

## West Bolivar High School FBLA Student Excel at Central State Leadership Conference

West Bolivar High School's Future Business Leaders of America (FBLA) members continue to showcase their talent and leadership on the state level! On Thursday, March 20, 2025, students participated in the FBLA Central State Leadership Conference at the University of Southern Mississippi in Hattiesburg, MS. These students, enrolled in the Cyber Foundations I/II programs taught by Mrs. Chandra Miller-Faust, competed in various business and leadership events against FBLA members from across Mississippi.

West Bolivar students had another successful showing, with a competitor earning top rankings:

- Frank Braxton, a ninth-grader, placed 4th in the state of Mississippi for Introduction to Parliamentary Procedure.

Frank's fourth-place victory earned him a spot at the FBLA National Leadership Conference, which will be held in Anaheim, California, this June.

Mrs. Miller-Faust expressed her pride in the students, stating, "Their hard work, dedication, and commitment to excellence truly paid off. Competing at this level is a remarkable achievement, and I am excited to see them continue their journey at the national level."

In addition to competing, students had the opportunity to network with industry professionals, attend leadership workshops, and gain valuable insights into future career opportunities in business and technology.

Congratulations to Frank Braxton and all West Bolivar High School FBLA members for their dedication and success! We look forward to seeing them continue to represent our school and community with excellence.
