Boasting on our Bears...

- Five Varsity football players were named to the All-County team. Congratulations to Levi Arington, Randriquis McCary, Matthew Shanholtzer, Kylan Thomas and Z'londre Tyus...Go Bears!
- Eligible students in grades 7 and 8 received invitations to join Jr. Beta Club recently. Congratulations!!

Special Events

We will celebrate Random Acts of Kindness Day on February 17.

DID YOU KNOW?

A group of bears is called a sleuth. So...Billingsley students, parents, faculty/staff and community members are all part of our BHS Sleuth (family)!

What's Up in...

2nd Grade- Throughout January and February, 2nd grade is learning about different habitats and the animals that live there. We will be taking a closer look at how animals and plants live in each habitat.

6th Grade- 6th grade is participating in the Great Kindness Challenge 1/24-1/28. The kind acts on the kindness checklist focus on key kindness concepts: caring (incl. self-care), respect, gratitude and inclusiveness.

6th grade is beginning geometry which will be useful in their house projects they will be starting in April and May. Currently they are able to determine the square footage of a building through the use of geometry and finding the area of different shapes. They are also finishing up World War II and will begin learning how the United States became a superpower as a result of the war.

Electives- Our Art students will have an opportunity to enter the contest, "Doodle for Google. Mrs. Graham has entry forms and will allow time for the students to work on this during class time and send in any submissions for them. Maybe we'll see their art in a Google search one day!!

Art classes have started "Clay Wars", inspired by the TV show, "Cake Wars". The students are teamed up and given a ball of clay, then tasked with something to make. They have between 5-7 minutes to create, then a panel of "judges" choose the favorite.
