Hello Summer

The sun is shining, and warm weather has finally come to Liberty, Kentucky, along with some exciting changes around here!

School seemed to fly by this year with GCA just concluding another great year. We celebrated our students' success during our Awards Day Ceremony on May 11 as well as Kindergarten Graduation. More than 175 medallions were passed out as we recognized all our Eagles' hard work throughout the year.

Our GCA High School Graduation was held on May 12 at 7:00 p.m. We had eight graduates this year who will all be embarking on the next step in their educational journey by attending college in the Fall. Will Bennett was recognized as our Valedictorian and Owen Tipton was recognized as our Disciple of the Year, which is voted on by the faculty and staff at the academy. Christian education is becoming a more popular option as days continue to grow darker and our waiting list is bigger than it's ever been. We will have a busy summer interviewing prospective students and their families to extend our GCA Eagle Family. It's a blessing to our school families to be able to give their child an academically challenging, Christian education for less than it costs to purchase your favorite cup of coffee per day at Starbucks. This can only be made possible because of awesome people like you who continue to give generously and sacrificially to Galilean Home Ministries.

We're currently in the works of moving a few things around on our campus in hopes to make more space for the Christian Academy before the new school year starts in August. God never ceases to amaze me. Everything comes around full circle and it's just incredible to see God work so that over the years each department has benefited from different buildings and spaces on our property at some time or another. God is faithful and He always provides.

The ladies moved into their new dorm, and they couldn't be happier. Mariah Schultz is the head dorm mom and fortunately for them she really likes to cook. So, they are enjoying some delicious meals from their new kitchen. Having 3 bathrooms has made all the difference for them as well. Many of the ladies have said how they enjoy the natural light that pours in during the day due the many windows that were installed throughout. They have space to spread out to work on puzzles, crafts and even a quiet area for reading.

This dorm has been such a blessing to our ministry and would not be possible without those who so generously gave of their time and their finances. Because of the expertise of Jeffrey Majors and his team, we know this dorm was built to last and should carry us for many years. There's even space to "make room for more," which is the motto we live by. Summer is always a busy time on our campus and one we so thoroughly enjoy. We've got several work teams lined up with busy schedules awaiting them. While having work teams is helpful for all the

reading. This dorm has been such a blessing to our ministry and would not be possible without those who so generously gave of their time and their finances. Because of the expertise of Jeffrey Majors and his team, we know this dorm was built to last and should carry us for many years. There's even space to "make room for more," which is the motto we live by.

Summer is always a busy time on our campus and one we so thoroughly enjoy. We've got several work teams lined up with busy schedules awaiting them. While having work teams is helpful for all the

projects that we've not been able to get to, we mostly love to see the teams interact with our residents. It's always fun to watch the residents get more and more comfortable with the teams as the days go on. By the time most of the teams are leaving, they feel a little more like family than strangers.

Children are a gift from God and we've been blessed with a few babies born into the Galilean Family in the last few months. My grandson, Isaac Tucker, and his wife welcomed their second sweet boy, Oliver, in February. My grandson, Tyler Martin, and his wife welcomed a beautiful baby girl, Madelynn, in March. And my granddaughter, Paige, and her husband welcomed their precious baby boy, Andrew, in May. Our family keeps growing and so does the love! Thank you, Jesus!

If you find yourself looking for something to do on a gorgeous summer day, take a beautiful drive through South Fork and visit us! You'll be greeted with the biggest smiles!

GET INVOLVED

Our volunteer program is a good way to dive in and be the hands and feet of Jesus in our ministry. Ladies 18 & older, if you feel you have the love and patience along with a good amount of flexibility to care for our family, we encourage you to apply. Volunteers are very important part of what we do. You get to care for our severely handicapped residents in the Blessing House, and other members of our family, as well as caring for our babies at the Angel House. We also need teacher's aides for our academy, so there are plenty of areas in which to serve. We provide housing and basic needs, but do require at least a three-month commitment.

Please prayerfully consider this and give our Volunteer Coordinator, **Dawn Shultz**, a call at **606.706.9457** or email her at dshultz@galileanhomeministries.org for more info.
