

What is Title 1 and its goal?

Title 1 is aimed at improving basic instruction. It is a federal program that helps students who are most at risk meet state academic standards and be proficient on state evaluations. Title 1 is the largest federal assistance program for our nation's schools. The program serves millions of children in elementary and secondary schools each year. Title 1 provides the tools and knowledge necessary to become proficient learners. Title 1 was created "to ensure economically disadvantaged and rural children receive a fair, equitable, and high-quality education, by helping to close academic achievement gaps."- U.S. Department of Education The goals of Title 1 schools are achieved through collaboration of classroom teachers, parents, and Title 1 staff.

What do Title 1 services include?

Inclusion: Students receive support / instruction within the regular classroom

Pull-Out: Students receive support/ instruction in small groups with a Title 1 staff member or teacher.

One-On-One: Students receive support/ instruction on an individual basis with a Title 1 staff member.

School Wide Status

As a Title 1 "schoolwide" elementary school all students can benefit from our Title 1 services. The program provides lower group sizes for instruction and remediation, in reading and math.

Our "schoolwide" status, partnered with parents, students, teachers, the principal, and the community allows us to offer flexible instruction and grouping to meet the needs of all students.

School, Parent, Community Partnerships

Throughout the year, activities and events will be held at Timberline to facilitate partnerships to improve student success both in school and in life and to work toward a better future for our children.

Parent Engagement

You are your child's first teacher and role model. It is important to remember that you can influence your child and their education more than anyone else. You can become part of our parent involvement team. Email
