NEED TO KNOW

THE NURSE

There are 2 different nurse rooms. We have a well nurse and a sick nurse. If you are feeling fine, but have to take medicine or see a nurse you go to the well nurse. If you do not feel well or are hurt, you see the sick nurse.

THE MANE

The cafeteria is called the Mane. Sometimes we will have school or grade meetings there.

STUDENT CENTER & THE OFFICE

The student center is located at the front of the school and is where students will check out and sign in if they are late. The office is right past the double doors when you walk in and is where students go for parking passes and lost and found.

ACTC BUILDING

The ACTC building is a separate school that offers career preparation courses for students by linking school base learning and real career experiences.
