

SUPERVISION OF STUDENTS

The Board expects all students to be under assigned adult supervision at all times when they are in school, on school grounds, traveling under school auspices, or engaging in school-sponsored activities. School personnel assigned this supervision are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except when arrangement has been made to take care of an emergency.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents or other authorized persons.
