Language Arts and Math-ACAP skills review

There will be no tests during the ACAP test period.

Test tips for Parents:

- Mark the test dates on the calendar so you will be aware of the test dates.
- See that your child is calm and happy.
- Choose clothes that are comfortable.
- Try to make the time before school stress free.
- Be at school on time.
- Remind your child to do the best.
- Practice taking deep breaths to relax.
- Remind your child to listen and read all directions carefully.
- Tell them to use their time wisely.
- Remind them that it is not a race to finish first, and not to worry if others finish before they do.
