## From the principal

I hope everyone is enjoying the last few days of Winter Break and that you've had a chance to spend time resting and enjoying friends/family. Although I love a good break as much as the next person, I am looking forward to returning to our meaningful work at SMHS. As you know, we have a lot of good stuff before us this spring which all begins next week.

Please review the above "reminders" for next week's activities and dates. Classified staff, you should have been notified of your return date by your immediate supervisor (it varies between Jan 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup>). Teachers, you should have heard from your DC regarding events on Monday, Jan 9<sup>th</sup>, and can use the above "Jan 10<sup>th</sup> PD Agenda" to help answer questions regarding Tuesday.

I feel this coming semester will be a breakout opportunity for SMHS. Though still feeling some residual effects from the COVID closures, we are in a positive place to complete the "reset" process to the procedures and successes we enjoyed before COVID events caused us to slow our course. This will be the focus for much of our discussion during Tuesday's PD Day and as well as the focus for the 2<sup>nd</sup> semester.

I think we all agree that SMHS is a special place and that the work we do is critical to the young people who go to school here. Though it is tough to say goodbye to a well-deserved Winter Break, I really am anxious to get back to work. Together, I truly believe

we have the students, and the staff to continue to do great things here. Enjoy your last few days of break and be ready to return for another great semester at SMHS.

Sincerely,
