

August 2023

Dear Parent/Guardian,

We are pleased to welcome you and your child to Rappahannock County Public Schools! Per VA Code 8VAC20-81.50, every school division is required to screen new students to the division within the first 60 days of school in the areas of vision, hearing, fine and gross motor skills, and speech. This information will be gleaned from your child's preschool physical examination. If there are any concerns, your child will be rescreened by a specialist. In addition, all new students will have their vision and hearing screened by the Lion's Club within the first 60 days of school. You will be notified if your child does not pass any of these required screenings.

Please feel free to contact the office of Special Services if you have any questions at 540-227-0259.

We look forward to serving you and your child!

Sincerely,

**Dr. Carol Johnson
Asst. Superintendent**
