

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596. 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Spring Break

**There will be no school
April 7th - 11th for
Spring Break! Have a
fun and safe break!!**

Annual Dessert Auction!

Friday, May 9th at 6:00pm

Evaline Booster Club Annual Dessert Auction!

Join us for our annual Dessert Auction fundraiser! This fundraiser is more than just a chance to grab delicious treats! Bid on themed baskets, gift certificates, and amazing items donated by local businesses. Don't miss out on the fun and a great way to support Evaline students!

We Need Your Help!

Families, we'd love for each of you to contribute a dessert for the auction. Please label it with what it is and who made it. You can bring your dessert to the auction or drop it off at the school before the event on **Friday, May 9th**. If you need to make other drop-off arrangements, email the Booster Club at evalineboosterclub@gmail.com.

Classroom Baskets

Each class will create a themed gift basket for the auction. We're asking every student to contribute an item or two related to their class theme. Items can be brought in anytime after Spring Break. **Thank you for your support! We can't wait to see you there!**

Here are the classroom baskets themes:

TTK / Kindergarten: "Let's Be Creative!" - All things related to arts and crafts.

1st / 2nd: "Breakfast for Dinner!" - Batters, syrups, spatulas, bowls, skillets, recipes for making a fun, topsy turvy breakfast for dinner experience.

3rd / 4th: "Bookworm Basket" - Books, fun bookmarks, cozy blankets, stuffed animals, nightlights, puzzles, hot cocoa, tasty snacks and fun literary-themed goodies.

5th / 6th: "Game Night Basket" - Fun board games, card games, dice sets, puzzles, popcorn, candy, soda, cozy blankets, and playful prizes.

Friday, April 18th: Annual Egg Hunt Courtesy of the Booster Club

Get Ready for an Egg-citing Adventure!

We're thrilled to announce that our **Annual School Egg Hunt** is happening on **Thursday, April 18th at 10:45am!** We're inviting all preschool siblings to join in the fun too! If your little one wants to hop along and hunt for eggs, please call or email the office to let us know so we can make sure we have plenty of eggs and bags for everyone. Also, don't forget—**April 18th is an early release day**, and we'll be dismissing at **11:30 AM**. We can't wait to see all the happy hunters in action!

Mon. 26th: No School - Memorial Day

Evaline Highly Capable Annual Notice:

WAC 392-170 requires that all school districts identify and serve their most highly capable kindergarten through grade 12 students and provide them a continuum of services.

WAC 392-170-035 defines highly capable students as "students who perform or show potential for performing at significantly advanced academic levels when compared with others of their age, experiences, or environments. Outstanding abilities are seen within students' general intellectual aptitudes, specific academic abilities, and/or creative productivities within a specific domain. These students are present not only in the general populace, but are present within all protected classes according to chapters 28A.640 and 28A.642 RCW."

In accordance with WAC 392-170-060, WAC 392-170-075, and WAC 392-170-070 the Evaline School District uses multiple criteria, universal test measures, and a Multi-Disciplinary Selection Committee (MSC) to identify students who fall generally in the top 10 percentiles for cognitive ability.

Also, in accordance with WAC 392-170-045, Evaline has a referral process by which parents and teachers can provide further insight to the aptitudes and abilities of a child who they wish to recommend for highly capable services. Referral forms can be found in our school office and can be e-mailed or mailed upon request. The open referral window is from April 21, 2025 to May 2nd, 2025.

All students who attend Evaline in grades kindergarten through sixth will have the opportunity to be universally screened for highly capable services using multiple criteria and results from the Cognitive Ability Test (CogAT). Students who test in the top 10th percentile will be automatically referred to the MSC to determine whether they qualify for highly capable services.

In accordance with WAC 392-170-076 the Evaline School District has written procedures for appeal.

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RWCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596. 360-785-3460 kmacdonald@evalinesd.k12.wa.us

TK and Kindergarten

Mrs. Tinnin

Kindergarten is learning tricky words and how to write capital letters. They are also learning about Kings and Queens. They enjoyed the story of King Midas and the Golden Touch.

TK is working with the letters M, A, T, D, O, and C and recognizing beginning sounds in words. They will start learning about ocean habitats after the break.

In math, kindergarteners are learning shapes and their attributes. They learned the terms curve and vertex. They also discovered that a rectangle is a square, but a square is not a rectangle. After the break, they will learn about three-dimensional shapes. TK is learning about comparing amounts and sizes. They compare two groups to determine if they have less, more, or the same.

Have a wonderful break! We have some fun activities planned after Spring break.

First and Second Grade Explorers

Mrs. Mittge

Students painted their relief maps. They look amazing! Students should be able to identify where the mountains, hills, lowlands, ocean, and borders are in Washington State.

Students have also made great progress on their Washington State animal reports! We will build on our research after spring break by creating neat flip charts!

Families, we will be collecting donations for our Booster Club Auction basket after spring break. If you would like to contribute, we would appreciate it. Our theme is "Breakfast For Dinner!" We are looking for items such as: batters, syrups, spatulas, bowls, skillets, recipes or other items that can be used to create a fun, topsy turvy breakfast-for-dinner experience.

I hope you all have a lovely, relaxing spring break! I will miss your children and look forward to seeing them back on April 14th!

Post spring break sneak preview:
CHICKS AND MEALWORMS!

Third and Fourth Grade Classroom

Mrs. Mars

The Evaline Booster Club Auction is just over a month away. Our class has chosen to collect donations to put together a "Bookworm Basket". Each year we ask that families donate to the class basket as the money raised at the auction allows the Boosters to do many fun things throughout the year for our students. This year I have created an Amazon wishlist, filled with many of the ideas student's brainstormed. Feel free to purchase straight from the list and it will ship to the school or use it as a stepping stone full of ideas and select your own favorite things to contribute.

Amazon Wishlist:

Fifth and Sixth Grade Classroom

Mr. Burlingame

The sixth graders had a fantastic week last week at Clispus and have been captivating the 5th graders with their stories of their experience.

In math 5th graders are finishing up their chapters in fraction multiplication and will be moving on to dividing fractions. 6th grade is working through linear equations: writing, solving, and graphing them.

Social Studies lessons have been focused on river societies of the ancient world and are now moving on to major world religions and their origins.

Have a great week off next week and we'll see you all after spring break!
