Reminders:

- Wednesday 8-31-22 – Resource Fair on the practice field during lunch. This is an event where students can explore all the resources that are available to them from this school.

I am happy to report that we really only have one reminder this week. After the past two weeks of March of Saints, Welcome Back Rallies, and Back to School Nights, and much more, it is nice that things are beginning to settle down.

Kudos:

Kudos this week go to everyone who made last night a successful Back to School Night. Teachers are always the star of the show. You all represented us well, as always, and made the event welcoming and useful for our parents. Special thanks also go out to Leticia Juarez and Mr. Vincent's office for the organization of the event, grounds and maintenance for get things set up, and Mr. Orlick and his Link Crew students who helped out with the translation.

Message from Administration/ Important Items and Reminders:

I have heard from many of you that the "no hoodies/earbuds/phones" campaign is working pretty well, not perfect I'm sure, but pretty well. The key to this campaign is everybody holding the line together.... so keep enforcing it in your classes please. We also just received the posters to hang in your classrooms. This should go even further make the message clear and consistent. We will get the posters distributed to your rooms early next week. Thanks for your help with this and I hope it is making everyone's life a little easier.
