September Newsletter

At Prattville Primary School we will learn, love, and lead.

News from Mrs. McNider

We have had a super month of learning at PPS. I want to personally thank each student and parent for your patience and support while we have developed procedures and routines. We can now successfully move forward with deeper learning because we have taken the time to teach our students the PPS expectations.

We will have many opportunities for learning and connecting at PPS during the month of September. I encourage you to monitor our Facebook and website pages for constant updates.

Leader In Me

We have been busy at PPS learning about the Leader In Me 7 Habits. You are your child's first and best teacher.

You can help your son or daughter discover the leader within and prepare for a great life of contribution to the world. The absolute best way to reinforce the importance of the 7 Habits and to make sure your child lives them is to model them in your own behavior.

Look for ways to integrate the 7 Habits into what you are already doing. Think of it not as one more thing, but as a better way of doing what you are already doing. Go at a pace that works for your family. You can plunge in all at once or work at it slowly. Either way, you will see improvements as you reap the benefits of living timeless and universal principles as a family. Remember, your child possesses unique gifts and talents. Think about what these are and what you can do to nurture and develop them.

Parent Resource Center

Are you looking for some resources to help your child at home?

Make sure to check out the PPS Parent Resource Center. Here you can check out materials to use at home to support your child's learning.
