions, & saucer chairs! They gave us an additional grant to expand our digital collection; students can log into the Sora app to check out hundreds of ebooks & audiobooks!

EVEN MORE NEW BOOKS!

Our district found funding to help us refresh our collection with several hundred new, high-interest books this summer!

WE'VE GENREFIED!

This summer, students helped me reorganize 2000+ fiction books by genre! We can't wait to see how this boosts reading!
