

Open Forum to discuss the Local Wellness Policy at the January BOE Meeting 01/27/2025

The Local Wellness Policy is posted on the Dawson Springs Schools website.

- Go to the Departments Tab, then Food Service, scroll to the bottom of the page under Documents and Links.

Our Triennial Assessment Results from The Alliance for a Healthier Generation are also on the Dawson Springs Schools website.

- Go to the Departments Tab, then Food Service, scroll to the bottom of the page under Documents and Links.

If anyone has visited this page and wants to discuss the policy or the results of the assessment, we would be glad to hear from you.

If anyone is interested in joining our wellness team and would be able to attend a few meetings each year to discuss ways to improve and update the policy, we would be glad to have your support and input.
