

## **Verndale School District #818 Covid-19 Dashboard**

Verndale Public School is compiling data on a daily basis when school is in session. The data compiled includes:

- The number of active positive cases of students and staff.
  - This number reflects the number of students and staff who are currently off site while they complete their 5-day isolation period due to illness.
- The percentage of active positive cases for students in each building. The number also includes the number of staff in the district that have tested positive for Covid-19.
  - This number reflects the percentage of each school's student enrollment that are currently off site while they complete their 5-day isolation period due to illness.
  - This number also reflects the percentage of school staff that are currently off site while they complete their 5-day isolation period due to illness.

Data Date: 02/01/2022
