

2021-2022 Continuous Improvement Plan

Our Purpose

Every Student Empowered, Every Student Succeeds

The continuous improvement plan is a roadmap that lays down specific goals that a school, with the help of the community and other stakeholders, will undertake within a school year. The purpose of this plan is to guide the school problem-solving and planning process throughout the year and help identify and organize strategies and resources that will lead to increased student achievement.

School Quick Facts

Grades	5-8	Enrollment	465	Free/Reduced Lunch %	48%	Mascot	Panthers
Certified Employees	32	Support Employees	15	Per Pupil Expenditure	\$7,929.00	Colors	Maroon & White

Strategic Theme # 1: Student Achievement

Priority Statement

Develop and implement curricula and instructional practices maximizing high levels of student achievement.

Objective		Critical Initiatives
		1
2	Proficiency in Math will increase from 24 to 27% as measured by the 2021 -22 ACAP. Long term goal is 35% as measured by the 2025 ACAP.	Identify students who are not proficient in Math and are in need of support. Embed AMSTI professional development for Math teachers - to include county-wide PD days. Train intervention teachers on Freckle app and practice website to address needed math skills and concepts.
3	The sub-groups SLD, ED, and Afr. Am. students will show 3% growth in ELA and Math as measured by the 2022 ACAP. Long term goal is 3% growth annually.	Identify SLD, ED, and African-American students who are not proficient in ELA and Math and are in need of additional support. Embed Professional Development for all teachers.

Strategic Theme # 2: Student-Centered Learning

Priority Statement		
Provide a differentiated academic environment which encourages creativity of thought and active student engagement.		
Objective 1	To increase ELEOT scores from an average of 2.81 to 3.0 in Active Learning Environment as measured by ELEOT scores for the 2021-22 school year.	Critical Initiatives
		Embed Professional Development to include AMSTI (science and math) and writing strategies (ELA and social studies) to enhance the use of active learning strategies.
		Provide opportunities for observation and collaboration via instructional rounds to enhance active learning.
Objective 2	Proficiency in science will increase from 39 to 42% in 6th and 57 to 60% in 8th through STEM initiatives as measured by the 2022 ACAP scores.	Utilize the STEM teacher, existing teachers, and the media specialist, and the 21 st Century after-school program to institute the STEM initiative.

Strategic Theme # 3: Climate and Culture

Priority Statement		
Develop a school environment where all students feel intellectually and emotionally safe.		
Objective 1	To decrease chronic student absenteeism from 10.47% to 8.00 as reflected in INOW for '18-'19 and Powerschool for '21-22.	Critical Initiatives
		Encourage Stakeholder engagement to support a collaborative environment.
		Support the mental well-being of students and staff members.

School Points of Pride

1 to 1 Student Chromebook	STEM Initiative
21 st Century After-school Program	68% of Faculty hold Advanced Degrees
