

*Embracing All the Possibilities®*

GEORGE WASHINGTON SCHOOL, HACKENSACK, NJ

**8th Grade - GRADUATE PROFILE**

Engage in a continuum of learning across a broad curriculum, including areas of interest and passion.

Attain the core knowledge and competencies needed to meet or exceed High School, College and career standards.

Use communication and technological skills and social awareness to present themselves in a variety of formats—through listening, speaking, reading, writing, and artistic expression.

Persist in challenging or adverse situations, to achieve goals, and learn from experiences.

Practice self-efficacy by accepting and embracing failure to elevate.

Demonstrate a strong sense of purpose of self—believe they have purpose and value; have confidence in their abilities, potential, and agency.

Exercise emotional intelligence to be aware of, control, and express one's emotions.

Handle interpersonal relationships thoughtfully and with empathy.

Create a safe environment.

Exercise cultural humility.

Demonstrate compassion and cultural awareness for others.
