8th Grade STEM/STEAM Day

Eighth Grade students at Clay County Middle School traveled to South Georgia Technical College on March 21st to participate in the Chattahoochee-Flint RESA 8th Grade STEM/STEAM Day. The students had the opportunity to engage in hands-on STEM/STEAM activities that were linked to what they have been learning in their Science class. Students also received information on Dual Enrollment, which sparked their interest in the opportunities that will await them once they enter high school.

Here's what happening in 3rd grade Math

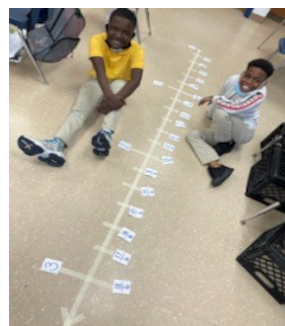

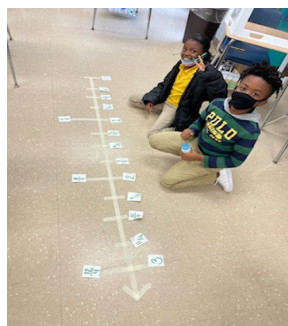

Ms. Peterson's Pizza Parlor

Ms. Peterson's 3rd grade class is still cooking it up! The students filled orders for a pizza parlor, but not everyone wanted the same toppings! The chefs needed to put their brains to work and turn a whole pizza into equal slices with the toppings that were on the order! Needless to say, they understood the assignment and were able to create the fractional amount for each topping!

Fractions on the Move

We know our fractions here and there, we know our fractions anywhere! Ms. Peterson's class took a trip outside to draw fractions on a number line with chalk! The next day they went inside to complete the lesson. Their fractions were all mixed up, but they knew exactly how to determine which fractions went where. Once the number lines were complete, they got to "Move it, move it!" on the number lines!

APRIL 18, 2022 - APRIL 29, 2022

NO CELL PHONES, SMART WATCHES, OR BOOKBAGS
WILL BE ALLOWED AT CLAY COUNTY SCHOOLS
DURING TESTING.

A few testing tips:

1. Make sure your child get plenty of rest (8hrs.) each night.
2. Be sure to have your child to school ON TIME (7:45 AM). Students who arrive after testing session has begun will have to take the missed section during make-up session.
3. Make sure your child is present each day of testing. Please avoid scheduling appointments on those days.
4. Most importantly...encourage your child to do his/her best and not to be anxious about the test!

It's time to show off the
MOUNDS
of learning in your head!
