For Students
entering grades 9-12

CERTIFICATE PROGRAM FOR HIGH SCHOOL STUDENTS

WATERSHED UNIVERSITY

Participants spend a week learning from experts in the environmental field, examining environmental and social topics that affect local and global resource conservation challenges. Explore future fields of study in college and beyond preparing for career opportunities in environmental science, conservation and environmental education.

Two weeks offered this summer: July 22-26, 2024 and August 5-9, 2024
