

HCBE Wellness Policy (Policy EEE) Review

At the end of the school year, the Houston County wellness policy was assessed.

We received no comments from the public, nor from wellness policy committee members.

Notes were made for any goals that were not completely met.

Copies of the Wellness Policy documents may be requested from the School Nutrition Office at (478)322-3308.

There will be no changes to the policy at this time.
