- Research/Informational Writing

Grammar Grade-11/19

****Spelling lists and study guides are posted on my webpage!**

PARENTS: Please make sure your child is studying for spelling tests. 4th grade spelling isn't easy! Please help them study and give them a practice test before Friday.

This Week's Shoutout:
Isabella L!! Thank you for working hard every day and for being such a happy, bright light in our class!! 🥰

Lucas

Math:

We will be continuing Topic 6 in our Math book this week. Topic 6 is using basic operations in word problems. We will not spend long on this Topic because it is not new information. It is simply using what we already know to complete word problems. Please practice all multiplication facts to 12. Regular spiral math homework this week. Remember, the pages in the math book can be used for additional practice if you want to make sure they are grasping what we are doing in class. We will have study sessions for Topic 6 Math Test on Tuesday in class. Study guides will come home Tuesday night. Please remember to sign these to show you studied with your student. We will begin testing on Wednesday and continue on Thursday if needed.

AL History:

We will still be starting Science back this week! We will begin Unit 2. Unit 2 discusses different forms of energy. In Lesson 1 this week, students will make observations to explain how different types of energy can be transferred in various ways.

This Week's Shoutout:
Charlsie!! Thank you for working so hard and being a good classmate to your friends and teacher!!

Special Reminders

Check ParentSquare Daily!

Thanksgiving Break 🦃 11/23-11/27
