On behalf of the Jennings Board of Education and all of us who work with and support your children welcome to the 2021-2022 school year! First and foremost, I am honored and deeply privileged to serve as the Superintendent of Schools for the Jennings School District.

While no one could have predicted the COVID-19 pandemic and the impact it would have on our lives, we are looking forward to a strong start and seeing our students. We look forward to partnering with our families and community to provide students with the knowledge, skills and experiences to allow them to be successful.

As we face a new and unique school year, I know that together, our resiliency will keep us moving forward. I, along with the Board of Education and JSD staff remain committed and passionate about meeting the needs of all of our students and families by providing opportunities that will prepare everyone for their journey ahead. I look forward to sharing our successes and achievements with you!

Thank you for your patience and understanding during these unprecedented times. Please stay healthy and safe. I wish everyone a great 2021-2022 school year!

Sincerely,

Dr. Paula D. Knight,
