

School Council Agenda 10/24/25

- Welcome
- MAP Data- Discuss how MAP data is used to guide instruction and expectations of MAP
- Benchmark Advance (Reading)- Our new reading curriculum and the difference between Benchmark Advance and Amira.
- Safety Drills- Reviewed our Safety Drill procedures with parents and discussed how Centegix works.
- Upcoming Events- A calendar for the next three months was created which included the following:

4th grade dance- November 20- Glow party; discussed food and decorations

Frosty Friday dates are set and on the calendar

October staff treats- donuts and coffee

December staff treats- Grandmother's Empanadas during lunch on December 18th.

School store has been a success. Future school store dates are on the calendar.

- ESplot- The importance of ESplot and how it impacts education.
