I. GENERAL INFORMATION

Code of Conduct—Strive to create a safe, healthy learning environment that encourages the development of all students.

Mascot—Bledsoe County Middle School was established in August of 1999 to serve all Bledsoe County students in grades 6-8. Our school colors are blue and gold, and our school mascot is a “Warrior.”

Change of Address or Phone Number—Please inform the school office if you change your address or phone number. This is very important so we can contact you with any information regarding your child.

Visitors—Except on occasions, such as school programs, athletic events, open house and similar public events; all visitors will report to the school office when entering the school and will sign a log book. Authorization to visit elsewhere in the building or on the school campus will be determined by the principal or designee. Guest passes shall be issued for all persons other than students and employees of the school.

In order to maintain the conditions and atmosphere suitable for learning, no other person shall enter onto the grounds or into the school buildings during the hours of student instruction except students assigned to that school, the staff of the school, parents of students, and other persons with lawful and valid business on the school premises.

The principal or his/her designee has the authority to exclude from the school premises any persons disrupting the educational programs in the classroom or in the school, disturbing the teachers or students on the premises, or on the premises for the purpose of committing an illegal act. Students from other schools may not be visitors in instructional areas of the building during the school day.

SEE BOARD POLICY 1.501

Parent-Teacher Conferences—Conferences between teachers and parents are encouraged. They must be set up by appointment to ensure that teachers are not interrupted while they are teaching students. Call or email the guidance counselor, Mrs. Kristie Merriman, at 447-3212 or merrimank@bledsoecountyschools.org, to set up an appointment or conference.

Clinic—BCMS has an infirmary in the school office. Any student who is sick will be sent to the infirmary. If a student needs to go home, our school personnel will contact a person listed on the Student Emergency Contact Form.

TeleMed—Children's Hospital at Erlanger, offers convenient telehealth visits in the nurse's office during school hours. Technology allows a virtual visit with Children's Hospital practitioners to remotely diagnose and treat children at their school. Your child can be seen for a sore throat, ear ache, cough, cold, rash, urinary tract infection, etc. Advanced technologies allow the providers to examine patients using high-resolution video and real-time sound relay in a face-to-face computer format. Parents or legal guardians can obtain a registration form in the school office. Please call your school nurse or the central office if you have any questions.

Medication—If it becomes necessary for a student to take any form of medication at school, a signed medication card from a parent with directions must be presented to the school nurse. Students taking prescribed medications are required to identify themselves to the proper authorities in the school. All prescription and non-prescription medication must be received by the nurse in the original pharmacy labeled container and should be brought to the main office by the parent/guardian. All medication will be kept and dispensed by the nurse or designated office staff member. Use of a drug authorized by a medical prescription from a registered physician and administered by our nurse shall not be a violation of Bledsoe County Middle School drug policies. Intoxication from abuse of prescribed drugs shall be considered in the same manner as intoxication from illegally obtained substances. **All medicine must be registered with the school nurse. Anyone who has any kind of medicine or controlled substance that has not been registered with the school nurse will be subject to the zero tolerance policy.**

School Closing—Knowing early dismissals may occur due to special situations, please inform your child what he/she needs to do about arrangements to get home. With our large student population, it is impossible to call every parent to ask what a child needs to do. **Please make sure your child knows what to do.** In the event of inclement weather or mechanical breakdown, school may be closed or starting time delayed. The same conditions may also necessitate early dismissal. School closing, delayed starting time, or early dismissal will be announced by local media and the School Messenger System. **Please have a plan ready for your child to follow.**

Telephone and Messages—Messages and deliveries from home should be left in the office. Students will be called out of class only in an emergency. Cell phones are allowed on school grounds but must be turned off and kept in their locker. Any violation of this cell phone policy will result in disciplinary action. Students may use the telephone in the school office with permission if it is absolutely necessary. Students will be required to state their reason for needing to use the phone. **Only emergency messages should be phoned in.**

Withdrawals—If a student is moving out of our school, it is necessary for the parent to withdraw the child from school. To obtain instructions for proper procedures, parents should call the office at least two days before the child is to withdraw.

II. SCHOOL PROCEDURES

Student Emergency Form—A legal parent or guardian must complete an Emergency Contact Form for each child. Please list persons and their phone numbers who are allowed to pick your child up in the event of an emergency and you cannot be reached. **The student will not be permitted to check out with anyone whose name is not on the Emergency Contact Form.**

Attendance—Regular attendance is very important for academic success. A student cannot receive full benefit from their classes if attendance is irregular. Students are given a perfect attendance certificate at the end of each year if they have not missed any days. The law allows five unexcused absences per year. A student will have as many days to turn in classwork as the number of days he/she missed. The student is responsible to get this work from their teacher. Excused and unexcused absences will not be a factor in making up work. Students who are suspended will be allowed to make up their class work with a reduction in the grade. The maximum grade given on any assignment shall be ninety (90). For example, if the assignment is correct, the grade is ninety (90). If any points need to be deducted for incorrect work, those points shall be deducted from ninety (90). The criteria for perfect attendance includes 100% attendance, zero tardies, and no in-school-suspension or out-of-school suspension.

All absences will be counted as unexcused unless one of the following conditions exists:

1. Personal illness
2. Illness in the family requiring temporary help from the student (Physician's statement required)
3. Death in the family
4. Special, recognized religious holiday regularly observed by persons of the student's faith
5. School sponsored activities
6. Court appearances (Documentation required)
7. Parent notes will be accepted for a maximum of 5 days for the entire year. They must be turned in to the school office no later than 5 days from the date of absence.

The purpose of excusing days or not excusing days is to determine the necessity of taking action against students who are excessively absent. **Excessive absences and five (5) or more unexcused absences will be considered as a truancy violation and may be referred to the appropriate authorities such as the External Truancy Board.**

PROGRESSIVE TRUANCY INTERVENTION — New state law concerning truancy is now in effect. The Bledsoe County Middle Schools' Progressive Truancy Intervention Program is as follows:

Truancy Level I Intervention (3 Unexcused Absences)

- Letter or phone call from school officials making families aware of absences including compulsory attendance law and board policy.

Truancy Level II Intervention (5 Unexcused Absences)

- When a student accumulates five unexcused absences, a Progressive Truancy Plan shall begin and include the following:

1. A conference with the student and the student's guardian(s);
2. The student, parent /guardian, and school administrator or designee will sign an attendance contract, based on the conference.

The contract shall include the following:

- a. A specific description of the school's attendance expectations for the student;
 - b. The period for which the contract is effective; and
 - c. Penalties for additional absences and alleged school offenses, including additional disciplinary action and potential referral to juvenile court.
3. Regularly scheduled follow-up meetings to discuss the student's progress.
 4. A school employee shall also conduct an individualized assessment detailing the reasons a student has been absent from school. The employee may refer the student to counseling, community-based services, or other services such as Saturday School or Summer School to address the student's attendance issues.

Truancy Level III Intervention (7 Unexcused Absences)

1. External Truancy Board (may include School Representative, mental health and case management agencies, Youth Service Officer, and School Resource Officer) is activated.
2. A conference conducted by the external truancy board with the student and the student's guardian(s).
3. A resulting attendance contract to be signed by the student, the student's parent or guardian, and Attendance Supervisor/Designee.
 - a. A description of the expectation for the student's attendance.
 - b. The period for which the contract is effective.
4. The external truancy board will decide if students need additional intervention or service placed in the home. The external truancy board will decide if a petition/criminal summons needs to be filed.

Additional absences will result in a referral to the District Attendance Supervisor to coordinate with the Bledsoe County Juvenile Court for truancy.

Make-Up Work—Students are expected to do make-up work for absences in a timely manner. BCMS has a “time for time” policy for make-up work. For example, if the student was absent one day, all make-up work must be completed and turned in within one day of returning to school. If the student was absent for three days, he/she must complete all make-up work within three days of returning, etc. **The student is responsible to see their teacher to get make-up assignments and to complete all make-up work.** Teacher's websites and school contact information are accessible from <https://bcmsbledsoecstn.schoolinsites.com/>

Tardiness and Early Dismissals—Because of school's full schedule, tardiness is discouraged. Arriving at school on time is your responsibility and a job skill. Those students who arrive after 8:00 a.m. must have a parent or guardian sign them in to school at the main office.

If possible, medical and dental appointments should be made outside school hours. When this is impossible, a student may be checked out by his/her legal parent, legal guardian, or designee as long as this adult is listed on the child's Student Emergency Form. A total of three early dismissals and/or

morning tardies in one semester shall count as one day's absence. **Excessive tardiness and/or check-outs will be considered as a truancy violation and may be referred to the appropriate authorities.**

Truancy—Skipping school, skipping class, or leaving the school grounds without permission is strictly prohibited and will be dealt with as truancy. **Truancy can lead to the student being taken to Juvenile Court. Excessive absences, tardies, and/or check- outs will be considered as a truancy violation and may be referred to the appropriate authorities.**

Before School—(7:15 a.m. – 7:45 a.m.)—All students are to report directly to the cafeteria in the morning. Having finished breakfast, students will go to the gym no earlier than 7:30 a.m. Students should not be in the hallways or at lockers before school. At 7:45 a.m. all students should proceed to their classrooms.

Arrival—Students riding buses will unload in the front of the school in the designated bus lane. They will then proceed to the cafeteria. **No student should be dropped off prior to 7:15 a.m., and all students must be unloaded only in the designated area in front of the school where adult supervision is provided.**

Bus Riders—All buses will load in the front of the building in the designated bus lane. Buses will begin loading at 2:45 p.m. and due to potential safety concerns, parents will not be allowed to pick up their child during bus loading. Any student wishing to ride a bus other than his/her designated bus must have written parental permission and the approval of the principal or his designee. Students will turn in the written note to the office upon arrival at school and the note will be verified before the student is allowed to ride a different bus. If the student fails to turn in the note or if the office cannot reach the person who wrote the note, the student will not be allowed to change buses for that day and will be put on their regularly assigned bus.

Car Riders—Car riders will load in the designated car lane in front of the school. Car riders will begin loading after buses have been dismissed.

III. STUDENT BEHAVIOR

All students are expected to display consideration for others and their feelings. Treat others with the respect you would like directed toward yourself, respect the property of others, and practice self-restraint (both verbal and physical). Your conduct reflects on the school. We expect you to reflect a positive image for Bledsoe County Middle School. This includes excellent student behavior at athletic games, trips, and all school-sponsored activities.

Field Trips— Students may be excluded from field trips for an out-of-school suspension or behavior issues. The principal will have discretion in this matter. If the field trip is a reward trip, then the student must have passing grades in all classes and have no more than five unexcused absences. In addition, the student cannot have been suspended out of school or served more than three days of in-school suspension. All Board Policies apply when participating in an off-campus field trip.

Daily Behavior—Violating class rules, horseplay, shoving, pushing, hitting, excessive talking, playing with toys, etc. could result in disciplinary action by the teacher or principal. Students are expected to show respect for and obey all teachers and school personnel at all times.

Horseplay, fighting, bullying, threatening, harassing, stealing, vandalism, vulgarity (written or spoken), possession and/or use of tobacco products, vaping products, drugs, alcohol, pornography, extortion, and willful defiance of the authority of teachers and other school staff members have no place in school and will not be tolerated. Students who engage in such activities will be subject to swift and strong disciplinary action at the principals discretion.

10. Students must remain seated at all times. They are not permitted to use the emergency windows, emergency doors or touch the safety equipment without driver's permission.
11. Students must depart from the bus in an orderly manner. Students should move away from the bus promptly to a location at least 10 feet from the roadway.
