

Evaline Weekly News

10-15-2021

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Tracie's Memorial

There will be a joint celebration of life for Tracie and her husband Pat on Friday November 5th, at 2pm at the Adna Grange.

Wreath Orders ASB Wreath Fundraiser

Evaline Associated Student Body will be selling Holiday wreaths and centerpieces crafted by Country Garland. All earnings are used for a variety of student activities. Each student's fundraiser packet can be found in this week's newsletter envelope and we have attached the forms to the email. Please read the letter in the fundraiser packet for full details. We will have one date this year for wreath deliveries: * **All orders MUST be turned in with money by November 10th.** *Pick up will be November 23rd.

Under Construction

We're beginning to break ground in preparation for the modular building. Please bear with us as there may be short term changes to parking and student drop off and pick up beginning the week of the 25th. Thanks!

Picture Day Is Coming Soon

BELL Imaging will be here on **Tuesday, October 26th** for school pictures. There will be no retakes. Go to: <https://vando.imagequix.com/g1000889501#login> to place your picture order.

For any questions please contact Mrs. Kirkpatrick at ckirkpatrick@evalinesd.k12.wa.us or 360-785-3460

The Great ShakeOut

Evaline will be participating this year in the Great ShakeOut drill next week. Great ShakeOut Earthquake Drills are an annual opportunity for people in homes, schools, and organizations to practice what to do during earthquakes, and to improve preparedness.

The Great ShakeOut occurs this year on October 21. So that all staff can be involved, we will be participating in the Great ShakeOut a day early on **Wednesday, October 20** in the afternoon. Teachers will prepare students by training them on what to do during an earthquake. During the drill, we will simulate an earthquake, have students get into position under their desks, and then evacuate the building.

Monster Truckz Tickets

We received some free Monster Truckz tickets in the mail. We added them into your newsletter envelopes. Please let the office know if you would like more tickets as we were sent a lot. The tickets are free admission for children ages 3-13 with paid adult.

Important Dates!!

Oct.

Tues. 19th: School Board Meeting 6:30

Fri. 22nd: No PM Bus

Tues. 26th: BELL Imaging Picture Day

Tues 26th: Parking changes due to construction

Wed. 27th: Parking changes due to construction

Fri. 29th: Halloween Party

Fri. 29th: Early Dismissal, 11:30

Nov.

Mon-Fri. 1st-5th: Fall Conferences

Thurs. 11th: Veterans Day-No School

Wed. 24th: Early Dismissal, 12:30

Thurs-Fri. 25th-26th: No School-Thanksgiving Break

New Lewis County Symptom Decision Tree

We received a **new** Symptom Decision Tree yesterday.

We have attached it with this newsletter. This is the protocol we follow when your student has any symptoms.

No PM Bus Next Friday 10-22

Next Friday, October 22nd is a regular school day and we do not have a driver for the 3 PM route. There is a shortage of bus drivers across the State and we truly appreciate all the help Mrs. Seimer is giving and has given us in the past. We currently have someone training to be our school bus driver, but it takes time to complete the series of written and practical training and exams. Thank you for your continued support and patience.

HALLOWEEN PARTY

The booster club will put on a Halloween party on Friday October 29th. Students are encouraged to dress up, (no blood, gore or full masks please.). All students will have an opportunity to play carnival games and do a Halloween craft. This will look different this year than it has in the past and students will stay with their classroom cohort. In addition there will be a pumpkin carving/decorating contest, more details to come soon.

Please note:

If your family does not participate in Halloween, there will be alternate activities for them to do.

CANDY FOR THE HALLOWEEN PARTY

The Booster Club is asking each family to donate a bag of individually wrapped candy for our Halloween party on October 29th. They ask for one bag of candy per student in the household. There will be a drop box in the office. Please have the candy at the school no later than **Wednesday, October 20th.**

Kindergarten

Mrs. Tinnin

This week we worked with the numbers 6-9. Each day we work on one number to try to find all of the combinations that equal our number. For example, our number is 8. We work with manipulatives, counters, our fingers, or drawing to find two numbers that equal 8. As some students struggled and others grasped the concept, there were some interesting 'math discussions'.

Students learned the letters d, t, and o. Everyone can recognize the first sound in words. We are still working on middle and last sounds in CVC words.

During circle time students are learning about patterns, months of the year, and counting how many days we have been in school.

It is getting cold outside. Please send your child with warm coats and mittens if you can.

First and Second Grade Explorers

Mrs. Mittge

Awesome AR Awards:

Leap 1: Brooklyn Moran, Grade 1

Leap 1: Sadie Faulkner, Grade 2

Students are doing a marvelous job reading each night and at AR time. Please continue to READ, READ, READ aloud every night.

Our Explorers had a "rockin'" week! We learned about igneous, metamorphic, and sedimentary rocks. We categorized these rocks by property: size, texture, color. Many students ran with the idea of properties and began collecting and sorting leaves. During Explorer time we used some of these samples to do leaf rubbings!

Students also worked with balance scales and were introduced to the term "mass" and the concept of standard measure.

Have a lovely weekend. If you have a chance, check out:

<https://nrich.maths.org/primary>

Third and Fourth Grade Classroom

Ms. Turnquist

Parents,

This week has been a very busy week in math for both grades. 3rd graders have just finished their unit on graphing where they learned to interpret and make their own frequency tables, tally charts, pictographs, bar graphs, and line plots! Next week they will begin exploring what it means to multiply. 4th graders have just finished their unit where they learned to multiply large numbers such as $1,387 \times 7 =$ and $42 \times 89 =$. Students will be starting in on learning to do long division next week.

AR Awards

Congratulations to **Josh** for hitting leap 1 and **Dylan** for hitting leap 2 this last week. Keep up the great reading!

Fifth and Sixth Grade Classroom

Mr. Burlingame

Parents,

We are entering colder weather and as such I would please like to take a moment and ask that you send cold weather jackets to school with your students for recess.

I can not stress enough the importance of reading and there is an incredible amount of research that supports why children need to read. Here at Evaline we participate in the Accelerated Reader program which supports reading by giving short, easy quizzes after they complete books. Students who earn enough AR points achieve leaps and then get awards for their hard work. So far we have three students in 5th/6th grade who have achieved AR leaps. Please encourage your students to read, and then to take AR tests when they get to school.

AR Awards

Leap 1: **Freyman G.** and **Tyler S.**

100's Club: **Jack B.**

PUMPKIN PATCH FIELD TRIP

The students had a super fun time at the Parkerosa Pumpkin Patch this morning. The students got to choose a pumpkin to bring home, got to go through a corn maze, see cute animals at the petting zoo, go on a hayride, and enjoy a fun snack.

Thank you to the Booster Club for making our field trip possible!
