

# LUMBERJACK NEWSLETTER

Lumberjack Families,

The school season is off to a great start! Our students and staff members are making the best of these awkward times showing resilience, determination and having as much fun as possible. It is important sometimes to just stop and laugh. At ourselves, at life circumstances, or with a friend. Not all in this world is serious business. Celebrate life's small and big moments, learn to relax and have some fun!

**“Instead of bracing yourself for the perils of the unknown, embrace the joy that is here, in your present moment.”**  
– Michelle Cruz Rosado

Here are a couple of things we have been up to!

- Recently our HS students have started **“Lumberjack Life”**. An addition to advisory, where we introduce our students to elements of the strategic plan while shaping the values of our school. Students work with Mr. Quinn, Ms. Callan and Mr. Pribbernow to discuss school challenges and successes, while empowering Student voices to form norms and expectations.
- The Middle/High School has started offering after school homework help affectionately known as **“HW Club”**. Middle/High School Students will have access to the library from 230-400pm, Monday through Thursday. Transportation is available for those who need it. If you choose to have your child attend and will pick them up, please be prompt.

The school is requesting parents and guardians to ensure they update any phone numbers or emails. We want to make certain ALMA and our all-call services are up to date. Changes or updates can be made by contacting either Ms. Oleson or Mrs. Rich at either school.

A helpful reminder that Parent conferences are coming up in November. Please don't hesitate to call and book your appointments to speak with teachers. As always, you need not wait until this time to talk and should feel free to contact your student's teachers as needed. We look forward to seeing you then.

Go Lumberjacks!

Mark Pribbernow – Principal

**Bus safety is important both on the bus and while waiting for the bus to pick up your child.**

**SAFETY GUIDELINES FOR PARENTS/GUARDIANS  
OF STUDENTS USING SCHOOL BUSES**

The following guidelines outline parent/guardian responsibilities relative to families using District school buses and transportation services.

1. Riding the school bus is a privilege. This privilege may be temporarily suspended or permanently revoked if a student's misconduct violates School Bus Conduct Rules, jeopardizes the safe operations of the school bus or the safety of the children riding this bus. See Board policies EEA and JICC, and District regulations JICC-R.
2. Parents/guardians are responsible for the safety of their children from the time they leave home in the morning until the time they board the school bus; and at the end of the school day from the time the school bus departs the loading/unloading area and the children reach home. Once the child enters the school bus, the authority lies with the bus driver and the school.
3. Students should leave home early enough so that they arrive at the designated school bus stop point five (5) minutes before the scheduled arrival time of the school bus.
4. Parents/guardians should be aware of their responsibility not only for their child's behavior while on the school bus, but also their responsibility for damage caused by their child(ren) to the property of others, including the school bus. When a child walks to and from the bus stop, and while he/she waits at the school bus stop, and when he/she walks home from the school bus stop at the end of the school day, he/she must show consideration and respect for the property of those citizens whose homes and places of business are located along these routes.
5. Parents/guardians, together with the child, should develop a route to and from the school bus stop, or school, which minimizes the exposure of the child to vehicular traffic. Shortcuts through isolated fields and woods or across streams or railroad tracks can often be dangerous. Entering of abandoned houses or deserted buildings by children on their way to or from school should not be condoned. The route should be direct and uninterrupted.
6. Parents/guardians should walk with younger children to and from the school bus stop, using this opportunity to teach the child(ren) proper pedestrian practice. If the parents/guardians cannot accompany their child(ren), arrangements should be made, if possible, for older children (brother, sister, or neighbor) to escort the younger children to and from the school bus stop or school.
7. Parents/guardians should develop in their child(ren) an awareness of the molestation (personal harassment) problem. Encourage children not to accept candy, soft drinks, money, toys or rides from strangers or to associate with anyone they do not know. If your child is confronted with these problems on his/her way to or from school, he/she should tell you or his/her teacher as soon as possible. This is a situation that should be referred to the police.
8. Parents/guardians should realize that weather determines how a child is to be dressed. Encourage your child to wear the type of clothing that will not only keep him/her warm and enable him/her to see where he/she is going, but also permit him/her to be seen. If the child(ren) cannot be seen by the drivers of vehicles, they are in danger. For example, white clothing is difficult to see in snow, but makes one clearly visible at night. If the weather is inclement, the child should be dressed for the occasion and leave a few minutes earlier than his/her normal starting time in order to reach the school bus stop or school safely and on time.
9. Inclement weather announcements regarding the closing of schools or delayed opening begin at approximately 6:00 a.m. During severe weather conditions, pertinent information concerning the transportation program will be announced on the radio.
10. The application of common sense is the best method of determining the role of the parents/guardians regarding the safety of children traveling to and from school, either as a passenger on a school bus or as a pedestrian.

# VETERAN'S DAY

October 18, 2021

Dear Honored Veterans,

We are excited to announce our second annual virtual Veterans Day Program! As much as we would love to have everyone participate in person, the global pandemic has challenged us to up our videography and presentation skills with another virtual celebration.

Here at Lin-Wood we take Veterans Day very seriously and we are working to make this a great program of honor, respect and love for you, our veterans.

Our Kanc Connection students will once again be creating a heartfelt production of the Virtual Veterans Day Recognition Ceremony which will air on **Wednesday November 10, 2021** on <https://www.lin-wood.org/tv> at 11:00am and will also be available on the Lin-Wood YouTube channel at <https://www.youtube.com/channel/UCUDEYr4nCRjWLIIMsidmn8g>

Please email a copy of your photo to [tv@lin-wood.org](mailto:tv@lin-wood.org), or bring your photo to the office at the Middle High School and Ms. Oleson will be happy to scan it for you- lickitty split- so you can take it home with you.

We will need to have photos no later than **November 2, 2020**. If you know of a veteran who has not received this information, please share it with them and encourage them to join us!

Please feel free to contact us with any questions.

Sincerely,

Mark Pribbernow - Principal

WELCOME FALL

*Greetings from the elementary building!*

## Elementary School Celebrates 30 Years

Recently a copy of a letter from 1991 came to the SAU. It was regarding a time capsule that was hidden when the Lin-Wood Elementary school opened 30 years ago. In the fall of 1991, the elementary school opened its doors for students in Lincoln and Woodstock in grades K-5. Prior to the elementary school opening, the students were located in some classrooms at the current middle high school.

The time capsule was hidden during a ceremony on Oct. 6, 1991. It was only fitting to do something to commemorate the school opening and celebrate the 30-year anniversary of the elementary school. On Oct. 6, 2021, the time capsule was opened and shared with the current elementary school students and teachers. Retired teachers and administrators that were here back in 1991, came back to celebrate this 30-year milestone. Retirees in attendance included: Robert Nelson, Michael Weaver, Joanne Magnan, Barbara Hooker, Donna Thompson, Pauline Harrington. Juice boxes courtesy of our local McDonalds and celebratory cake was enjoyed by all!

The time capsule contains submissions from students in K-5 from 1991. Viewing of the materials will be available through Thanksgiving this year. The current students and classes at the elementary school will be adding to the time capsule including materials and items from the current times. Both the old and new items will go back in the time capsules by Thanksgiving this year in the hopes that they will be opened again in the next 20-30 years.

If you would like to come in and view the items in the time capsule from 1991, please contact Sheila Rich at the elementary school.

# **Kanc Connection**

**Heather Krill and Dan Adams**

Thank you to everyone who has helped to get this year's production going with volunteering time for interviews and segment ideas. We welcome your constructive feedback always and look forward to whatever thoughts and ideas you may share.

This year's Veterans Day Assembly will be virtual again, so if you have someone you would like to be represented, please send us their photo and information to Dan Adams at [dadams@lin-wood.org](mailto:dadams@lin-wood.org) by November 2.

The Virtual Assembly will premiere on Veterans' Day which is November 11, 2021 at 10 AM. Thank you in advance to Paula Houde and everyone who is making contributions to this year's assembly, hopefully the last time we will need to do virtually due to COVID considerations.

## MHS Math Department

The MHS Math Team hit the ground running this fall with new Savvas (formerly Pearson) math textbooks and online curriculum support. We received training over the summer to help us implement the curriculum, and will receive a second training during the school year. We have had a positive response from students so far. At the HS level, Ms. Halm and Mr. Robertson like that students have the option to consult their hard copy textbook or access the homework problems and supporting examples online, based on their preference. There is also a cool interactive feature called Mathematical Modeling in 3 Acts which helps students think through mathematical ideas with various real-life scenarios.

At the MS level, Ms. Wilson and Mrs. Kraus like how lessons in the new textbooks start with a **“Solve & Discuss It”** problem that gives students the opportunity to talk out ideas and explore solutions before being taught specific skills. Students are engaged and good discussions are taking place!

### Solve & Discuss It!

 The art teacher gave each student half of a sheet of paper. Then she asked the students to color one fourth of their pieces of paper. What part of the original sheet did the students color? *Solve this problem any way you choose.*

If you have a 6th grader ask about the solution they came up with for this one:

In 8th grade math, students had a lively discussion about the “Solve & Discuss It” problem below and then debated over which floor plan they liked best! A 6 foot by 6-foot floor plan was the winner!

*Matt and his dad are building a treehouse. They buy enough flooring material to cover an area of 36 square feet. What are all possible dimensions of the floor?*

Thank you for the various ways that you support your learners at home. As always, please do not hesitate to reach out to any of us by phone or email with any questions or concerns.

Sincerely,

Jessica Halm  
Sarah Kraus  
Lincoln Robertson  
Jackie Wilson

## **“Falling” into English Department News**

### **Heather Krill and Jen Whitcher**

So far, we are off and running, or reading, writing, and speaking as the case may be in the English department. A few items to keep in mind:

- Our Annual Rotary Speech Competition will kick off later in October with class presentations for grades 9-12 in mid-November. This year's topic is yet to be determined, but we will keep you posted.
- Ask your student about our Wednesday Words of Wisdom where we read and analyze famous historical or contemporary speeches. On opposite Wednesdays, students in grades 9-12 are responsible for their current events.
- Feel free to reach out to [hkrill@lin-wood.org](mailto:hkrill@lin-wood.org) or [jwhitcher@lin-wood.org](mailto:jwhitcher@lin-wood.org) depending on your student's English class.
- Our journey through Poetry Out Loud also begins in October. Check out [www.poetryoutloud.org](http://www.poetryoutloud.org) for more information. Kids usually select their poems by Halloween, learn them really well by Thanksgiving and are prepared to recite them in the weeks before Christmas.
- Parent Teacher Conferences are November 17 following our early release for students. We would love to chat with you about your student's performance in English classes!

This Weight Rack is one of (2) being built for the School Weight Room by our middle and high school students! Their skills just continue to grow by leaps and bounds!

Students also work on various small engines as well for practice, so if you or someone you may know have small yard equipment (lawnmowers, leafblowers, etc.) which may need some tuning, please reach out to Mr. Goodbout at [cgoodbout@lin-wood.org](mailto:cgoodbout@lin-wood.org) as they are always welcome learning experiences!

## **Lin-Wood Food Service News**

Thanks to a waiver from the USDA and National School Lunch Program (NSLP), Lin-Wood is once again able to serve free breakfast and free lunch to all students in K-12 for the 2021-22 school year. This means that each student can have the daily breakfast or lunch meal that is on the school lunch menu for that day at no charge.

Here's some additional information on the Lin-Wood Food Service:

1. All breakfast and lunch meals include a milk option. It is part of the free meal.
2. Milk purchased separately must be paid for on student accounts.
3. A la carte items, including milk purchased separately, must be paid for on student accounts. No charging is allowed for a la carte items.
4. If a student wants an additional meal during lunch, it will be charged to their lunch account, like an ala carte purchase.
5. Funds can be added to student accounts in different ways. If cash is brought in, please identify your student's name and grade on the envelope so it gets applied to the proper account.
6. The preferred methods of adding funds to student accounts are prepayment by check or using the online payment portal through MySchoolBucks. (see additional information in this newsletter)

Check out the school website for more information pertaining to Lin-Wood Food Service. [www.lin-wood.org](http://www.lin-wood.org) You can access school lunch menus, MySchoolBucks, Free & Reduced applications and announcements from Food Service.

## MySchoolBucks®

### Online Lunch Payment System

The Lincoln-Woodstock School District and Lin-Wood Foodservice are excited to offer **MySchoolBucks®**! This secure, online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. This service allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. You can view recent purchases, check balances, and set-up low balance alerts.

#### **MySchoolBucks provides:**

- **Convenience** - Available 24/7 on the web or through our mobile app for your smartphone
- **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI and CISP.

#### **Enrollment is easy!**

1. Go to [www.MySchoolBucks.com](http://www.MySchoolBucks.com) and register for a free account. You can also access the link through the Lin-Wood School website at [www.lin-wood.org](http://www.lin-wood.org), scroll down and select the MySchoolBucks logo for online school lunch payments.
2. Add your students using their school student ID. Each student has their own student id. Contact Food Service Director Jack Marshall for your students ID number.  
[jmarshall@lin-wood.org](mailto:jmarshall@lin-wood.org)
3. Make a payment to your students' accounts with your credit/debit card or electronic check. *A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.*

We are very excited to offer this service and are confident that MySchoolBucks will benefit you, your child and our District. Try it today!

# SPECIAL RECOGNITION

For years, local hero and proud military father Jeff Ingalls had dreamed of a place where Veterans could come for a place to rest and heal. This year with the help of some amazing locals, to include some of our very own Lin-Wood students in the Rotary Interact Club, that dream is becoming a reality. While the motto of the Rotary Interact Club is "Service Above Self", this particular project has become a heartfelt mission to honor an amazing individual who truly embodied that belief.

We could not be more humbled by the dedication and passion of our students to be a part of this mission.

# AWARDS

## NHIAA TEAM ATHLETIC RECOGNITION

Over the summer our School received some exciting and gratifying recognition that we could not be prouder of!

While this award was issued to the School as a whole, it is truly a reflection of the hard work put in by our athletic teams and coaches during the 19/20 and 20/21 seasons.

The amount of respect, integrity and sportsmanship these teams showed was not only inspiring to upcoming Lin-Wood athletes, but to their fellow competitive teams as well.

Congratulations to all of you on such a prestigious accomplishment! You are a shining example of Lumberjack Pride!

# BULLETIN

New Hampshire is planning for a crisis phone/text/chat line that anyone can contact at any time for support with emotional distress.

## **We want to hear from YOU**

**9-8-8 in New Hampshire  
Community Listening Session  
October 20th 6pm**

Register for zoom webinar here:  
[https://zoom.us/webinar/register/WN\\_DKYLE-OmRVurbZxf7dH8yg](https://zoom.us/webinar/register/WN_DKYLE-OmRVurbZxf7dH8yg)

### **Why attend?**

The new 3-digit number 9-8-8 will replace the National Suicide Prevention Lifeline and will expand services so that New Hampshire residents can call/text/chat for support with mental health, substance use or thoughts of suicide. If you or someone you know has concerns about how to get help in NH, we need to hear from you.

### **You can inform the planning!**

We want to learn from you what we need to be aware of and how to make this change work for all.

Please join us for a virtual listening session so that we can discuss the changes to NH's crisis access and you can ask questions and raise concerns or provide feedback to inform planning in your state.

If accommodations are needed for communication access such as interpreters, CART, assistive listening devices, or other auxiliary aids and/or services, please contact Jennifer Sabin at [Jennifer.A.Sabin@dhhs.nh.gov](mailto:Jennifer.A.Sabin@dhhs.nh.gov) or 603-545-2225 by October 14th. At least 5 business days advance notice is requested in order to assure availability; requests made fewer than 5 days prior to the event will attempt to be accommodated but cannot be guaranteed. Other Questions? contact Jennifer O'Higgins at [Jennifer.OHiggins@dhhs.nh.gov](mailto:Jennifer.OHiggins@dhhs.nh.gov)

## Working with our Community to Keep Children Safe

### Mandatory Reporting & DCYF

According to New Hampshire law (RSA 169-C:29-31) any person who has "reason to suspect" that a child has been abused or neglected **must report** that suspicion to the Division of Children, Youth and Families of the New Hampshire Department of Health and Human Services (DCYF). Under the law, these reports are expected to be made immediately.

#### Quick Facts

1. It is not the reporters role to investigate.
2. Proof of abuse and neglect is not required to make a report.
3. Sometimes, people are unsure if a situation is abusive. Reporters in doubt are still encouraged to call.
4. In some cases, failure to report could result in criminal prosecution.
5. Results made in good faith entitle the reporter to both civil and criminal immunity.

Some professionals may have further requirements and ethical codes regarding mandatory reporting. In schools this includes; teachers, school officials, nurses, social workers, psychologists, and counselors. In our community this can also include medical doctors, hospital staff, childcare workers, foster care workers, therapists, faith leaders, and law enforcement officials.

It is important to remember that these laws were developed to support and protect children. We take our role in keeping the children in our community safe and hope that you do as well.

If a child tells you that he or she has been hurt or you are concerned that a child may be the victim of any type of abuse or neglect, call the Division for Children, Youth and Families (DCYF) Central Intake Unit at:  
Telephone: (800) 894-5533 (in-state) or (603) 271-6562 (out of state)  
24 hours a day, including weekends and holidays.  
**For immediate emergencies, please call 911.**

# 2021-2022 STUDENT DRIVERS

If your student will become licensed for this upcoming year, please review the following information:

- **Student Automobile Use Policy** – Any licensed student may be permitted to bring their vehicle onto campus. Student transport of minor siblings must be authorized by parent/guardian and on file with the office for siblings to leave school grounds. Additionally, students must follow the handbook policy regulations stated below regarding their vehicles on campus:
  - Student use of an automobile on school grounds is a privilege. Careless driving is prohibited and is subject to disciplinary actions. Anyone guilty of careless driving, may be reported to the police. Improper use of a motor vehicle on school grounds can result in suspension from school.
  - Driving a motor vehicle from school grounds during the school day without authorization will be considered improper use of a motor vehicle and will be considered grounds for suspension.
  - Parking at the school is a privilege granted by the school and the privilege will be withdrawn if it is abused. Prior to driving or parking on school grounds, students will be required to register motor vehicles in the main office. If a student leaves the school grounds in a motor vehicle without authorization, parents will be notified, and the student will be subject to disciplinary action up to and including suspension from school.
  - Automobiles **must** be parked in the designated parking area.
  - Students, including the driver, are not allowed in vehicles during school hours, except for arrival or departure. Drivers and their passengers must leave the vehicle as soon as they arrive at school and are not to be in it until they leave school again.
- **NOTE** – Any items displayed in or on a student's vehicle which violate normal codes of conduct may be subject to disciplinary actions, including student suspension and loss of parking privileges per policy GIC.
