
Welcome Back from WCSSD Food Services

We hope everyone's 2022-2023 school year is off to a great start!

Here are few reminders from your amazing cafeteria staff:

1.) Please ensure your child knows his/her pin #.

2.) Students are provided a set time for meals; in the event something interferes with that time beyond the students control; they will be allotted time to eat. This may be in either the cafeteria or the classroom. BREAKFAST & LUNCH WILL BE PROVIDED TO ALL STUDENTS AT NO COST.

3.) Remind your child the goal is to enter and exit the lunch lines as quickly as possible. Be mindful of excessive talking and having cell phones out during the process.

Thank you for supporting the WCSSD cafeteria staff. We look forward to serving your child!
