Notes

- A. Facilities will normally be available one-half hour before the scheduled program time and closed one-half hour after the scheduled program time. Users still occupying the facility more than one-half hour after the scheduled completion time will be charged for an additional hour.
- B. Area/Rooms not listed above will not be available for lease.
- C. A fee may be charged when an event is expected to cause excessive wear and tear on a facility or additional services (field grooming, salting, plowing, etc.) are required. This fee will be determined on an individual basis and will be presented to the user prior to the approval of the facility.
- D. Fees for regularly scheduled long-term or sustained use will be made based on negotiated settlements between the parties.
