## Annual Dessert Auction!

Friday, May 10th at 6:00pm

Once a year the Booster Club holds its "Dessert" Auction fundraiser. Over the years it's become much more than just a great day to buy sweet treats. It is also an awesome opportunity to bid on auction items such as wonderful themed baskets, gift certificates and items from local businesses and many other great donated items. Please make sure to come and join in the fun and support our Evaline students!!

Students and parents, this is where you come in. Our Booster club is encouraging each family to bake or provide a dessert to donate to the Auction. Please make sure you label what it is and who made it! You can bring the dessert when you come to the auction or if you cannot attend the auction you can drop off your dessert at the school before the auction on Friday, May 10th or make other arrangements with the booster club for dessert drop off. If you or someone you know would like to donate items to our auction you can contact the booster club to make arrangements. [evalineboosterclub@gmail.com](mailto:evalineboosterclub@gmail.com)

Each classroom will be putting together their own themed gift basket to donate to the auction. We are asking every student to donate an item or two toward their classroom basket related to the theme of their basket. Students can start bringing in items for their class basket anytime after Spring Break.

### Here are the classroom baskets themes:

**TTK / Kindergarten:** "Let's Be Creative!"- All things related to arts and crafts.

**1st / 2nd:** "Fun in the Sun!"- Outdoor fun activities and games.

**3rd / 4th:** "I Scream You Scream, We All Scream For Ice Cream!"- All things related to the enjoyment of ice cream.

**5th / 6th:** "A Cozy Night In"- Special snacks/treats, games, movies and some cozy fun items.

## TK and Kindergarten

Mrs. Tinnin

Kindergarten is learning tricky words. They are words that don't follow the rules. Students should know: why, word, when, was, and to. They are also writing capital letters. TK is learning the letters F, G, and I and recognizing beginning sounds. They continue to work on their ocean habitats.

In math, kindergarteners finished counting to 100 by tens. After the break, they will learn about two-dimensional shapes. TK is learning about comparing amounts and sizes.

Have a wonderful break. We will have several fun activities starting and a surprise in our classroom when students return!

## First and Second Grade Explorers

Mrs. Mittge

Great fun in 1st/2nd grade! We turned our classroom into "Camp-Read-a-Lot" while the sixth graders were at Camp Cispus. Camp fun included: nature scavenger hunts, phonics fishing, flashlight camp reading, smores, and habitat tours. Also, as we pushed through to the end of the Read-a-Thon, Clementine the Bunny came in to cuddle with readers. It was a wonderful week with wonderful learners! Have a lovely spring break! I can't wait to see them and hear all about their vacation adventures.

## Third and Fourth Grade Classroom

Mrs. Mars

Third and Fourth grade students had an amazing time at the GREEN Congress last week. Students broke apart into classrooms where they presented our water data to a group of students from surrounding schools. I was so proud of the bravery of Evaline's students to stand in front of a group of strangers and proudly present our findings. Our class knew what they were talking about and were able to answer questions asked to them. We finished up the day with students breaking into stations where they got to explore a concept that interested them. Topics included things such as: how to cast a fishing line, nature drawing, hiking, and more.

## Fifth and Sixth Grade Classroom

Mr. Burlingame

**Hello parents, at this time last year 6th graders had gone on a long hike, learned about compass navigation, first aid, and search and rescue, hiked to Yellowjacket creek and investigated the botany, animal inhabitants, and water systems of the area. They had also built survival shelters and cooked lunch on a fire that they built. There's still more to do and I'm sure they can't wait to tell you about it when we get home.**

**We will see you at 12:30 on Friday.**
