Mission

Frankston Independent School District foster a community of life-long learners by providing an environment that builds self-worth, integrity, and respect for diversity while striving for academic and social excellence.

Vision

Frankston Independent School District will provide all students with a comprehensive educational experience and a culture of excellence with world-class standards, ensuring that each child learns, grows, and achieves to their potential.

Core Beliefs

1. **We believe** that all students must graduate with the knowledge, skills, and confidence to successfully engage in college, career, or the military,

2. **We believe** that our students must have effective and meaningful instruction in every classroom, every day so that each child achieves to their potential.

3. **We believe** that it is the collective responsibility of our school district, our students, our families, and our community to nurture each of our children academically, physically, socially, and emotionally, creating a foundation for healthy and fulfilling lives
