

Call Out for January 20, 2023

This is Richard Dennis, Superintendent of Elmore County Public Schools.

I want to thank Holtville High School principal, Kyle Futral and the Holtville students along with Ewell Fuller principal of Stanhope Elmore High School, Colonel Bonasera and the Stanhope Elmore High School JROTC students that volunteered last Friday assisting tornado victims in the Lightwood Community. Also, a big thanks to all community members that responded with food including the Holtville High School cafeteria. In response to the tornado the Elmore County EMA is coordinating a donation center for contributions and donations; it is located in the old Russell building on Highway 14 and the hours of operation are Monday through Saturday from 9AM to 6PM. Your support is greatly appreciated.

If you would prefer to get my call outs and other system-wide communications and school responses to inclement weather texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Please, remember that January 25 is a professional development day for employees, and students are not in school. Have a great afternoon and enjoy the weekend.

*Every Student Empowered, Every Student Succeeds.*

Richard Dennis
