

COVID-19 Report

To keep our families and community informed, Mobile County Public Schools is posting this dashboard showing the number of positive COVID-19 cases reported each day, by school. The figures reported here show the number of employees and students combined who notified us that they had tested positive for COVID-19. The data is reported by our schools at the end of each school day and is posted on mcps.com the following business day.

In accordance with CDC guidelines, if you or your child was in direct contact with an individual who tested positive for COVID-19, you will be notified of what steps you should take, which may include an isolation period.

Due to federal privacy laws under the Family Educational Rights and Privacy Act (FERPA) and the Health Insurance Portability and Accountability Act (HIPAA), Mobile County Public Schools will not identify the names of individuals who have tested positive. We appreciate your help in keeping our students and employees safe by notifying us immediately if you or your child tests positive for COVID-19.
