HOMework

Spence Rodgers

This is just a reminder that math timings are due EVERY DAY. They are the Homework Grade. Each timing is worth 5 points. Students are also expected to read their AR book each evening for 15-20 minutes. AR Goals are due September 30.

Absences

Just a reminder that all the work that is missed when a student is absent needs to be made up when they return. They have 2 days to make up work for every day they miss. If a student misses school on Monday, then all the missed work is due on Wednesday. Please let me know if you have any questions. Mrs. Moser and I are flexible on this if a student is **trying** to get caught up in.
