Dear Parents/Guardians:

In an effort to create a district wide Professional Development opportunity for our faculty and staff, the District has decided to make some revisions to our 2023-2024 calendar. The changes are listed below and a revised copy of the calendar will be available on the district website.

- February 26, 2024 was originally a snow make up day.
 - February 26th will now be Full Act 80 day
 - **No school for the students**
- June 10, 2024 will be an Act 80/Early Dismissal
- June 11, 2024 will be an Act 80/Early Dismissal
- June 12, 2024 will be an Act 80/Early Dismissal. **This will be the last student day.**
- June 13, 2024 Seniors ONLY for Graduation Practice
- June 14, 2024 Seniors ONLY for Graduation Practice
 - Graduation will remain on June 14, 2024

There are also considerations for how the 2024-2025 Calendar may be reworked to provide additional Professional Development opportunities. This will not change the scheduled starting date for the 2024-2025 school year.

Wyoming Area Schools will open for students on Monday, August 26, 2024. This date is a week earlier than our typical start date over the last several years. Please review your vacation schedule and plan accordingly so everyone can start next year successfully.

Thank You,
