2025-2026 APPLICATION FOR OUT OF DISTRICT STUDENT ADMISSION

An Out of District Application for Admission is required for all students living outside the DS school district. District boundaries are the 4 bridges leading out of town. A form is included on page 7.

Madisonville Community College and Murray State University-Madisonville are proud to announce the recognition of three Dawson Springs educators for the prestigious **Excellence in Teaching Award**, honoring their dedication, innovation, and impact in the classroom. This year's honorees include:

Cindy Dukes - Elementary ECE Teacher,
 Jessyle Spalding - Middle School ECE Teacher, &
 Micki Clark - High School English Teacher.

The Excellence in Teaching Award recognizes educators across Western Kentucky who exemplify excellence in teaching practices, student engagement, and leadership in education. These three educators have gone above and beyond in their commitment to student success and have made lasting impressions on our students and our school community. The recognition ceremony for all honorees was held the evening of Thursday, April 17th, at the Glema Mahr Center for the Arts on the MCC North Campus.

CLASS OF 2025 RECOGNITION

Mr. and Miss DSHS value hard work and dedication. These are students who excel in their school and extracurricular activities. Both the Mr. and Miss have successes in academics and are involved in a number of other activities: academic team, sports, band, and other school organizations.

Mr. and Miss Citizenship are students who have donated a great deal of their time volunteering in our community and school. They are selfless and, above all else, caring towards other students and the faculty. These students will be the ones who have always gone beyond the call of duty when asked to help with activities in the school and community. The Mr. and Miss possess noble morals and are looked up to by other students.

6TH GRADE PHYSICAL & IMMUNIZATION REMINDER

5th grade students can get their school physical now for their required 6th grade entry physical. It is better to get them done now before school starts back since doctor's offices may have limited availability closer to the beginning of next school year. If you would like the DS school nurse to complete your student's physical, please contact the nurse's office. We have done several and would be glad to help. We can schedule a time to do the physical or needed immunizations.

Also, once 5th or 6th graders turn 11 years old, they will have more required shots that need to be completed. If your student has Medicaid or no insurance, the school nurse can provide the needed immunizations. If you need us to get your child updated, please contact us. If your child has private insurance, you will need to get the shots completed with your child's medical service provider. 11-year-old students will require Tdap and Meningococcal vaccines. The HPV vaccine is also highly recommended.

If you have any questions regarding vaccines or physicals or would like to schedule an appointment, call the DS School Nurse at 270-797-3811. Even if you plan to complete your child's vaccines or physical with your own medical provider, I will be glad to answer any questions that you may have.
