FOR IMMEDIATE RELEASE:

September 25, 2024

School Closure on September 26 and 27, 2024, Due to Severe Weather

LUMPKIN, GA - The Stewart County School District has been closely monitoring the weather forecast, and it has come to our attention that severe weather is expected to impact our area tomorrow afternoon into Friday morning. In the interest of the safety and well-being of our students and staff, we have decided to close all schools in the district on these days. Teachers and students will interact virtually to ensure continuous teaching and learning.

This decision has been made to ensure the safety of everyone associated with our schools. We anticipate challenging weather conditions that could threaten transportation and safety. We believe that taking this precautionary measure is essential to safeguard the welfare of our students, staff, and their families.

Things to Know for Virtual Learning Days:

Students will access and complete their assignments in Google Classroom or work packages from their teachers and work independently at home. Students may need the following resources to access their learning:

- Computer Device
- Reliable Internet
- Access to Google Classroom or work packages
- Access to digital textbooks and online learning platforms

How will students be counted as present for the Digital Learning days?

All students will be counted as present. Students must adhere to their teacher's procedures for completing and submitting assignments.

We will inform you of any updates or changes through our official communication channels, including our website, social media platforms, and local news outlets.

Thank you for your understanding and cooperation. Please rest assured that the safety of our students and staff remains our top priority.

Stay safe!
