School Board of Gadsden County, Florida
And
PSTB Consulting, LLC
CONTRACTUAL AGREEMENT

This AGREEMENT is made between the School Board of Gadsden County, Florida, a school district, herein referred to as the "RECIPIENT", organized and existing under the laws of the State of Florida, with its principal place of business at 35 Martin Luther King., Jr. Blvd, City of Quincy, County of Gadsden, State of Florida (also referred to as the District) and PSTB Consulting, LLC, Dr. James W. Brown, Jr., Owner a consultant with his principal place of operations at 3001 Byington Circle, Tallahassee, Florida 32303, herein referred to as "CONTRACTOR". This contractual AGREEMENT will establish uniform administrative requirements for the CONTRACTOR and RECIPIENT.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 1. ENGAGEMENT OF THE CONTRACTOR

The RECIPIENT agrees to engage the CONTRACTOR and the CONTRACTOR agrees to perform the functions as outlined in the ARTICLE 2 – Scope of Services below. The CONTRACTOR understands and agrees that all services are to be secured and implemented solely by the CONTRACTOR and no other entity will be assigned as a sub-contractor without the prior written consent of the RECIPIENT.

ARTICLE 2. SCOPE OF SERVICES

In consultation with Superintendent, the CONTRACTOR has agreed to provide lead planning for district reorganization, school reconfiguration, district rebranding, serve as a liaison between external legal services and the school district, oversee the maintenance of School Board Policies, make updates to the district's procedures manual for policy implementation, facilitate revisions to the Five-Year Strategic Plan and perform other incidental requests. The CONTRACTOR agrees to collaborate with any district personnel requested by RECIPIENT to ensure that work is responsive to district needs.

ARTICLE 3. DURATION OF AGREEMENT

This AGREEMENT shall begin on January 2, 2017 and end on June 30, 2017. Services will be rendered and billed by the CONTRACTOR. This AGREEMENT may be extended by mutual written consent of both the RECIPIENT and CONTRACTOR.

ARTICLE 4. PAYMENT

RECIPIENT shall pay the CONTRACTOR upon the receipt of periodic invoices that will include documentation describing the services that were rendered by the CONTRACTOR during the period that the invoices cover. The invoices will document the work performed, and timeframe in which work occurred, including date, time and the number of hours worked. In full and complete compensation for all services provided by CONTRACTOR under this AGREEMENT, Gadsden County shall pay to Dr. James W. Brown, Jr. the total amount of \$28,000 (Twenty Eight Thousand Dollars) for services rendered as described in Article 2 of this AGREEMENT. Invoices shall be prepared and addressed to the Superintendent of Schools. Checks will be made payable to PSTB Consulting, LLC and mailed to the agency office.

- (a) The CONTRACTOR shall not pledge the RECIPIENT'S credit or make the RECIPIENT a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness.

- (b) The total cost of the AGREEMENT is \$28,000 plus relevant and necessary travel expenses to provide services rendered.

ARTICLE 5. PUBLIC RECORDS

Where applicable, documents prepared pursuant to this AGREEMENT may be subject to Florida’s Public Records Law. Refusal of the CONTRACTOR to allow public access to such records shall constitute grounds for cancellation of this AGREEMENT.

ARTICLE 6. ACCESS OF RECORDS

The RECIPIENT shall have access to all CONTRACTOR’S records that are directly pertinent to this AGREEMENT. The RECIPIENT shall provide CONTRACTOR access to all district documents and personnel necessary to render services as required under Article 2 of this AGREEMENT.

ARTICLE 7. TERMINATION OF AGREEMENT

The parties hereto contemplate this contract to run for the designated time period cited above subject to review as required by law. Either party wishing to terminate this contract prior to its expiration date shall provide the other party with thirty (30) days written notice. Upon termination, the district shall be responsible for payment of all costs incurred by CONTRACTOR in the performance of the AGREEMENT prior to termination.

ARTICLE 8. AMENDMENTS

Any changes must be mutually agreed upon and incorporated in written amendments to this AGREEMENT.

ARTICLE 9. INDEPENDENT CONSULTANT

The CONTRACTOR is an independent business owner and not an employee or agent of the RECIPIENT. CONTRACTOR agrees to comply with all requirements of the Jessica Lunsford Act. CONTRACTOR shall be acting as an independent business owner in the performance of this AGREEMENT, and shall be responsible for the payment of claims for loss, personal injury, death, property damage, or otherwise arising out of any act or omission of their respective employees or agents in connection with the performance of the Services for which they may be held liable under applicable law. Each party shall maintain at its sole expense adequate insurance or self-insurance coverage to satisfy its obligations under this AGREEMENT.

ARTICLE 10. NONDISCRIMINATION AND COMPLIANCE

The CONTRACTOR shall comply with all federal, state and local laws and ordinances applicable to the work and shall not discriminate on the grounds of race, color, religion, gender, sexual preference, national origin, or age in the performance of work.

ARTICLE 11. ADMINISTRATION OF AGREEMENT

- (a) The CONTRACTOR’S contract administrator and contact is James W. Brown, Jr. and/or his designee.
- (b) The RECIPIENT’S contract administrator and contact is Roger P. Milton, Superintendent of Schools or his designee.
- (c) All written and verbal approvals must be obtained from the parties’ contract administrator or their respective designees.

This contract shall be governed by and construed under the laws of the State of Florida.

ARTICLE 12. AGREEMENT AS INCLUDING ENTIRE AGREEMENT

This instrument embodies the entire AGREEMENT of the parties. There are no other provisions, terms, conditions, or obligations.

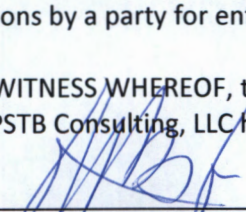

ARTICLE 13. CONFLICT OF INTEREST

As of the date of this AGREEMENT, CONTRACTOR assures the RECIPIENT that PSTB Consulting, LLC is not a party to any oral or written contract or understanding or legal or regulatory obligation that will in any way limit or conflict with its ability to fulfill the terms of the AGREEMENT.

ARTICLE 14. ENFORCEMENT

Jurisdiction for enforcement of this AGREEMENT shall lie in the courts of Gadsden County, Florida. Any actions by a party for enforcement of this AGREEMENT shall be maintained in Gadsden County.

IN WITNESS WHEREOF, the School Board of Gadsden County, Florida and Dr. James W. Brown Jr., Owner of PSTB Consulting, LLC have executed this AGREEMENT.

SUMMARY SHEET

RECOMMENDATION TO SUPERINTENDENT FOR SCHOOL BOARD AGENDA

AGENDA ITEM NO. 8b

DATE OF SCHOOL BOARD MEETING: January 24, 2017

TITLE OF AGENDA ITEM: Career Dual Enrollment Agreement

DIVISION: Adult Career and Technical Education

X

 This is a CONTINUATION of a current project, grant, etc.

PURPOSE AND SUMMARY OF ITEM:

Seeking formal approval of the Career Dual Enrollment Agreement between Gadsden Technical and the Gadsden County School Board, which allows Gadsden County 9-12 grade students to earn dual enrollment credit for post-secondary adult vocational (PSAV) courses taken on the Gadsden Technical Institute campus. The dual enrollment credit earned transfers to other COE accredited institutions (benefit for the student) and allows high schools to receive school grade points for every student who successfully completes a post-secondary career dual enrollment course (benefit for the school and district).

FUND SOURCE: NA

AMOUNT: NA

PREPARED BY: Dr. Sylvia R. Jackson 

POSITION: Director, Adult Career and Technical Education

INTERNAL INSTRUCTIONS TO BE COMPLETED BY PREPARER

CHAIRMAN'S SIGNATURE: page(s) numbered 4

Gadsden County Schools and Gadsden Technical Institute 2016/2017 Career Dual Enrollment Agreement

Introduction

This Dual Enrollment Agreement, as required by Section 1007.271(21), Florida Statutes, is made by and between the Gadsden Technical Institute and the Gadsden County School Board, hereinafter referred to as Gadsden Technical and the Board.

Career dual enrollment is a curricular option of elective credits toward earning the high school diploma and completing a career-preparatory certificate program (PSAV). Career dual enrollment is not intended to enable students to take isolated courses unrelated to a program. The School Board will inform all students of the options available and the eligibility criteria.

I. A ratification or modification of all existing articulation agreements

This is an initial dual enrollment agreement between Gadsden Technical Institute and Gadsden County Comprehensive high school sites.

II. A description of the process by which students and their parents are informed about opportunities for student participation in the dual enrollment program

It is the responsibility of the high schools in the district and Gadsden Technical Institute to inform students of the availability of the dual enrollment program requirements and currently offered courses through educational planning and guidance process. Each high school will advertise dual enrollment through a variety of methods. High school personnel will direct students to meet with their high school guidance counselors if they are interested in learning more about participation in dual enrollment. High school guidance counselors will review with the student criteria for participation in the dual enrollment program. Information will also be available to students and parents on the GTI website.

III. A delineation of courses and programs available to students eligible to participate in dual enrollment

Section 1007.271(1), Florida Statutes, establishes that “the dual enrollment program is the enrollment of an eligible secondary student in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree”. A student who is enrolled in postsecondary instruction that is not creditable toward a high school diploma may not be classified as a dual enrollment student.

Students enrolled as career dual enrollment students shall be exempt from the payment of registration, tuition, and laboratory fees. Students enrolled as career dual enrolled, will be eligible to participate in both high school and post-secondary adult vocational (PSAV) activities as appropriate including graduation and other extracurricular activities. Participation in all PSV activities must be approved by the school principal and the CTE Director.

Career Dual Enrollment

Career dual enrollment is a curricular option of elective credits toward earning the high school diploma and completing a career-preparatory certificate program (PSAV). Career dual enrollment is not intended to enable students to take isolated courses unrelated to a program.

Program Information

The following programs are available at Gadsden Technical for Career Dual Enrollment: Automotive Service Technology, Carpentry, Drafting and Design, Power Equipment Technologies, Welding Technology, Pharmacy Technician*, Patient Care Assistant*, and License Practical Nursing.

Program Start Date: August 15, 2016

Program End Date: May 31, 2017 (Pharmacy Tech and LPN courses extend through July 2017)

Class Times: Morning – 8:00 a.m. until 10:30 a.m.

Afternoon – 11:30 a.m. until 2:00 p.m.

Evening – 4:00 p.m. until 8:00 p.m.

Class Days: Monday, Tuesday, Wednesday, Thursday, Friday

*Evening classes occur Monday through Thursday

IV. A description of the process by which students and their parents exercise options to participate in the dual enrollment program**Application Process for Dual Enrollment**

Step 1: Obtain parent permission to enroll in career dual enrollment.

Step 2: Meet with counselor to determine eligibility for career dual enrollment, career dual enrollment interest, and schedule capacity to accommodate dual enrollment coursework.

Step 3: Meet with GTI Career Counselor and school administrator to determine availability of desired program and program completion requirements.

Step 4: Complete the GTI application.

Step 5: Once GPA and schedule availability have been verified, begin attendance in desired program.

Withdrawing from classes and Schedule Changes

Dual enrollment students must comply with the drop/add and withdrawal policies and deadlines published in the GTI Student Handbook. Dual enrolled students may not withdraw without written notification from the school counselor. Dual enrolled students may be withdrawn for lack of attendance (e.g. 6 or more consecutive absences) and behavior deemed disruptive to the school environment and/or in violation of codes of conduct outlined in the GTI Student Handbook.

V. A list of any additional initial student eligibility requirements for participation in the dual enrollment program

In order to enroll in Career Dual Enrollment, students must meet the following criteria:

- Have a 2.0 GPA.
- Have permission from their parent and principal by proxy of school counselor to enroll in Career Dual Enrollment.
- Maintain a 2.0 GPA. Dual enrolled students whose GPA drops below 2.0 during the course of a semester may be placed on probation during the following semester. After the one semester probationary period, the student may be dropped from Career Dual Enrollment.

VI. High school Credit Earned for the passage of Dual Enrollment Courses

Career Dual Enrollment courses count toward high school elective credit.

VII. A description of the process for informing students and their parents of college-level course expectations

Career Dual Enrollment courses follow post-secondary curricula frameworks which are designed for adult instruction. Dual enrolled students should understand that the amount of work necessary to succeed may be much greater than in high school CTE courses. In addition, dual enrollment courses performance becomes a part of the student's permanent secondary and post-secondary transcript.

It is the responsibility of both the high school counselor and the CTE Career Counselor to inform students and parents of the rigorous expectations of post-secondary adult and career coursework (PSAV). GTI will maintain and update on a regular basis its website and Student Handbook to ensure access to all program information. Secondary students are expected to sign waivers allowing GTI staff to communicate information to their parent/guardian.

VIII. The policies and procedures, if any for determining exceptions to the required grade point averages on an individual student basis

Section 1007.271(3), F.S., allows exceptions to the required GPA on an individual student basis if both the school principal and designate GTI administrator agree. For example, exceptions related to serious illness or other extenuating circumstances will be reviewed on a case by case basis and must be approved by the school principal, GTI administration, and the program instructor.

GTI will not make exceptions to the required Career Dual Enrollment entry GPA. However, students will be given a one semester grace period to improve a grade point average that falls below the 2.0 requirement.

IX. Registration Procedures for Dual Enrollment

Dual enrolled students must report to the administration building to be scheduled into a PSAV CTE course. Students should report with a copy of their high school class schedule and must complete the school application and orientation process before entering their assigned PSAV CTE classroom.

X. Exceptions, if any to Professional Rules and Guidelines for Instructors teaching Dual Enrollment Courses

There are no exceptions.

XI. Responsibilities for Funding that Delineates Costs Incurred by the Board and Gadsden Technical

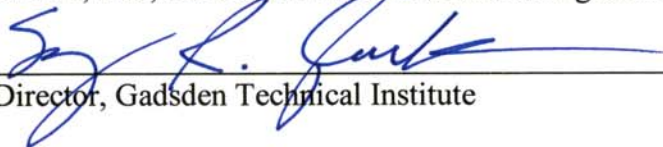

FTE earned as a result of Career Dual Enrollments remain with K12 education. Because Gadsden Technical Institute is a post-secondary entity of the Gadsden County School District, the School Board is not required to pay the standard tuition rate per credit hour to GTI for dual enrolled students.

XII. Responsibilities for Student Transportation

It is the District's responsibility to provide transportation for dual enrolled students. Eligible students may transport themselves to the GTI campus as long as they have school and parent permission and self-transportation does not interfere with the learning process or school environment.

IN WITNESS WHEREOF, the Gadsden County School Board and Gadsden Technical Institute have adopted this agreement and caused it to be executed by their respective chief administrators, in accordance with Section 1007.271, F.S., Dual Enrollment Articulation Agreements.

Mission Statement: The mission of Gadsden Technical Institute is to recognize the worth and potential of each student. We are committed to providing opportunities for basic and advanced instruction in a conducive learning environment. The Center encourages academic and technical curiosity, innovation and creativity by integrating applied academic skills in all occupational areas. We strive to instill the attitudes and skills necessary to produce motivated, self-sufficient individuals who are able to function effectively in our ever-changing, complex society.

January 6, 2017

To the Honorable Roger P. Milton, Superintendent
The School Board of Gadsden County
35 Martin Luther King, Jr. Blvd
Quincy, Florida 32351

We are pleased to confirm our understanding of the services we are to provide for the audit of the School Board of Gadsden County's General Operating Fund – Internal Accounts for the year ended June 30, 2017.

We will audit the General Operating Fund – Internal Accounts statements of cash receipts, disbursements and balance of the schools listed on Attachment I. A separate audit report will be issued for each school. A summary report audit report for all schools will also be issued.

Audit Objectives

The objective of our audit is the expression of an opinion about whether the Schools' financial statements are fairly presented, in all material respects, in conformity with the cash basis of accounting. Our audit will be conducted in accordance with U.S. generally accepted auditing standards, and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. If our opinion on the financial statements is other than unqualified, we will discuss the reasons with management in advance. If, for any reason, we are unable to complete the audit or unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

Audit Procedures – General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements

are free of material misstatement. Because an audit is designed to provide reasonable, but not absolute, assurance and because we will not perform a detailed examination of all transactions, there is a risk that material errors, fraud, or other illegal acts may exist and not be detected by us. In addition, an audit is not designed to detect immaterial errors, fraud, or other illegal acts or illegal acts that do not have a direct effect on the financial statements. However, we will inform you of any material errors and any fraud that comes to our attention. We will also inform you of any other illegal acts that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and direct confirmation of cash in banks with the financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from the schools' management about the financial statements and related matters.

The schools' management is responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. We will advise them about appropriate accounting principles and their application and will assist in the preparation of their financial statements, but the responsibility for the financial statements remains with management. This responsibility includes establishment and maintenance of adequate records and effective internal controls over financial reporting, the selection and application of accounting principles, and the safeguarding of assets. The Schools' management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Management is responsible for identifying and ensuring that the schools comply with applicable laws and regulations.

Audit Procedures – Internal Control

Our audit will include obtaining an understanding of the internal controls sufficient to plan the audit and to determine the nature, timing, and extent of auditing procedures to be performed. An audit is not designed to provide assurance on internal control or to identify reportable conditions, that is, significant deficiencies in the design or operation of internal control. However, during this audit, if we become aware of such reportable conditions, we will communicate them to you.

Other Services Included in this Engagement

We will also conduct an annual workshop for school bookkeepers to review audit requirements, recommend procedural changes, and answer questions regarding General Operating Fund – Internal Accounts.

We will provide telephone assistance to bookkeepers when issues surface requiring Auditor advice or assistance.

We shall visit each school once each year to provide on-site guidance to school personnel and ascertain progress toward improving compliance with Board policies, appropriate bookkeeping standards and practices, and the Florida Department of Education “Red Book” requirements.

Audit Administration, Fees, and Other

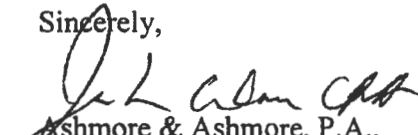

We expect to begin our audit on approximately July 15, 2017 and to issue our report no later than November 30, 2017. The audit completion date is dependent on our firm receiving all school records in final form for the year ended June 30, 2017 by August 1, 2017.

The fees for these services will not exceed \$ 27,500.00 for the audit. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

For your information, we have enclosed a copy of our most recent quality control review report. By signing below you are agreeing to allow fax transmittal communication with the School Board and the various schools to be audited listed on Attachment I, unless you notify us otherwise in writing.

We appreciate the opportunity to be of service to the School Board of Gadsden County, and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,

Ashmore & Ashmore, P.A.,
Certified Public Accountants

RESPONSE:

This letter correctly sets forth the understanding of the School Board of Gadsden County.

Dear Jimmy:

I am pleased to enclose the report with a rating of "pass" for the recently completed system peer review of your firm. I will be mailing a copy of the report to the Florida Institute of CPA's. It is not necessary for you to mail a copy.

You should consider the results of the review as tentative until you are notified of acceptance by the Florida Institute of CPA's Peer Review Committee.

I appreciated the opportunity to perform the peer review of the firm again and if you should have any questions or should need any assistance at any time, please give us a call.

Sincerely,

Richard A. Stalvey

System Review Report

January 12, 2016

To the Stockholders of
Ashmore & Ashmore, P.A.
and the Peer Review Committee of the Florida Institute of CPA's

We have reviewed the system of quality control for the accounting and auditing practice of Ashmore & Ashmore, P.A. (the firm) in effect for the year ended September 30, 2015. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Auditing Standards*.

In our opinion, the system of quality control for the accounting and auditing practice of Ashmore & Ashmore, P.A. in effect for the year ended September 30, 2015, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Ashmore & Ashmore, P.A. has received a peer review rating of *pass*.

Dear Mr. Ashmore:

It is my pleasure to notify you that on May 19, 2016 the Florida Peer Review Committee accepted the report on the most recent system peer review of your firm. The due date for your next review is March 31, 2019. This is the date by which all review documents should be completed and submitted to the administering entity. If your due date falls between January and April, you can arrange to have your review a few months earlier to avoid having a review during tax season.

As you know, the report had a peer review rating of pass. The Committee asked me to convey its congratulations to the firm.

Sincerely,

SUMMARY SHEET

RECOMMENDATION TO SUPERINTENDENT FOR SCHOOL BOARD AGENDA

AGENDA ITEM NO. 8d

DATE OF SCHOOL BOARD MEETING: January 24, 2017

TITLE OF AGENDA ITEM: English Language Learners (ELL) Award

DIVISION: Federal

X This is an EXTENSION of a current project, grant, etc.

PURPOSE AND SUMMARY OF ITEM:

This is an amendment to the previously approved contract between PAEC and Gadsden County Schools to facilitate and implement the federal award for English Language Learners. Dr. Maria Pouncey was instrumental in writing and securing additional English Language funding for Gadsden County to provide additional teacher training services and monitoring of the ELL project. The funding for this amendment is designed to support a district-wide Supplementary Instructional Support Leader for English Learners (SISLEL) to provide focused and deliberate training and implementation of the Sheltered Instructor Observation Protocol (SIOP) Model. SISLEL will conduct extensive data analysis to identify areas of improvement for teachers and students; provide tools and strategies to use SIOP to improve assessment results in ELA, science, civics, and social science; review the ACCESS 2.0 student results to identify additional instructional ELL focus areas to be targeted to raise proficiency by at least 5%; provide afterschool ELL support and coaching; train/support ELL teachers in the SIOP model; conduct classroom walkthroughs/monitoring and coach teachers in SIOP; work with ELL teachers to analyze data; participate in ELL committee meetings; facilitate ELL trainings (onsite and virtual) for content area teachers; and assist with identifying supplemental curriculum to support ELL improvement in content areas. Dr. Pouncey will provide leadership and support for the implementation of this additional piece of the work with ELL students and teachers. This amendment would be in addition to the \$70,000 already approved for facilitating the ELL entitlement award. It would raise the total of the contract to PAEC for the combined project goals to include teacher training and student support to \$140,000. The addition of these new strategies will make the Board efforts to support ELL students, teachers and their families a success and sustainable.

School Board of Gadsden County, Florida
CONTRACTUAL AGREEMENT
Fiscal Year: 2016-2017

This contractual AGREEMENT is made between the School Board of Gadsden County, Florida, a school district, referred to as the "RECIPIENT", organized and existing under the laws of the State of Florida, with its principal place of business at 35 Martin Luther King., Jr. Blvd, City of Quincy, County of Gadsden, State of Florida, herein referred to as the Board, (also referred to as the District) and Panhandle Area Educational Consortium (PAEC), an regional educational agency with their principal place of business at 753 West Boulevard, Chipley, FL 32428 for the purposes of providing English Language Learner (EL) Services to Gadsden County Public School EL students, families, and community stakeholders. The contractual AGREEMENT will establish uniform administrative requirements for the CONTRACTOR and the School Board of Gadsden County.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 1. ENGAGEMENT OF THE CONTRACTOR

The RECIPIENT agrees to engage the CONTRACTOR and the CONTRACTOR agrees to perform the functions as outlined in their agreement with the Superintendent and School Board of Gadsden County to provide EL language services in Gadsden County as further set forth below. The CONTRACTOR understands and agrees that all services contracted are to be performed solely by the CONTRACTOR and may not be subcontracted for or assigned without the prior written consent of the RECIPIENT.

The RECIPIENT and CONTRACTOR understand and agree that this AGREEMENT is valid only if approved by the Superintendent and School Board of Gadsden County. In addition, the RECIPIENT and CONTRACTOR understand and agree that continuation of this AGREEMENT is contingent upon provision of acceptable levels of service, positive academic results, approval from the School Board, and continued funding available through General Revenue dollars to fund the initiative.

ARTICLE 2. SCOPE OF SERVICES

The CONTRACTOR agrees to provide academic support, tutoring, mentoring, educational leadership, and professional experiences for Gadsden County EL students as specifically described in Appendix A. Broad areas of services with responsibilities further described in Appendix A include.

- Programmatic
- Staff
- Student and Family Services
- Professional Development
- Curriculum
- General

Any changes to the services above must be made by mutual AGREEMENT in writing with the Superintendent, Deputy Superintendent and Supervisor of K12.

ARTICLE 3. DURATION OF AGREEMENT

This AGREEMENT shall begin on the week of August 23, 2016 and end no later than June 30, 2017 contingent upon the approval by the district School Board as stated in Article 1 above. As

required by law, this AGREEMENT shall be subject to review and renewal if funding permits, performance is deemed satisfactory, and if the School Board and Superintendent feel the initiative should continue.

(b). The CONTRACTOR shall begin performing the contract on the week of August 23, 2016 and finish the project by no later than June 30, 2017.

ARTICLE 4. DEFINITIONS

Term	Definition
Advance	means a payment made by Treasury check or other appropriate payment mechanism to a CONTRACTOR upon its request either before outlays are made by the CONTRACTOR or through the use of predetermined payment schedules.
Award	means financial assistance that provides support or stimulation to accomplish a public purpose.
Contract	means a procurement contract under an award or sub-award, and a procurement sub-contract under a RECIPIENT'S or CONTRACTOR'S contract. A contract shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the federal government and/or organization receiving financial assistance. .
Date of Completion	means the date on which all work under an award or sub-award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.
Project costs	means all necessary, allocable, reasonable, and allowable costs, as established in the applicable Federal cost principles, incurred by a RECIPIENT and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.
Project period	means the period established in the award document during which Federal sponsorship begins and ends.
RECIPIENT	means an organization receiving financial assistance directly from the Department of Education to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers.
CONTRACTOR	means the legal entity to which a sub-award is made and which is accountable to the RECIPIENT for the use of the funds provided.
Sub-award	means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a RECIPIENT to an eligible CONTRACTOR. The term includes financial assistance when provided by any legal AGREEMENT, even if the AGREEMENT is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award". The sub-award does not create a sub-contractor relationship with contracted entity. Sub-awards are awarded to vendors for the procurement of goods and/or services.
Termination	means the cancellation of award, in whole or in part, under an AGREEMENT at any time prior to the date of completion.
Working Capital	means a procedure whereby funds are advanced to the RECIPIENT to cover its estimated disbursement needs for a given initial period.

ARTICLE 5. PAYMENT

The RECIPIENT shall pay the CONTRACTOR in four equal payments of \$18,000 (eighteen thousand dollars) upon the receipt of invoices from the CONTRACTOR that include documentation describing the services rendered by the CONTRACTOR in support of the project for the period that the invoice covers. Invoices will require a minimum of fourteen (14) days to be processed for payment after an invoice has been approved for payment. In full and complete compensation for all services provided by the CONTRACTOR under this AGREEMENT, the RECIPIENT shall pay to PAEC the amount of no more than \$72,000.00 (seventy two thousand dollars). Invoices shall be prepared and addressed to: Dr. Pink Hightower, Deputy Superintendent. Checks shall be made payable to PAEC and mailed to PAEC. The invoices will document the services provided, monthly activity logs, agendas and minutes of all meetings and workshops/activities, copies of curriculum developed, faculty/staff meetings monitoring student progress, sign-in sheets, and any other content material or lesson plans developed.

(b). The CONTRACTOR shall not pledge the RECIPIENT'S credit or make the RECIPIENT a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness.

(c) The total cost of the AGREEMENT is no more than \$72,000.00

ARTICLE 6. PUBLIC RECORDS

Where applicable, documents prepared pursuant to this AGREEMENT may be subject to Florida's Public Records Law. Refusal of the CONTRACTOR to allow public access to such records shall constitute grounds for cancellation of this AGREEMENT.

ARTICLE 7. ACCESS AND RETENTION OF RECORDS

The RECIPIENT shall have access to all CONTRACTOR'S records that are directly pertinent to this AGREEMENT. The CONTRACTOR will submit all academic records to the principals so that they can be retained for the required five (5) years after the RECIPIENT makes the final payment and all other pending matters are closed. The CONTRACTOR shall maintain accurate, current, and complete disclosure of all financial and/or activity results/records of the project in accordance with established Federal and District requirements.

ARTICLE 8. TERMINATION OF AGREEMENT

The parties hereto contemplate this contract to run for the duration of the grant award subject to annual review and renewal as required by law. Any party wishing to terminate this contract prior to its expiration date shall provide the other party with sixty (60) days written notice. Upon termination, the district shall be responsible for payment of all costs incurred by the CONTRACTOR in the performance of the AGREEMENT prior to termination.

ARTICLE 9. AMENDMENTS

Any changes must be mutually agreed upon and incorporated in written amendments to this AGREEMENT.

ARTICLE 10. INDEPENDENT CONTRACTOR

The CONTRACTOR is an independent agent and not an employee, sub-contractor, or agent of the RECIPIENT. The CONTRACTOR agrees to comply with all requirements of the Jessica Lunsford Act. The CONTRACTOR shall be acting as an independent CONTRACTOR in the performance of this AGREEMENT, and shall be responsible for the payment of claims for loss, personal injury, death, property damage, or otherwise arising out of any act or omission of their respective employees or agents in connection with the performance of the Services for which they may be held liable under applicable law. Each party shall maintain at its sole expense

adequate insurance or self-insurance coverage to satisfy its liability obligations under this AGREEMENT.

ARTICLE 11. NONDISCRIMINATION AND COMPLIANCE

The CONTRACTOR shall comply with all federal, state and local laws and ordinances applicable to the work and shall not discriminate on the grounds of race, color, religion, gender, national origin, or age in the performance of work.

ARTICLE 12. ADMINISTRATION OF AGREEMENT

(a) The CONTRACTOR'S contract administrator and contact is Dr. Maria Pouncey, Administrator for Instructional Services and/or her designee.

(b) The RECIPIENT contract administrator and contact is Dr. Pink Hightower, Deputy Superintendent and/or her designee.

(c) All written and verbal approvals must be obtained from the parties' contract administrator or their designees.

(d) This contract shall be governed by and construed under the laws of the State of Florida.

ARTICLE 13. AGREEMENT AS INCLUDING ENTIRE AGREEMENT

This instrument, including any attachments, embodies the entire AGREEMENT of the parties. There are no other provisions, terms, conditions, or obligations. This AGREEMENT supersedes all previous oral or written communications, representations or AGREEMENTS on this subject.

CONFLICT OF INTEREST: As of the date of this AGREEMENT and throughout the term of this agreement, CONTRACTOR agrees that they are not a party to any oral or written contract or understanding or legal or regulatory obligation that will in any way limit or conflict with its ability to fulfill the terms of the AGREEMENT.

ARTICLE 14. ENFORCEMENT

Jurisdiction for enforcement of this AGREEMENT shall lie in the courts of Gadsden County, Florida. Any action by a party for enforcement of this AGREEMENT shall be maintained in Gadsden County.

IN WITNESS WHEREOF, the School Board of Gadsden County, Florida and Panhandle Area Educational Consortium have executed this AGREEMENT.

Mr. John Selover
Executive Director, PAEC

Date

Mr. Roger P. Milton

Appendix A

Program Responsibilities for Contracted English Learner Services

Programmatic:

- Provide leadership, coordination and support of EL services to EL students to enhance opportunities for student growth and improved student academic performance.
- Development of a district 3-year English Learner (EL) Plan for Gadsden that has input from all EL stakeholders, including EL parents, teachers, and other relevant stakeholders as required by state and federal guidance.
- Develop Federal EL grant applications and serve as the district resource responsible for all reporting, auditing, monitoring, and implementation of EL programs, including Title III and Immigrant.
- Assist school centers in offering appropriate scope and sequence for all areas of responsibility.
- Review all EL files to ensure compliance for FTE audits; work closely with district leadership to ensure FTE audits are maximizing weighted funding by matching endorsed EL teachers with EL students at school sites.
- Provide direct services to ESOL, EL, Immigrant students in Gadsden County (i.e. after school teachers; tutors; summer school teachers, technology and/or programs used during ELL classes and/or tutorials, and supplies for students).
- Handle all written communications and recommendations required of the EL plan.
- Coordinate translations of school and district documents.
- If funding continues for the **Title III Immigrant** program provide: (A) family literacy, parent and family outreach, and training activities designed to assist parents and families to become active participants in the education of their children (B) provision of tutorials, mentoring, and academic or career counseling for immigrant children and youth; (C) identification, development, and acquisition of curricular materials, educational software, and technologies to be used in the program carried out with awarded funds. (D) basic instructional services that are directly attributable to the presence of immigrant children and youth in the district, including the payment of costs of providing additional classroom supplies, costs of transportation, or such other costs as are directly attributable to such additional basic instructional services; (E) other instructional services that are designed to assist immigrant children and youth to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education; (F) activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist parents and families of immigrant children.

Staff:

- Provide staff and data clerk necessary to ensure compliance for FTE audits, input all data entries, and comply with all paperwork for EL or Immigrant Audits.
- Supervise and evaluate EL staff to implement a successful EL program in the district, combining all responsibilities of EL state, federal, and local programs.
- Evaluate EL programs annually to determine trajectory for remaining on course with EL plans and district goals
- Establish an EL Committee to work in collaboration with district and school staff in providing the appropriate educational supports to EL students. Committee should meet as regularly as necessary to implement a quality program.
- Provide electronic networks and update Gadsden EL web pages on the www.gcps.k12.fl.us website with materials, training, and other EL communications.

Student Services:

- Outreach, identification, and testing of all second language students in Gadsden within 20 days of enrollment in the school district (compliance with Florida Consent Decree), assuring appropriate placement with ESOL endorsed and/or certified staff or in other appropriate district academic programs.
- Ensure equal access of EL students to a free and appropriate public education.
- Ensure equal access of EL families to services any parent in Gadsden County Public Schools would be entitled to.
- Align all placements with Gadsden Student Progression Plan.

- Align EL student services with school guidance counselors.
- Develop individual EL student plans that will be updated annually, or sooner as the situation dictates
- Monitor EL student progress and work with school administration to adjust individual EL plans as necessary for student academic success.
 - Progress monitoring tools should include student portfolios, state assessment scores, other criterion reference tests, ACCESS 2.0, report cards, classroom performance, and student progression reports.
- Maintain all appropriate student records, including entry and exit dates, test scores, EL committee meetings, and other EL related documents.
- Develop student study teams as necessary to assist EL students who need accommodations.
- Collaborate with district ESE staff to provide EL students with appropriate ESE services and/or accommodations.
- Purchase/provide materials and activities which address EL student needs as requested – supplies and materials will come from funding from Title III projects.
- Create necessary documentation for prior schooling and help students facilitate its receipt and delivery to Gadsden County schools.
- Translate student transcripts from foreign countries to equate listed courses with appropriate district courses
- Prepare appropriate correspondence in parent's native language to provide notice of enrollment in the EL program as required by law.
- Facilitate all EL withdrawals and reenrollments, re-classifications, and/or reevaluations necessary
- Facilitate the implementation of an afterschool tutorial for EL students, in collaboration with school 21st Century Community Learning Center programs.
- Develop and implement a summer school program for EL students in partnership with 21st CCLC, Title I, Migrant, and other district public school summer programs.
- Provide services to EL families designed to improve the English language skills of EL students and that assist parents and families in helping their children to improve their academic achievement and their own parental engagement in the education of their children. Services include, but are not limited to: Family literacy services, parent and family outreach.
- Seek and provide as many opportunities as possible for EL students to receive scholarships and/or move into careers and college after graduation.

Professional Development:

- Organize and direct EL in-service programs, including the district 60-hour ESOL certification training, at no cost to district teachers, leaders, and guidance counselors.
- Train school personnel to conduct annual ACCESS 2.0 testing in the spring as well as assist in the schools during testing.
- Conduct at least three EL meetings (quarterly throughout the school year).
- Provide EL teachers opportunities to participate in PAEC EL professional development trainings at no cost to the district, coordinating training with Gadsden's staff development office.
- Provide opportunities for parents to develop educational technology skills through family workshops.
- Provide targeted workshops to build parent educational skills in supporting their children.
- Attend and participate in local, regional, and state meetings and conferences representing EL populations and issues for the district.
- Provide translators for enrollment, IEP, and other school meetings as requested by parents, district, and/or school leaders/teachers.

Curriculum:

- Preview, evaluate, and recommend EL classroom materials as requested.
- Provide Deputy Superintendent and K12 Director with recommendations for EL curriculum and EL staff
- Coordinate EL educational programs with community organizations.
- Coordinate curriculum guides with EL teachers Promote strong parent, family, and community partnerships by offering language educational programs for parents, families, school staff, and communities of English Learners as required by the Every Child Succeeds Act (ESSA) of 2015.

General Responsibilities:

- Combine the existing PAEC Migrant Center in Gadsden County with the EL program to be operated as an English Learner/Migrant Resource Center to assist families with referrals and advocacy, as necessary and practicable.
- Participate in all interviews for EL teacher and paraprofessional candidates.

- Provide a link between and among district administrators, school centers, and community as necessary to ensure open and complete communication.
- Maintain a network of EL peer contacts in professional organizations.
- Assist in developing short and long-range plans for EL populations.
- Attend and contribute appropriate EL information to district leadership team and instructional leadership team meetings, as scheduled.
- Assist with the development of and facilitation of EL student and parent surveys to do needs assessments and collect parent input to make EL programs as customer friendly as possible for EL populations.
- Provide federal and state legislative updates as frequently as necessary to assist Gadsden leadership to make timely and high quality decisions about EL programs and services.
- Ensure that the district is in compliance with the Florida Consent Decree, programmatically and with staffing.

AMENDMENT 1
January 24, 2017

This amendment is an additional agreement between Panhandle Area Educational Consortium (PAEC) and Gadsden County Public Schools (GCPS) to extend the existing ELL contract that provides services for English Language Learners (ELL) students in Gadsden County. The amendment is for an additional \$70,000 to enhance delivery of services for ELL populations to include ELL teacher/administrator training and monitoring of teacher instruction. The amendment will run from January 24, 2017 to June 30, 2017.

The project is designed to support a district-wide Supplementary Instructional Support Leader for English Learners (SISLEL) who will provide focused and deliberate training and implementation of the Sheltered Instructor Observation Protocol (SIOP) Model. SISLEL will do the following administrative services:

- Conduct extensive data analysis to identify areas of improvement
- Provide tools and strategies to use SIOP to improve assessment results in language arts, science, civics, and social science
- Review ACCESS 2.0 student results to identify areas of instructional focus to be targeted (increase proficiency from 9% to 14%)

SISEL will do the following training/facilitation services:

- Provide afterschool support and coaching of ELL staff using SIOP
- Train and support teachers in the use and implementation of the SIOP
- Conduct classroom walkthroughs and coach teachers in SIOP
- Work with ELL teachers to analyze data and identify targeted areas of instruction for ELL students
- Participate in ELL committee meetings monthly to provide strategies to improve proficiency
- Provide/facilitate PD for ELL and content area teachers
- Identify supplemental curriculum to support ELL improvement in content areas
- Provide additional support for Science.

Amendment Deliverables:

- Comparison of Florida State Assessment (FSA) and ACCESS results
- Implementation of SIOP
- Facilitation of face-to-face SIOP trainings for administrators
- Facilitation of three days of SIOP training for K-12 teachers (two face-to-face trainings and 4 afterschool meetings)
- Conducting of no less than two and maximum of four classroom walkthroughs per week to observe implementation fidelity
- Conducting a one-day content specific training in Science and History-Social Studies
- Conducting a one-hour virtual learning community monthly to share SIOP best practices
- Reviewing of formative assessments of ELL students and report cards
- Maintaining and submission of monthly reports
- Preparing and submission of final report for state agency and Board

**INSTRUCTIONS
PROJECT AWARD NOTIFICATION**

- 1 Project Recipient: Agency, Institution or Non-Governmental entity to which the project is awarded.
- 2 Project Number: This is the agency number, grant number, and project code that must be used in all communication. (Projects with multiple project numbers will have a separate DOE-200 for each project number).
- 3 Project Description: Title of program and/or project. TAPS #: Departmental tracking number.
- 4 Authority: Federal Grants - Public Law or authority and CFDA number. State Grants - Appropriation Line Item Number and/or applicable statute and state identifier number.
- 5 Amendment Information: Amendment number (consecutively numbered), type (programmatic, budgeting, time extension or others) in accordance with the Project Application and Amendment Procedures for Federal and State Programs (Green Book), and effective date.
- 6 Project Periods: The periods for which the project budget and program are in effect.
- 7 Authorized Funding: Current Approved Project (total dollars available prior to any amendments); Amendment Amount (total amount of increase or decrease in project funding); Estimated Roll Forward (roll forward funds which have been estimated into this project); and Total Project Amount (total dollars awarded for this project).
- 8 Reimbursement Options:
 - Federal Cash Advance –On-Line Reporting required monthly to record expenditures.
 - Advance Payment – Upon receipt of the Project Award Notification, up to 25% of the total award may be advanced for the first payment period. To receive subsequent payments, 90% of previous expenditures must be documented and approved by the Department.
 - Quarterly Advance to Public Entity – For quarterly advances of non-federal funding to state agencies and LEAs made in accordance within the authority of the General Appropriations Act. Expenditures must be documented and reported to DOE at the end of the project period. If audited, the recipient must have expenditure detail documentation supporting the requested advances.
 - Reimbursement with Performance - Payment made upon submission of documented allowable expenditures, plus documentation of completion of specified performance objectives.
- 9 Timelines: Date requirements for financial and program reporting/requests to the Department of Education.
- 10 DOE Contacts: Program contact for program issues, Grants Management Unit for processing issues, and Comptroller's Office number for payment information.
- 11 Terms and Special Conditions: Listed items apply to this project. (Additional space provided on Page 2 of 2 if needed.)
- 12 Approved: Approval signature from the Florida Department of Education and the date signature was affixed.

Project Abstract

The Gadsden County School District, considered a rural and small school district, had a student population of 5,795 based on Survey 2 of the 2015-16 school year. The district has a 98.4% minority population; 19.4% of the minority population is Hispanic and 34% of the Hispanic population has an English Language Learner (ELL) designation of LY. 9% of the Hispanic population remain in an LF status – monitored for two years. ELLs are enrolled throughout 14 public schools in the district. Possible ELLs in private schools are offered testing to identify eligibility; parents of ELLs are invited to participate in the ELL Parent Advisory Council. Private school teachers of ELLs are also invited to participate in ELL professional development. Although ELLs averaged at or above the state level on three of the four domains assessed by ACCESS 2.0, the results on the statewide assessments were less than acceptable – 25% scoring satisfactory in English Language Arts, 10% in the Science FSA, 12.9% in the Civics and History assessment. As in many districts, Gadsden County has experienced a teacher shortage and continues to lose ELL certified teachers to a neighboring county and the bordering state of Georgia. The ELL population continues to grow and is currently receiving students from Central America via placement by Homeland Security. Three months of the year migrant students move into the district. They are predominantly Hispanic and ELLs. The opportunity to incorporate a district wide Supplementary Instructional Support Leader for English Learners (SISLEL) into the ELL team will allow for a focused and deliberate training and implementation of the Sheltered Instructor Observation Protocol (SIOP®) Model – a research based and proven program specifically designed to move ELLs to be college and career ready (Guzman, 2015). The SISLEL will conduct extensive data analysis to identify areas for improvement and to increase student achievement. She/he will provide the tools and strategies using the SIOP® model to improve summative and formative district results and increase ELL students scoring satisfactory or above in the FSAs for language arts, science, civics and social science. She/he will also be responsible for reviewing ACCESS 2.0 student results to identify areas of instructional focus to be targeted by teachers to increase the proficiency level of ELL students on the ACCESS 2.0 from 9% to 14%.

Project Need

The Gadsden County School District ELL and federal program staff analyzed the results of the Florida Standards Assessments (FSA) 2016 and ACCESS 2.0 2016 results to determine the areas of need for ELL students in grade clusters and academic areas. District ELL students and paraprofessionals working with the ELL students were also consulted. In July, parents of ELL students were convened and conversations ensued on how best to serve their students and what supports are needed. Increased support in academic vocabulary, oral language and comprehension was expressed as a need. Afterschool programs geared for language development was expressed as a need. As a group, students continue to show gains – results from ACCESS 2.0 for 2016 were used to determine areas for improvement. Although showing improvement in multiple domains, the ELL students were not on par with the state’s proficiency level of 17%, instead, averaging 9%. They did surpass the state’s average in four of the domains yet failed to meet the state’s average in Speaking. Speaking deficiency in ELLs can be attributed to “factors

such as children's experiences in the home and their socioeconomic status..." (Brooke, 2013). The amount of exposure to higher order vocabulary words also affects their descriptive language and ability for expanding narration (Hart & Risley, 1995).

To support ELL students in meeting the state's proficiency goal and to provide supplemental support to teachers and students, the following results were considered:

Reading and Writing were identified as a need for students in kindergarten through eighth grade.

Listening and Speaking were identified as a need for students 9th through 10th.

Input from teachers, administrators, and university volunteers resulted in the following identified support services that will be provided by a Supplementary Instructional Support Leader for English Language Learners:

1. Afterschool support and coaching of ELL staff using SIOP® strategies to assist ELLs
2. Train and support teachers in the use and implementation of the SIOP® Model
3. Conduct classroom walkthroughs and/or coach teachers in the implementation of SIOP® strategies
4. Work with ELL teachers to review data and identify areas for improvement
5. Participate in the ELL Committee meetings to provide additional instructional strategies targeting specific areas of need based on assessment results.
6. Provide or facilitate professional development for ELL and content area teachers on specific strategies; areas of concern identified using a data analysis of the ACCESS 2.0 and FSA scores to assist with ELL students to increase student proficiency and achievement on an ongoing basis
7. Identify supplemental curriculum to support ELL instruction in Language Arts, Vocabulary, Writing and various content area courses such as Math, Social Studies, Technology and Science
8. Provide for additional support in Science to focus on specific vocabulary building to enhance student knowledge using SIOP® strategies

Project Design and Implementation/Project Scope of Work

The Gadsden County School District realizes the need to collaborate to provide every available benefit to increase student achievement. As a result, the Title I Part A, C, Title II, Title III and Immigrant, Title X Homeless, 21st Century Programs and university and college partners work together to enhance programs and support for ELLs. The ELL team collaborates with all programs to provide all available services to ELLs. The Instructional Leader Specialist will supplement with ELL specific professional development and targeted specific teacher support and coaching to implement strategies to support ELL learning. The Specialist will participate in monthly meetings with ELL teachers and the District Leadership Teams to provide research based guidance and strategies needed to improve language acquisition and increase student achievement particularly in speaking and writing at the middle and high school level. This will be done by implementing the Sheltered Instructor Observation Protocol (SIOP®) Model – a

research based and proven program specifically designed to move ELLs to be college and career ready (Guzman, R. 2015). The attached letter describes proposed consultation with district schools to provide professional development that will enhance services to ELLs and advance student achievement.

The district realizes this is a one-year position and will take the opportunity to build capacity by introducing the SIOP® Model through:

1. Training Administrators and school leaders to support teachers and get a better understanding on how the model can improve instruction for ELLs.
2. Train teachers K-12 on the components and strategies to implement the SIOP® Model in their classrooms and during afternoon tutorials.

As a result of the training and implementation of the SIOP® model, with classroom support, ELL students will increase the proficiency level of Speaking in ACCESS 2.0 by 5% and will increase the overall proficiency level from 9% to 14%. Listening, Reading and Writing will increase by at least 2% and maintain above or at the state level of proficiency. The English Language Arts Assessment percent of ELL scoring satisfactory or above will increase by 5%, Science by 5%, and Civics and History by 5%.

The services provided through this project are supplemental to the professional development opportunities provided through multiple federal programs. The district provides ELL certification opportunities, and the ELL staff is funded using general funds. The Supplementary Instructional Support Leader for English Language Learners will support the ELL Coordinator who will also participate and assist with the implementation of the SIOP® Model throughout the 14 district school; private schools will be encouraged in the professional development opportunities.

Measurable Objectives, Activities and Timeline

Objectives	Activities	Timeline
Approval of the Supplementary Instructional Support Leader Position Description including the job goal of raising ELL LY student outcomes in all tested areas during the 2016-17 school year.	School Board Approval	October 25, 2016
Analyze the 15-16 ACCESS 2.0 and FSA results to identify areas for improvement.	Develop a plan of action to target areas to focus during SIOP® training. The data will drive the strategies and classroom activities.	November 15, 2016
Begin SIOP® implementation in targeted	Develop a schedule of SIOP® Training dates and classroom visits.	November 18, 2016

schools with 40 or more ELL NES students.		
Facilitate one face to face SIOP training for Administrators	Administrators will participate in one face to face training with additional instruction and support received during the monthly District Leadership Team Meetings.	November 2016 and ongoing DLT mtgs. Thru June 2017
Facilitate three days of SIOP Training for K-12 Teachers providing an in-depth understanding of the eight components of the model.	Teachers will meet for two face to face trainings and four afterschool meetings.	November & December afterschool meetings. January 3, 2017 all day March 10, 2017 all day
Conduct no less than two and maximum of four classroom walkthroughs per week to observe implementation of the model and to provide instructional support.	Instructional Leader supported by ELL Coordinator will conduct weekly classroom walkthroughs to observe the implementation with fidelity.	Beginning after the initial teacher trainings and ongoing thru May 31, 2017.
Conduct a one-day content specific training in Science and History-Social Studies.	Content Teachers in Science and History-Social Studies will meet to understand at least three of the eight components for use in the classrooms with ELL students.	January 3, 2017 And March 10, 2017
Conduct one-hour Virtual Learning Communities once per month with teachers to share best practices and classroom success with ELL students.	Virtual meetings with teachers will be held monthly to share best practices and classroom success using the SIOP model with ELL students.	Beginning in December and continuing monthly thru May 2017.
Instructional Support Leader and ELL team will review formative assessments of ELL students and report cards beginning with the end of the second six-week period to either continue expanding the SIOP model as planned or provide additional coaching to ELL teachers.	Instructional Support Leader and ELL team will review formative assessments and report cards to analyze appropriate practices to increase student achievement.	December 19, 2016 March 13, 2017 June 1, 2017

Prepare and submit the final Student Results Report.	Review student data and prepare the final report on increased student achievement of ELL students.	NLT June 30, 2017

Evaluation

Evaluation of outcomes will be ongoing, using qualitative and quantitative results. The ELL project staff including the Supplementary Instructional Support Leader for English Language Learners will work together to collect and analyze formative and summative data on the quality and impact of project activities to assist in making short-term corrections and planning for the future, ensuring project focus on goals and objectives, and providing evidence to school officials, that the program is effective and merits continued implementation to raise ELL's student achievement. Data to be collected includes:

- Stakeholder and participant feedback via survey, interviews, and/or feedback from teachers during monthly Virtual Learning Community meetings.
- Professional development participation evidenced by sign in sheets, participant evaluation forms, and/or transcripts from the PAEC electronic Professional Development Connections system (ePDC).
- A comparison of the results from ACCESS 2.0 – 2015-16 and 2016-17 – Overall scores and Listening, Speaking, Reading, and Writing.
- Results from the Florida Standards Assessments for ELLs in English Language Arts, Science, and Civics and History.
- Feedback from participating teachers on ELL student's course progression for each 6-week period following SIOP® implementation.

September 29, 2016

Dear School Leaders,

In an effort to provide a research based and validated instructional model, proven effective in advancing the academic needs of English Language Learners, the district is implementing the Sheltered Instructor Observation Protocol (SIOP®) Model. The training will first be provided to administrators and school level leaders to better support teachers of ELLs. Secondly, ELL and content area teachers of Math, Science, Social Studies and Civics will be trained. A Supplementary Instructional Support Leader for English Language Learners will be facilitating the process as we begin building capacity. In addition, the Support Leader welcomes guidance and comments on how best to provide and enhance services to ELLs in your school. Based on district scores for ELLs, there remains a need to focus on building academic vocabulary and comprehension. The SIOP model focuses on eight components proven to increase student achievement as realized in Volusia County, FL during the 20115-16 school year.

All training will consist of follow-up activities and monitoring of student data to identify areas of concern. The Support Leader will conduct classroom walkthroughs and/or support teachers requesting assistance. The training will be conducted on scheduled in-service days and will also provide support during your afterschool ELL programs to guide fidelity of the program.

BOARD MEETS FOURTH TUESDAY OF EACH MONTH
EQUAL OPPORTUNITY EMPLOYER

37* (b) Location: Closing will take place in Leon County, Florida. (If left blank, closing
38 will take place in the county where the property is located.) Closing may be conducted by mail or electronic means.

39 **5. THIRD PARTY FINANCING:**

40* **BUYER'S OBLIGATION:** Within _____ days (5 days if left blank) after Effective Date, **Buyer** will apply for third party
41* financing in an amount not to exceed 100% of the purchase price or \$ _____, with a fixed interest rate
42* not to exceed _____% per year with an initial variable interest rate not to exceed _____%, with points or commitment
43* or loan fees not to exceed _____% of the principal amount, for a term of _____ years, and amortized over _____
44* years, with additional terms as follows:

45* _____
46* **Buyer** will timely provide any and all credit, employment, financial and other information reasonably required by any
47* lender. **Buyer** will use good faith and reasonable diligence to (i) obtain Loan Approval within _____ days (45 days if
48* left blank) from Effective Date (Loan Approval Date), (ii) satisfy terms and conditions of the Loan Approval, and
49* (iii) close the loan. **Buyer** will keep **Seller** and Broker fully informed about loan application status and authorizes the
50* mortgage broker and lender to disclose all such information to **Seller** and Broker. **Buyer** will notify **Seller** immediately
51* upon obtaining financing or being rejected by a lender. **CANCELLATION:** If **Buyer**, after using good faith and
52* reasonable diligence, fails to obtain Loan Approval by Loan Approval Date, **Buyer** may within _____ days (3 days if left
53* blank) deliver written notice to **Seller** stating **Buyer** either waives this financing contingency or cancels this Contract.
54* If **Buyer** does neither, then **Seller** may cancel this Contract by delivering written notice to **Buyer** at any time
55* thereafter. Unless this financing contingency has been waived, this Contract shall remain subject to the
56* satisfaction, by closing, of those conditions of Loan Approval related to the Property. **DEPOSIT(S) (for purposes**
57* **of Paragraph 5 only):** If **Buyer** has used good faith and reasonable diligence but does not obtain Loan
58* Approval by Loan Approval Date and thereafter either party elects to cancel this Contract as set forth above or the
59* lender fails or refuses to close on or before the Closing Date without fault on **Buyer's** part, the Deposit(s) shall be
60* returned to **Buyer**, whereupon both parties will be released from all further obligations under this Contract, except for
61* obligations stated herein as surviving the termination of this Contract. If neither party elects to terminate this Contract
62* as set forth above or **Buyer** fails to use good faith or reasonable diligence as set forth above, **Seller** will be entitled to
63* retain the Deposit(s) if the transaction does not close.

64* **6. TITLE:** **Seller** has the legal capacity to and will convey marketable title to the Property by statutory warranty
65* deed other _____, free of liens, easements and encumbrances of record or
66* known to **Seller**, but subject to property taxes for the year of closing; covenants, restrictions and public utility
67* easements of record; existing zoning and governmental regulations; and (list any other matters to which title will be
68* subject) _____

69* _____
70* provided there exists at closing no violation of the foregoing and none of them prevents **Buyer's** intended use of the
71* Property as _____ church operations

72* **(a) Evidence of Title:** The party who pays the premium for the title insurance policy will select the closing agent
73* and pay for the title search and closing services. **Seller** will, at (check one) **Seller's** **Buyer's** expense and
74* within _____ days after Effective Date or at least 10 days before Closing Date deliver to **Buyer** (check one)
75* (i.) a title insurance commitment by a Florida licensed title insurer setting forth those matters to be
76* discharged by **Seller** at or before Closing and, upon **Buyer** recording the deed, an owner's policy in the amount
77* of the purchase price for fee simple title subject only to exceptions stated above. If **Buyer** is paying for the
78* evidence of title and **Seller** has an owner's policy, **Seller** will deliver a copy to **Buyer** within 15 days after
79* Effective Date.
80* (ii.) an abstract of title, prepared or brought current by an existing abstract firm or certified as correct by an
81* existing firm. However, if such an abstract is not available to **Seller**, then a prior owner's title policy acceptable
82* to the proposed insurer as a base for reissuance of coverage may be used. The prior policy will include copies
83* of all policy exceptions and an update in a format acceptable to **Buyer** from the policy effective date and
84* certified to **Buyer** or **Buyer's** closing agent together with copies of all documents recited in the prior policy and
85* in the update. If such an abstract or prior policy is not available to **Seller** then (i.) above will be the evidence of
86* title.

87* **(b) Title Examination:** **Buyer** will, within 15 days from receipt of the evidence of title deliver written notice to **Seller**
88* of title defects. Title will be deemed acceptable to **Buyer** if (1) **Buyer** fails to deliver proper notice of defects or

89* **Buyer** (_____) and **Seller** (_____) (_____) acknowledge receipt of a copy of this page, which is Page 2 of 8 Pages.

90° (2) **Buyer** delivers proper written notice and **Seller** cures the defects within ____ days from receipt of the notice
91 ("Curative Period"). If the defects are cured within the Curative Period, closing will occur within 10 days from receipt
92 by **Buyer** of notice of such curing. **Seller** may elect not to cure defects if **Seller** reasonably believes any defect
93 cannot be cured within the Curative Period. If the defects are not cured within the Curative Period, **Buyer** will have
94 10 days from receipt of notice of **Seller's** inability to cure the defects to elect whether to terminate this Contract or
95 accept title subject to existing defects and close the transaction without reduction in purchase price.

96 (c) **Survey:** (check applicable provisions below)

97° (i.) **Seller** will, within 10 days from Effective Date, deliver to **Buyer** copies of prior surveys, plans,
98 specifications, and engineering documents, if any, and the following documents relevant to this transaction:

99° _____
100 prepared for **Seller** or in **Seller's** possession, which show all currently existing structures. In the event this
101 transaction does not close, all documents provided by **Seller** will be returned to **Seller** within 10 days from the
102 date this Contract is terminated.

103° **Buyer** will, at **Seller's** **Buyer's** expense and within the time period allowed to deliver and examine title
104 evidence, obtain a current certified survey of the Property from a registered surveyor. If the survey reveals
105° encroachments on the Property or that the improvements encroach on the lands of another, **Buyer** will
106° accept the Property with existing encroachments such encroachments will constitute a title defect to be
107 cured within the Curative Period.

108 (d) **Ingress and Egress:** **Seller** warrants that the Property presently has ingress and egress.

109 **7. PROPERTY CONDITION:** **Seller** will deliver the Property to **Buyer** at the time agreed in its present "as is"
110 condition, ordinary wear and tear excepted, and will maintain the landscaping and grounds in a comparable condition.
111 **Seller** makes no warranties other than marketability of title. In the event that the condition of the Property has
112 materially changed since the expiration of the Due Diligence Period, **Buyer** may elect to terminate the Contract and
113 receive a refund of any and all deposits paid, plus interest, if applicable. By accepting the Property "as is", **Buyer**
114 waives all claims against **Seller** for any defects in the Property. (Check (a) or (b))

115° (a) **As Is:** **Buyer** has inspected the Property or waives any right to inspect and accepts the Property in its "as is"
116 condition.

117° (b) **Due Diligence Period:** **Buyer** will, at **Buyer's** expense and within 20 days from Effective Date ("Due
118 Diligence Period"), determine whether the Property is suitable, in **Buyer's** sole and absolute discretion, for **Buyer's**
119 intended use and development of the Property as specified in Paragraph 6. During the Due Diligence Period,
120 **Buyer** may conduct any tests, analyses, surveys and investigations ("Inspections") which **Buyer** deems necessary
121 to determine to **Buyer's** satisfaction the Property's engineering, architectural, environmental properties; zoning and
122 zoning restrictions; flood zone designation and restrictions; subdivision regulations; soil and grade; availability of
123 access to public roads, water, and other utilities; consistency with local, state and regional growth management and
124 comprehensive land use plans; availability of permits, government approvals and licenses; compliance with
125 American with Disabilities Act; absence of asbestos, soil and ground water contamination; and other inspections
126 that **Buyer** deems appropriate to determine the suitability of the Property for **Buyer's** intended use and
127 development. **Buyer** will deliver written notice to **Seller** prior to the expiration of the Due Diligence Period of
128 **Buyer's** determination of whether or not the Property is acceptable. **Buyer's** failure to comply with this notice
129 requirement will constitute acceptance of the Property in its present "as is" condition. **Seller** grants to **Buyer**, its
130 agents, contractors and assigns, the right to enter the Property at any time during the Due Diligence Period for the
131 purpose of conducting Inspections; provided, however, that **Buyer**, its agents, contractors and assigns enter the
132 Property and conduct Inspections at their own risk. **Buyer** will indemnify and hold **Seller** harmless from losses,
133 damages, costs, claims and expenses of any nature, including attorneys' fees at all levels, and from liability to any
134 person, arising from the conduct of any and all inspections or any work authorized by **Buyer**. **Buyer** will not engage
135 in any activity that could result in a mechanic's lien being filed against the Property without **Seller's** prior written
136 consent. In the event this transaction does not close, (1) **Buyer** will repair all damages to the Property resulting
137 from the Inspections and return the Property to the condition it was in prior to conduct of the Inspections, and
138 (2) **Buyer** will, at **Buyer's** expense release to **Seller** all reports and other work generated as a result of the
139 Inspections. Should **Buyer** deliver timely notice that the Property is not acceptable, **Seller** agrees that **Buyer's**
140 deposit will be immediately returned to **Buyer** and the Contract terminated.

141 (c) **Walk-through Inspection:** **Buyer** may, on the day prior to closing or any other time mutually agreeable to the

142° **Buyer**  () and **Seller** () () acknowledge receipt of a copy of this page, which is Page 3 of 8 Pages.

143 parties, conduct a final "walk-through" inspection of the Property to determine compliance with this paragraph and
144 to ensure that all Property is on the premises.

145 **8. OPERATION OF PROPERTY DURING CONTRACT PERIOD:** Seller will continue to operate the Property and any
146 business conducted on the Property in the manner operated prior to Contract and will take no action that would
147 adversely impact the Property, tenants, lenders or business, if any. Any changes, such as renting vacant space, that
148 materially affect the Property or Buyer's intended use of the Property will be permitted only with Buyer's consent
149 without Buyer's consent.

150 **9. CLOSING PROCEDURE:** Unless otherwise agreed or stated herein, closing procedure shall be in accordance with
151 the norms where the Property is located.

152 **(a) Possession and Occupancy:** Seller will deliver possession and occupancy of the Property to Buyer at
153 closing. Seller will provide keys, remote controls, and any security/access codes necessary to operate all locks,
154 mailboxes, and security systems.

155 **(b) Costs:** Buyer will pay Buyer's attorneys' fees, taxes and recording fees on notes, mortgages and financing
156 statements and recording fees for the deed. Seller will pay Seller's attorneys' fees, taxes on the deed and
157 recording fees for documents needed to cure title defects. If Seller is obligated to discharge any encumbrance at or
158 prior to closing and fails to do so, Buyer may use purchase proceeds to satisfy the encumbrances.

159 **(c) Documents:** Seller will provide the deed; bill of sale; mechanic's lien affidavit; originals of those assignable
160 service and maintenance contracts that will be assumed by Buyer after the Closing Date and letters to each
161 service contractor from Seller advising each of them of the sale of the Property and, if applicable, the transfer of its
162 contract, and any assignable warranties or guarantees received or held by Seller from any manufacturer,
163 contractor, subcontractor, or material supplier in connection with the Property; current copies of the condominium
164 documents, if applicable; assignments of leases, updated rent roll; tenant and lender estoppels letters; tenant
165 subordination, non-disturbance and attornment agreements (SNDAs) required by the Buyer or Buyer's lender;
166 assignments of permits and licenses; corrective instruments; and letters notifying tenants of the change in
167 ownership/rental agent. If any tenant refuses to execute an estoppels letter, Seller will certify that information
168 regarding the tenant's lease is correct. If Seller is an entity, Seller will deliver a resolution of its Board of Directors
169 authorizing the sale and delivery of the deed and certification by the appropriate party certifying the resolution and
170 setting forth facts showing the conveyance conforms to the requirements of local law. Seller will transfer security
171 deposits to Buyer. Buyer will provide the closing statement, mortgages and notes, security agreements, and
172 financing statements.

173 **(d) Taxes and Prorations:** Real estate taxes, personal property taxes on any tangible personal property, bond
174 payments assumed by Buyer, interest, rents (based on actual collected rents), association dues, insurance
175 premiums acceptable to Buyer, and operating expenses will be prorated through the day before closing. If the
176 amount of taxes for the current year cannot be ascertained, rates for the previous year will be used with due
177 allowance being made for improvements and exemptions. Any tax proration based on an estimate will, at request
178 of either party, be readjusted upon receipt of current year's tax bill; this provision will survive closing.

179 **(e) Special Assessment Liens:** Certified, confirmed, and ratified special assessment liens as of the Closing Date
180 will be paid by Seller. If a certified, confirmed, and ratified special assessment is payable in installments, Seller will
181 pay all installments due and payable on or before the Closing Date, with any installment for any period extending
182 beyond the Closing Date prorated, and Buyer will assume all installments that become due and payable after the
183 Closing Date. Buyer will be responsible for all assessments of any kind which become due and owing after Closing
184 Date, unless an improvement is substantially completed as of Closing Date. If an improvement is substantially
185 completed as of the Closing Date but has not resulted in a lien before closing, Seller will pay the amount of the last
186 estimate of the assessment. This subsection applies to special assessment liens imposed by a public body and
187 does not apply to condominium association special assessments.

188 **(f) Foreign Investment in Real Property Tax Act (FIRPTA):** If Seller is a "foreign person" as defined by FIRPTA,
189 Seller and Buyer agree to comply with Section 1445 of the Internal Revenue Code. Seller and Buyer will
190 complete, execute, and deliver as directed any instrument, affidavit, or statement reasonably necessary to comply
191 with the FIRPTA requirements, including delivery of their respective federal taxpayer identification numbers or

192* Buyer  (____) and Seller (____) (____) acknowledge receipt of a copy of this page, which is Page 4 of 8 Pages.

193 Social Security Numbers to the closing agent. If **Buyer** does not pay sufficient cash at closing to meet the
194 withholding requirement, **Seller** will deliver to **Buyer** at closing the additional cash necessary to satisfy the
195 requirement.

196 **10. ESCROW AGENT:** **Seller** and **Buyer** authorize Escrow Agent or Closing Agent (collectively "Agent") to
197 receive, deposit, and hold funds and other property in escrow and, subject to collection, disburse them in accordance
198 with the terms of this Contract. The parties agree that Agent will not be liable to any person for misdelivery of
199 escrowed items to **Seller** or **Buyer**, unless the misdelivery is due to Agent's willful breach of this Contract or gross
200 negligence. If Agent has doubt as to Agent's duties or obligations under this Contract, Agent may, at Agent's option,
201 (a) hold the escrowed items until the parties mutually agree to its disbursement or until a court of competent
202 jurisdiction or arbitrator determines the rights of the parties or (b) deposit the escrowed items with the clerk of
203 the court having jurisdiction over the matter and file an action in interpleader. Upon notifying the parties of such action,
204 Agent will be released from all liability except for the duty to account for items previously delivered out of escrow. If
205 Agent is a licensed real estate broker, Agent will comply with Chapter 475, Florida Statutes. In any suit in which Agent
206 interpleads the escrowed items or is made a party because of acting as Agent hereunder, Agent will recover
207 reasonable attorney's fees and costs incurred, with these amounts to be paid from and out of the escrowed items and
208 charged and awarded as court costs in favor of the prevailing party.

209 **11. CURE PERIOD:** Prior to any claim for default being made, a party will have an opportunity to cure any alleged
210 default. If a party fails to comply with any provision of this Contract, the other party will deliver written notice to the non-
211 complying party specifying the non-compliance. The non-complying party will have ___ days (5 days if left blank) after
212 delivery of such notice to cure the non-compliance. Notice and cure shall not apply to failure to close.

213 **12. RETURN OF DEPOSIT:** Unless otherwise specified in the Contract, in the event any condition of this Contract is
214 not met and **Buyer** has timely given any required notice regarding the condition having not been met, **Buyer's** deposit
215 will be returned in accordance with applicable Florida Laws and regulations.

216 **13. DEFAULT:**

217 (a) In the event the sale is not closed due to any default or failure on the part of **Seller** other than failure to make
218 the title marketable after diligent effort, **Buyer** may either (1) receive a refund of **Buyer's** deposit(s) or (2) seek
219 specific performance. If **Buyer** elects a deposit refund, **Seller** will be liable to Broker for the full amount of the
220 brokerage fee.

221 (b) In the event the sale is not closed due to any default or failure on the part of **Buyer**, **Seller** may either (1) retain
222 all deposit(s) paid or agreed to be paid by **Buyer** as agreed upon liquidated damages, consideration for the
223 execution of this Contract, and in full settlement of any claims, upon which this Contract will terminate or (2) seek
224 specific performance. If **Seller** retains the deposit, **Seller** will pay the Brokers named in Paragraph 20 fifty percent
225 of all forfeited deposits retained by **Seller** (to be split equally among the Brokers) up to the full amount of the
226 brokerage fee. If **Buyer** fails to timely place a deposit as required by this Contract, **Seller** may either (1) terminate
227 the Contract and seek the remedy outlined in this subparagraph or (2) proceed with the Contract without waiving
228 any remedy for **Buyer's** default.

229 **14. ATTORNEY'S FEES AND COSTS:** In any claim or controversy arising out of or relating to this Contract, the
230 prevailing party, which for purposes of this provision will include **Buyer**, **Seller** and Broker, will be awarded reasonable
231 attorneys' fees, costs, and expenses.

232 **15. NOTICES:** All notices will be in writing and may be delivered by mail, overnight courier, personal delivery, or
233 electronic means. Parties agree to send all notices to addresses specified on the signature page(s). Any notice,
234 document, or item given by or delivered to an attorney or real estate licensee (including a transaction broker)
235 representing a party will be as effective as if given by or delivered to that party.

236 **16. DISCLOSURES:**

237 (a) **Commercial Real Estate Sales Commission Lien Act:** The Florida Commercial Real Estate Sales
238 Commission Lien Act provides that a broker has a lien upon the owner's net proceeds from the sale of commercial
239 real estate for any commission earned by the broker under a brokerage agreement. The lien upon the owner's net

240* **Buyer**  (____) and **Seller** (____) (____) acknowledge receipt of a copy of this page, which is Page 5 of 8 Pages.

241 proceeds is a lien upon personal property which attaches to the owner's net proceeds and does not attach to any
242 interest in real property. This lien right cannot be waived before the commission is earned.

243 **(b) Special Assessment Liens Imposed by Public Body:**The Property may be subject to unpaid special
244 assessment lien(s) imposed by a public body. (A public body includes a Community Development District.) Such
245 liens, if any, shall be paid as set forth in Paragraph 9(e).

246 **(c) Radon Gas:** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in
247 sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that
248 exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon
249 and radon testing may be obtained from your county public health unit.

250 **(d) Energy-Efficiency Rating Information:** Buyer acknowledges receipt of the information brochure required by
251 Section 553.996, Florida Statutes.

252 **17. RISK OF LOSS:**

253 **(a)** If, after the Effective Date and before closing, the Property is damaged by fire or other casualty, **Seller** will bear
254 the risk of loss and **Buyer** may cancel this Contract without liability and the deposit(s) will be returned to **Buyer**.
255 Alternatively, **Buyer** will have the option of purchasing the Property at the agreed upon purchase price and **Seller**
256 will credit the deductible, if any and transfer to **Buyer** at closing any insurance proceeds, or **Seller's** claim to any
257 insurance proceeds payable for the damage. **Seller** will cooperate with and assist **Buyer** in collecting any such
258 proceeds. **Seller** shall not settle any insurance claim for damage caused by casualty without the consent of the
259 **Buyer**.

260 **(b)** If, after the Effective Date and before closing, any part of the Property is taken in condemnation or under the
261 right of eminent domain, or proceedings for such taking will be pending or threatened, **Buyer** may cancel this
262 Contract without liability and the deposit(s) will be returned to **Buyer**. Alternatively, **Buyer** will have the option of
263 purchasing what is left of the Property at the agreed upon purchase price and **Seller** will transfer to the **Buyer** at
264 closing the proceeds of any award, or **Seller's** claim to any award payable for the taking. **Seller** will cooperate with
265 and assist **Buyer** in collecting any such award.

266* **18. ASSIGNABILITY; PERSONS BOUND:** This Contract may be assigned to a related entity, and otherwise is
267* not assignable is assignable. If this Contract may be assigned, **Buyer** shall deliver a copy of the assignment
268 agreement to the **Seller** at least 5 days prior to Closing. The terms "**Buyer**," "**Seller**" and "**Broker**" may be singular or
269 plural. This Contract is binding upon **Buyer**, **Seller** and their heirs, personal representatives, successors and assigns
270 (if assignment is permitted).

271 **19. MISCELLANEOUS:** The terms of this Contract constitute the entire agreement between **Buyer** and **Seller**.
272 Modifications of this Contract will not be binding unless in writing, signed and delivered by the party to be bound.
273 Signatures, initials, documents referenced in this Contract, counterparts and written modifications communicated
274 electronically or on paper will be acceptable for all purposes, including delivery, and will be binding. Handwritten or
275 typewritten terms inserted in or attached to this Contract prevail over preprinted terms. If any provision of this Contract
276 is or becomes invalid or unenforceable, all remaining provisions will continue to be fully effective. This Contract will be
277 construed under Florida law and will not be recorded in any public records.

278 **20. BROKERS:** Neither **Seller** nor **Buyer** has used the services of, or for any other reason owes compensation to,
279 a licensed real estate Broker other than:

280* **(a) Seller's Broker:** Primesouth Fezler, Russell Gay P Steffen
281 (Company Name) (Licensee)
282* 2573 Barrington Cir. Tall. 32308 850 519 2701 gaysteffen@gmail.com
283 (Address, Telephone, Fax, E-mail)

284* who is a single agent is a transaction broker has no brokerage relationship and who will be compensated
285* by **Seller** **Buyer** both parties pursuant to a listing agreement other (specify) _____

286* _____

287* **Buyer** RR () and **Seller** () () acknowledge receipt of a copy of this page, which is Page 6 of 8 Pages.

288* (b) Buyer's Broker: Capital Property Consultants Na'im Majeed
289 (Company Name) (Licensee)
290* 4708 Capital Circle NW 32303 850 545 6597 na-im@comcast.net
291 (Address, Telephone, Fax, E-mail)

292* who is a single agent is a transaction broker has no brokerage relationship and who will be compensated
293* by Seller's Broker Seller Buyer both parties pursuant to an MLS offer of compensation other (specify)
294* 3% to Capital Property Consultants

295 (collectively referred to as "Broker") in connection with any act relating to the Property, including but not limited to
296 inquiries, introductions, consultations, and negotiations resulting in this transaction. **Seller** and **Buyer** agree to
297 indemnify and hold Broker harmless from and against losses, damages, costs and expenses of any kind, including
298 reasonable attorneys' fees at all levels, and from liability to any person, arising from (1) compensation claimed which is
299 inconsistent with the representation in this Paragraph, (2) enforcement action to collect a brokerage fee pursuant to
300 Paragraph 10, (3) any duty accepted by Broker at the request of **Seller** or **Buyer**, which is beyond the scope of
301 services regulated by Chapter 475, Florida Statutes, as amended, or (4) recommendations of or services provided and
302 expenses incurred by any third party whom Broker refers, recommends, or retains for or on behalf of **Seller** or **Buyer**.

303 **21. OPTIONAL CLAUSES:** (Check if any of the following clauses are applicable and are attached as an addendum to
304 this Contract):

- 305* Arbitration Seller Warranty Existing Mortgage
306* Section 1031 Exchange Coastal Construction Control Line Buyer's Attorney Approval
307* Property Inspection and Repair Flood Area Hazard Zone Seller's Attorney Approval
308* Seller Representations Seller Financing Other _____

309 **22. ADDITIONAL TERMS:**

This proposal is subject to your acceptance of the attached terms and conditions.

Note – Please understand that we do not support any product installed in a residential application. This product will adhere to standard Commercial warranty guidelines.

TERMS AND CONDITIONS - COMMERCIAL EQUIPMENT

"Company" shall mean Trane Canada ULC for sales in Canada and Trane U.S. Inc. for sales in the United States.

1. Acceptance. These terms and conditions are an integral part of Company's offer and form the basis of any agreement (the "Agreement") resulting from Company's proposal (the "Proposal") for the sale of the described commercial equipment and any ancillary services (the "Equipment"). **COMPANY'S TERMS AND CONDITIONS ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT.** The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent ("Customer") delivered to Company within 30 days from the date of the Proposal. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer's order shall be deemed acceptance of the Proposal subject to Company's terms and conditions. If Customer's order is expressly conditioned upon Company's acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company's terms and conditions attached or referenced serves as Company's notice of objection to Customer's terms and as Company's counter-offer to provide Equipment in accordance with the Proposal and the Company's terms and conditions. If Customer does not reject or object in writing to Company within 10 days, Company's counter-offer will be deemed accepted. Customer's acceptance of the Equipment will in any event constitute an acceptance by Customer of Company's terms and conditions. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or terms and conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability.

2. Title and Risk of Loss. All Equipment sales with destinations to Canada or the U.S. shall be made as follows: FOB Company's U.S. manufacturing facility or warehouse (full freight allowed). Title and risk of loss or damage to Equipment will pass to Customer upon tender of delivery of such to carrier at Company's U.S. manufacturing facility or warehouse.

3. Pricing and Taxes. Following acceptance without addition of any other terms and condition of sale or any other modification by Customer, the prices stated are firm provided that notification of release for immediate production and shipment is received at Company's factory not later than 3 months from order acceptance. If such release is received later than 3 months from order acceptance date, prices will be increased a straight 1% (not compounded) for each 1 month period (or part thereof) beyond the 3 month firm price period up to the date of receipt of such release. If such release is not received within 6 months after the date of order acceptance, the prices are subject to renegotiation or at Company's option, the order will be cancelled. Any delay in shipment caused by Customer's actions will subject prices to increase equal to the percentage increase in list prices during that period of delay and Company may charge Customer with incurred storage fees. In no event will prices be decreased. The price of Equipment does not include any present or future foreign, federal, state, or local property, license, privilege, sales, use, excise, value added, gross receipts or other like taxes or assessments. Such amounts will be itemized separately to Customer, who will make prompt payment to Company. Company will accept valid exemption documentation for such from Customer, if applicable. All prices include packaging in accordance with Company's standard procedures. Charges for special packaging, crating or packing are the responsibility of Customer.

4. Delivery and Delays. Delivery dates are approximate and not guaranteed. Company will use commercially reasonable efforts to deliver the Equipment on or before the estimated delivery date will notify Customer if the estimated delivery dates cannot be honored, and will deliver the Equipment and services as soon as practicable thereafter. In no event will Company be liable for any damages or expenses caused by delays in delivery.

5. Performance. Company shall be obligated to furnish only the Equipment described in the Proposal and in submittal data (if such data is issued in connection with the order). Company may rely on the acceptance of the Proposal, and in submittal data as acceptance of the suitability of the Equipment for the particular project or location. Unless specifically stated in the Proposal, compliance with any local building codes or other laws or regulations relating to specifications or the location, use or operation of the Equipment is the sole responsibility of Customer. If Equipment is tendered that does not fully comply with the provisions of this Agreement, and Equipment is rejected by Customer, Company will have the right to cure within a reasonable time after notice thereof by substituting a conforming tender whether or not the time for performance has passed.

6. Force Majeure. Company's duty to perform under this Agreement and the Equipment prices are contingent upon the non-occurrence of an Event of Force Majeure. If the Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or (ii) be terminated upon 10 days notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor/labour disputes; labor/labour or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid); and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company; and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

7. Limited Warranty. Company warrants the Equipment manufactured by Company for a period of the lesser of 12 months from initial start-up or 18 months from date of shipment, whichever is less, against failure due to defects in material and manufacture and that it has the capacities and ratings set forth in Company's catalogs and bulletins ("Warranty"). **Equipment manufactured by Company that includes required start-up and sold in North America will not be warranted by Company unless Company performs the Equipment startup.** Exclusions from this Warranty include damage or failure arising from: wear and tear; corrosion, erosion, deterioration; modifications made by others to the Equipment; repairs or alterations by a party other than Company that adversely affects the stability or reliability of the Equipment; vandalism; neglect; accident; adverse weather or environmental conditions; abuse or improper use; improper installation; commissioning by a party other than Company; unusual physical or electrical or mechanical stress; operation with any accessory, equipment or part not specifically approved by Company; refrigerant not supplied by Company; and/or lack of proper maintenance as recommended by Company. Company shall not be obligated to pay for the cost of lost refrigerant or lost product. Company's obligations and liabilities under this Warranty are limited to furnishing replacement equipment or parts, at its option, FCA (Incoterms 2000) factory or warehouse (f.o.b. factory or warehouse for US domestic purposes) at Company-designated shipping point, freight-allowed to Company's warranty agent's stock location, for all non-conforming Company-manufactured Equipment (which have been returned by Customer to Company. Returns must have prior written approval by Company and are subject to restocking charge where applicable. Equipment, material and/or parts that are not manufactured by Company are not warranted by Company and have such warranties as may be extended by the respective manufacturer. **COMPANY MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, REGARDING PREVENTION OF MOLD/MOULD, FUNGUS, BACTERIA, MICROBIAL GROWTH, OR ANY OTHER CONTAMINATES.** No warranty liability whatsoever shall attach to Company until Customer's complete order has been paid for in full and Company's liability under this Warranty shall be limited to the purchase price of the Equipment shown to be defective. Additional warranty protection is available on an extra-cost basis and must be in writing and agreed to by an authorized signatory of the Company. **EXCEPT FOR COMPANY'S WARRANTY EXPRESSLY SET FORTH HEREIN, COMPANY DOES NOT MAKE, AND HEREBY EXPRESSLY DISCLAIMS, ANY WARRANTIES, EXPRESS OR IMPLIED CONCERNING ITS PRODUCTS, EQUIPMENT OR SERVICES, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF DESIGN, MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, OR OTHERS THAT ARE ALLEGED TO ARISE FROM COURSE OF DEALING OR TRADE.**

8. Indemnity. To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

9. Insurance. Upon request, Company will furnish evidence of its standard insurance coverage. If Customer has requested to be named as an additional insured under Company's insurance policy, Company will do so but only subject to Company's manuscript additional insured endorsement under its primary Commercial General Liability policies. In no event does Company waive any rights of subrogation.

10. Customer Breach. Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement, require payment prior to shipping, or suspend performance by delivery of written notice: (1) Any failure by Customer to pay amounts when due; or (2) any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer; (3) Any representation or warranty furnished by Customer in connection with this Agreement is false or misleading in any material respect when made; or (4) Any failure by Customer to perform or comply with any material provision of this Agreement. Customer shall be liable to the Company for all Equipment furnished and all damages sustained by Company (including lost profit and overhead).

11. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT CONSEQUENTIAL, OR PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION REFRIGERANT LOSS, BUSINESS INTERRUPTION, LOST DATA, LOST REVENUE, LOST PROFITS) EVEN IF A PARTY HAS BEEN ADVISED OF SUCH POSSIBLE DAMAGES OR IF SAME WERE REASONABLY FORESEEABLE AND REGARDLESS OF WHETHER THE CAUSE OF ACTION IS FRAMED IN CONTRACT, NEGLIGENCE, ANY OTHER TORT, WARRANTY, STRICT LIABILITY, OR PRODUCT LIABILITY). In no event will Company's liability in connection with the provision of products or services or otherwise under this Agreement exceed the entire amount paid to Company by Customer under this Agreement.

12. Nuclear Liability. In the event that the Equipment sold hereunder is to be used in a nuclear facility, Customer will, prior to such use, arrange for insurance or governmental indemnity protecting Company against all liability and hereby releases and agrees to indemnify Company and its suppliers for any nuclear damage, including loss of use, in any manner arising out of a nuclear incident, whether alleged to be due, in whole or in part to the negligence or otherwise of Company or its suppliers.

13. Intellectual Property; Patent Indemnity. Company retains all ownership, license and other rights to all patents, trademarks, copyrights, trade secrets and other intellectual property rights related to the Equipment, and, except for the right to use the Equipment sold, Customer obtains no rights to use any such intellectual property. Company agrees to defend any suit or proceeding brought against Customer so far as such suit or proceeding is solely based upon a claim that the use of the Equipment provided by Company constitutes infringement of any patent of the United States of America, provided Company is promptly notified in writing and given authority, information and assistance for defense of same. Company will, at its option, procure for Customer the right to continue to use said Equipment, or modify it so that it becomes non-infringing, or replace same with non-infringing Equipment, or to remove said Equipment and to refund the purchase price. The foregoing will not be construed to include any Agreement by Company to accept any liability whatsoever in respect to patents for inventions including more than the Equipment furnished hereunder, or in respect of patents for methods and processes to be carried out with the aid of said Equipment. The provision of Equipment by Company does not convey any license, by implication, estoppel, or otherwise, under patent claims covering combinations of said Equipment with other devices or elements. The foregoing states the entire liability of Company with regard to patent infringement. Notwithstanding the provisions of this paragraph, Customer will hold Company harmless against any expense or loss resulting from infringement of patents or trademarks arising from compliance with Customer's designs or specifications or instructions.

14. Cancellation. Equipment is specially manufactured in response to orders. An order placed with and accepted by Company cannot be delayed, canceled, suspended, or extended except with Company's written consent and upon written terms accepted by Company that will reimburse Company for and indemnify Company against loss and provide Company with a reasonable profit for its materials, time, labor, services, use of facilities and otherwise. Customer will be obligated to accept any Equipment shipped, tendered for delivery or delivered by Company pursuant to the order prior to any agreed delay, cancellation, suspension or extension of the order. Any attempt by Customer to unilaterally revoke, delay or suspend acceptance for any reason whatever after it has agreed to delivery of or accepted any shipment shall constitute a breach of this Agreement. For purposes of this paragraph, acceptance occurs by any waiver of inspection, use or possession of Equipment, payment of the invoice, or any indication of exclusive control exercised by Customer.

15. Invoicing and Payment. Equipment shall be invoiced to Customer upon tender of delivery thereof to the carrier. Customer shall pay Company's invoices within net 30 days of shipment date. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to the lesser of the maximum allowable legal interest rate or 1.5% of the principal amount due at the end of each month. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due and otherwise enforcing these terms and conditions. If requested, Company will provide appropriate lien waivers upon receipt of payment. Company may at any time decline to ship, make delivery or perform work except upon receipt of cash payment, letter of credit, or security, or upon other terms and conditions satisfactory to Company. Customer agrees that, unless Customer makes payment in advance, Company will have a purchase money security interest in all Equipment to secure payment in full of all amounts due Company and its order for the Equipment, together with these terms and conditions, form a security agreement (as defined by the UCC in the United States and as defined in the Personal Property Security Act in Canada). Customer shall keep the Equipment free of all taxes and encumbrances, shall not remove the Equipment from its original installation point and shall not assign or transfer any interest in the Equipment until all payments due Company have been made. The purchase money security interest granted herein attaches upon Company's acceptance of Customer's order and on receipt of the Equipment described in the accepted Proposal but prior to its installation. The parties have no agreement to postpone the time for attachment unless specifically noted in writing on the accepted order. Customer will have no rights of set off against any amounts, which become payable to Company under this Agreement or otherwise.

16. Claims. Company will consider claims for concealed shortages in shipments or rejections due to failure to conform to an order only if such claims or rejections are made in writing within 15 days of delivery and are accompanied by the packing list and, if applicable, the reasons in detail why the Equipment does not conform to Customer's order. Upon receiving authorization and shipping instructions from authorized personnel of Company, Customer may return rejected Equipment, transportation charges prepaid, for replacement. Company may charge Customer any costs resulting from the testing, handling, and disposition of any Equipment returned by Customer which are not found by Company to be nonconforming. All Equipment damaged during shipment and all claims relating thereto must be made with the freight carrier in accordance with such carrier's policies and procedures. Claims for Equipment damaged during shipment are not covered under the warranty provision stated herein.

17. Export Laws. The obligation of Company to supply Equipment under this Agreement is subject to the ability of Company to supply such items consistent with applicable laws and regulations of the United States and other governments. Company reserves the right to refuse to enter into or perform any order, and to cancel any order, under this Agreement if Company in its sole discretion determines that performance of the transaction to which such order relates would violate any such applicable law or regulation. Customer will pay all handling and other similar costs from Company's factories including the costs of freight, insurance, export clearances, import duties and taxes. Customer will be "exporter of record" with respect to any export from the United States of America and will perform all compliance and logistics functions in connection therewith and will also comply with all applicable laws, rules and regulations. Customer understands that Company and/or the Equipment are subject to laws and regulations of the United States of America which may require licensing or authorization for and/or prohibit export, re-export or diversion of Company's Equipment to certain countries, and agrees it will not knowingly assist or participate in any such diversion or other violation of applicable United States of America laws and regulations. Customer agrees to hold harmless and indemnify Company for any damages resulting to Customer or Company from a breach of this paragraph by Customer.

18. General. Except as provided below, to the maximum extent provided by law, this Agreement is made and shall be interpreted and enforced in accordance with the laws of the state of New York for Equipment shipped to a U.S. location and the laws of the province to which Equipment is

shipped within Canada, without regard to its conflict of law principles that might otherwise call for the application of a different state's or province's law, and not including the United Nations Convention on Contracts for the International Sale of Goods. Any action or suit arising out of or related to this Agreement must be commenced within one year after the cause of action has accrued. To the extent the Equipment is being used at a site owned and/or operated by any agency of the Federal Government, determination of any substantive issue of law shall be according to the Federal common law of Government contracts as enunciated and applied by Federal judicial bodies and boards of contract appeals of the Federal Government. This Agreement contains all of the agreements, representations and understandings of the parties and supersedes all previous understandings, commitments or agreements, oral or written, related to the subject matter hereof. This Agreement may not be amended, modified or terminated except by a writing signed by the parties hereto. No documents shall be incorporated herein by reference except to the extent Company is a signatory thereon. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto. Customer may not assign, transfer, or convey this Agreement, or any part hereof, or its right, title or interest herein, without the written consent of the Company. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. This Agreement may be executed in several counterparts, each of which when executed shall be deemed to be an original, but all together shall constitute but one and the same Agreement. A fully executed facsimile copy hereof or the several counterparts shall suffice as an original.

19. Equal Employment Opportunity/Affirmative Action Clause. Company is a federal contractor that complies fully with Executive Order 11246, as amended, and the applicable regulations contained in 41 C.F.R. Parts 60-1 through 60-60, 29 U.S.C. Section 793 and the applicable regulations contained in 41 C.F.R. Part 60-741; and 38 U.S.C. Section 4212 and the applicable regulations contained in 41 C.F.R. Part 60-250 Executive Order 13496 and Section 29 CFR 471, appendix A to subpart A, regarding the notice of employee rights in the United States and with Canadian Charter of Rights and Freedoms Schedule B to the Canada Act 1982 (U.K.) 1982, c. 11 and applicable Provincial Human Rights Codes and employment law in Canada.

20. U.S. Government Work.

The following provision applies only to direct sales by Company to the US Government. The Parties acknowledge that Equipment ordered and delivered under this Agreement are Commercial Items as defined under Part 12 of the Federal Acquisition Regulation (FAR). In particular, Company agrees to be bound only by those Federal contracting clauses that apply to "commercial" suppliers and that are contained in FAR 52.212-5(e)(1).

The following provision applies only to indirect sales by Company to the US Government. As a Commercial Item Subcontractor, Company accepts only the following mandatory flow down provisions: 52.219-8; 52.222-26; 52.222-35; 52.222-36; 52.222-39; 52.247-64. If the sale of the Equipment is in connection with a U.S. Government contract, Customer certifies that it has provided and will provide current, accurate, and complete information, representations and certifications to all government officials, including but not limited to the contracting officer and officials of the Small Business Administration, on all matters related to the prime contract, including but not limited to all aspects of its ownership, eligibility, and performance. Anything herein notwithstanding, Company will have no obligations to Customer unless and until Customer provides Company with a true, correct and complete executed copy of the prime contract. Upon request, Customer will provide copies to Company of all requested written communications with any government official related to the prime contract prior to or concurrent with the execution thereof, including but not limited to any communications related to Customer's ownership, eligibility or performance of the prime contract. Customer will obtain written authorization and approval from Company prior to providing any government official any information about Company's performance of the work that is the subject of the Proposal or this Agreement, other than the Proposal or this Agreement.

21. Limited Waiver of Sovereign Immunity. If Customer is an Indian tribe (in the U.S.) or a First Nation or Band Council (in Canada), Customer, whether acting in its capacity as a government, governmental entity, a duly organized corporate entity or otherwise, for itself and for its agents, successors, and assigns: (1) hereby provides this limited waiver of its sovereign immunity as to any damages, claims, lawsuit, or cause of action (herein "Action") brought against Customer by Company and arising or alleged to arise out of the furnishing by Company of any product or service under this Agreement, whether such Action is based in contract, tort, strict liability, civil liability or any other legal theory; (2) agrees that jurisdiction and venue for any such Action shall be proper and valid (a) if Customer is in the U.S., in any state or United States court located in the state in which Company is performing this Agreement or (b) if Customer is in Canada, in the superior court of the province or territory in which the work was performed; (3) expressly consents to such Action, and waives any objection to jurisdiction or venue; (4) waives any requirement of exhaustion of tribal court or administrative remedies for any Action arising out of or related to this Agreement; and (5) expressly acknowledges and agrees that Company is not subject to the jurisdiction of Customer's tribal court or any similar tribal forum, that Customer will not bring any action against Company in tribal court, and that Customer will not avail itself of any ruling or direction of the tribal court permitting or directing it to suspend its payment or other obligations under this Agreement. The individual signing on behalf of Customer warrants and represents that such individual is duly authorized to provide this waiver and enter into this Agreement and that this Agreement constitutes the valid and legally binding obligation of Customer, enforceable in accordance with its terms.

SUMMARY SHEET

RECOMMENDATION TO SUPERINTENDENT FOR SCHOOL BOARD AGENDA

AGENDA ITEM NO. 10b

Date of School Board Meeting: January 24, 2017

TITLE OF AGENDA ITEM: Code Compliance – Simplex Grinnell (Fire Alarms)

DIVISION: Department of Facilities

(Example: Secondary Education, Property Records, etc.)

_____ This is a CONTINUATION of a current project, grant, etc.

PURPOSE AND SUMMARY OF ITEM: Requesting Board approval to accept proposal with current fire alarm system vendor, Simplex Grinnell. Equipment is currently vendor specific and proposal will facilitate code compliance.

FUND SOURCE: 110

AMOUNT: \$24,002.00

PREPARED BY: Bill Hunter

POSITION: Director of Facilities

INTERNAL INSTRUCTIONS TO BE COMPLETED BY PREPARER

1 Number of ORIGINAL SIGNATURES NEEDED by preparer.

SUPERINTENDENT'S SIGNATURE: page(s) numbered Page 21

CHAIRMAN'S SIGNATURE: page(s) numbered N/A

Be sure that the COMPTROLLER has signed the budget page.

SUMMARY OF SERVICES

Fire Alarm Test & Inspect - SIMPLEX PROG 4100U SYSTEM

TEST AND INSPECTION:

Our trained technicians will perform inspections and diagnostic tests for the accessible peripheral devices listed and currently connected to the facility fire alarm system. Tests will be scheduled in advance. (See "List of Equipment" page for equipment to be tested)

Unless otherwise specified herein, batteries installed within wireless initiating and notification peripheral devices are not covered under this agreement. Replacement of such batteries will be at an additional cost.

DOCUMENTATION:

Accessible components and devices logged for:

- Location of each device tested, including system address or zone location
- Test results and applicable voltage readings
- any discrepancies found noted (individually and on a separate summary page)

Inspection documentation provided to Customer's representative. NOTE: Certain additional services may be required by the Authority Having Jurisdiction (AHJ). AHJ or internal organizational requirements may be more restrictive than state/provincial requirements. Building owners and managers should make themselves aware of applicable codes and references in order to ensure that contracted services are in compliance with these requirements.

Fire Alarm Test & Inspect - SIMPLEX 4004/4005 SYSTEM

Emergency Service (Normal Working Hours)

Emergency Service (Provided during normal working hours, Monday-Friday excluding our holidays). This service includes labor, travel, and mileage charges for repairs associated with normal wear and tear. Standard service will be provided within 24 hours of notification Monday through Friday, excluding our holidays, unless outlined in the agreement.

SPECIAL PROVISIONS

10% labor discount for all billable service on covered systems, No truck/fuel charges.

Service Solution

This Service Solution (the "Agreement") sets forth the Terms and Conditions for the provision of equipment and services to be provided by SimplexGrinnell LP ("Company") to **Gadsden County School Board** and is effective **01-FEB-17** to **31-JAN-18** (the "Initial Term").

PAYMENT TERM: *Annual After Service is Performed*

PAYMENT AMOUNT: **\$24,002.00** - **Proposal # : 531234**

CUSTOMER ACCEPTANCE: In accepting this Agreement, Customer agrees to the Terms and Conditions on the following pages and any attachments or riders attached hereto that contain additional terms and conditions. It is understood that these terms and conditions shall prevail over any variation in terms and conditions on any purchase order or other document that the Customer may issue. Any changes in the system requested by the Customer after the execution of Agreement shall be paid for by the Customer and such changes shall be authorized in writing.

ATTENTION IS DIRECTED TO THE LIMITATION OF LIABILITY, WARRANTY, INDEMNITY AND OTHER CONDITIONS CONTAINED IN THIS AGREEMENT.

TERMS AND CONDITIONS

1. **Term.** The Initial Term of this Agreement shall commence on the date of this Agreement and continue for the period indicated in this Agreement. At the conclusion of the Initial Term, this Agreement shall automatically extend for successive terms equal to the Initial Term, each and together a "Term" of this Agreement, unless either party gives written notice to the other party at least thirty (30) days prior to the end of the then-current term.

2. **Payment.** Payments shall be invoiced and due in accordance with the terms and conditions set forth in this Agreement. Work performed on a time and material basis shall be at the then-prevailing Company rate for material, labor, and related items, in effect at the time supplied under this Agreement.

3. **Pricing.** The pricing set forth in this Agreement is based on the number of devices and services to be performed as set forth in this Agreement. If the actual number of devices installed or services to be performed is greater than that set forth in this Agreement, the price will be increased accordingly. Company may increase prices upon notice to the Customer or annually to reflect increases in material and labor costs. Customer agrees to pay all taxes, permits, and other charges, including but not limited to state and local sales and excise taxes, installation or alarm permits, false alarm assessments, or any charges imposed by any government body, however designated, levied or based on the service charges pursuant to this Agreement. The Customer's failure to make payment when due is a material breach of this Agreement.

4. **Code Compliance.** Company does not undertake an obligation to inspect for compliance with laws or regulations unless specifically stated in this Agreement. Customer acknowledges that the Authority Having Jurisdiction (e.g. Fire Marshal) may establish additional requirements for compliance with local codes. Any additional services or equipment required will be provided at an additional cost to Customer.

5. **Limitation of Liability; Limitations of Remedy.** Customer understands that Company offers several levels of protection services and that the level described has been chosen by Customer after considering and balancing various levels of protection afforded and their related costs. **It is understood and agreed by the Customer that Company is not an insurer and that insurance coverage, if any, shall be obtained by the Customer and that amounts payable to Company hereunder are based upon the value of the services and the scope of liability set forth in this Agreement and are unrelated to the value of the Customer's property and the property of others located on the premises.** Customer agrees to look exclusively to the Customer's insurer to recover for injuries or damage in the event of any loss or injury and that Customer releases and waives all right of recovery against Company arising by way of subrogation. Company makes no guaranty or Warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or services supplied by Company will detect or avert occurrences or the consequences therefrom that the equipment or service was designed to detect or avert. It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its obligations under this Agreement. Accordingly, Customer agrees that, Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from occurrences, or the consequences therefrom, which the equipment or service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or service in any respect, Company's liability for Services performed on site at Customer's premises shall be limited to an amount equal to the Agreement price (as increased by the price for any additional work) or, where the time and material payment term is selected, Customer's time and material payments to Company. Where this Agreement covers multiple sites, liability shall be limited to the amount of the payments allocable to the site where the incident occurred. Company's liability with respect to Monitoring Services is set forth in Section 17 of this Agreement. Such sum shall be complete and exclusive. If Customer desires Company to assume greater liability, the parties shall amend this Agreement by attaching a rider setting forth the amount of additional liability and the additional amount payable by the Customer for the assumption by Company of such greater liability, provided however that such rider shall in no way be interpreted to hold Company as an insurer. **IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S), AS HEREINAFTER DEFINED, OR ANY OF ITS COMPONENT PARTS BY THE CUSTOMER OR ANY THIRD PARTY. COMPANY SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM THE USE, LOSS OF THE USE, PERFORMANCE, OR FAILURE OF THE COVERED SYSTEM(S) TO PERFORM.** The limitations of liability set forth in this Agreement shall inure to the benefit of all parents, subsidiaries and affiliates of Company, whether direct or indirect, Company's employees, agents, officers and directors.

6. **Reciprocal Waiver of Claims (SAFETY Act).** Certain of Company's systems and services have received Certification and/or Designation as Qualified Anti-Terrorism Technologies ("QATT") under the Support Anti-Terrorism by Fostering Effective Technologies Act of 2002, 6 U.S.C. §§

441-444 (the "SAFETY Act"). As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by law, Company and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

7. **Indemnity.** Customer agrees to indemnify, hold harmless and defend Company against any and all losses, damages, costs, including expert fees and costs, and expenses including reasonable defense costs, arising from any and all third party claims for personal injury, death, property damage or economic loss, arising in any way from any act or omission of Customer or Company relating in any way to this Agreement, including but not limited to the Services under this Agreement, whether such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or otherwise. **Company reserves the right to select counsel to represent it in any such action. Customer's responsibility with respect to indemnification and defense of Company with respect to Monitoring Services is set forth in Section 17 of this Agreement.**

8. **General Provisions.** Customer has selected the service level desired after considering and balancing various levels of protection afforded, and their related costs. Customer acknowledges and agrees that by this Agreement, Company, unless specifically stated, does not undertake any obligation to maintain or render Customer's system or equipment as Year 2000 compliant, which shall mean, capable of correctly handling the processing of calendar dates before or after December 31, 1999. All work to be performed by Company will be performed during normal working hours of normal working days (8:00 a.m. - 5:00 p.m.), Monday through Friday, excluding Company holidays, as defined by Company, unless additional times are specifically described in this Agreement. All work performed unscheduled unless otherwise specified in this Agreement. Appointments scheduled for four-hour window. Additional charges may apply for special scheduling requests, e.g. working around equipment shutdowns, after hours work.

Company will perform the services described in the Service Solution ("Services") for one or more system(s) or equipment as described in the Service Solution or the listed attachments ("Covered System(s)"). **UNLESS OTHERWISE SPECIFIED IN THIS AGREEMENT, ANY INSPECTION (AND, IF SPECIFIED, TESTING) PROVIDED UNDER THIS AGREEMENT DOES NOT INCLUDE ANY MAINTENANCE, REPAIRS, ALTERATIONS, REPLACEMENT OF PARTS, OR ANY FIELD ADJUSTMENTS WHATSOEVER, NOR DOES IT INCLUDE THE CORRECTION OF ANY DEFICIENCIES IDENTIFIED BY COMPANY TO CUSTOMER. COMPANY SHALL NOT BE RESPONSIBLE FOR EQUIPMENT FAILURE OCCURRING WHILE COMPANY IS IN THE PROCESS OF FOLLOWING ITS INSPECTION TECHNIQUES, WHERE THE FAILURE ALSO RESULTS FROM THE AGE OR OBSOLESCENCE OF THE ITEM OR DUE TO NORMAL WEAR AND TEAR. THIS AGREEMENT DOES NOT COVER SYSTEMS, EQUIPMENT, COMPONENTS OR PARTS THAT ARE BELOW GRADE, BEHIND WALLS OR OTHER OBSTRUCTIONS OR EXTERIOR TO THE BUILDING, ELECTRICAL WIRING, AND PIPING.**

9. **Customer Responsibilities.** Customer shall regularly test the System(s) in accordance with applicable law and manufacturers' and Company's recommendations. Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes any existing system(s) are in operational and maintainable condition as of the Agreement date. If, upon inspection, Company determines that repairs are recommended, repair charges will be submitted for approval by Customer's on-site representative prior to work. Should such repair work be declined, Company shall be relieved from any and all liability arising therefrom.

Customer further agrees to:

- Provide Company clear access to Covered System(s) to be serviced including, if applicable, lift trucks or other equipment needed to reach inaccessible equipment;
- Supply suitable electrical service, heat, heat tracing adequate water supply, and required system schematics and/or drawings;
- Notify all required persons, including but not limited to authorities having jurisdiction, employees, and monitoring services, of scheduled testing and/or repair of systems;
- Provide a safe work environment;
- In the event of an emergency or Covered System(s) failure, take reasonable precautions to protect against personal injury, death, and/or property damage and continue such measures until the Covered System(s) are operational; and
- Comply with all laws, codes, and regulations pertaining to the equipment and/or services provided under this agreement.

Customer represents and warrants that it has the right to authorize the Services to be performed as set forth in this Agreement.

10. **Repair Services.** Where Customer expressly includes repair, replacement, and emergency response services in the Service Solution section of this Agreement, such services apply only to the components or equipment of the

Covered System(s). Customer agrees to promptly request repair services in the event the System becomes inoperable or otherwise requires repair. The Agreement price does not include repairs to the Covered System(s) recommended by Company as a result of an inspection, for which Company will submit independent pricing to customer and as to which Company will not proceed until Customer authorizes such work and approves the pricing. Repair or replacement of non-maintainable parts of the Covered System(s) including, but not limited to, unit cabinets, insulating material, electrical wiring, structural supports, and all other non-moving parts, is not included under this Agreement.

11. System Equipment. The purchase of equipment or peripheral devices, (including but not limited to smoke detectors, passive infrared detectors, card readers, sprinkler system components, extinguishers and hoses) from Company shall be subject to the terms and conditions of this Agreement. If, in Company's sole judgment, any peripheral device or other system equipment, which is attached to the Covered System(s), whether provided by Company, Customer or a third party, interferes with the proper operation of the Covered System(s), Customer shall remove or replace such device or equipment promptly upon notice from Company. Failure of Customer to remove or replace the device shall constitute a material breach of this Agreement. If Customer adds any third party device or equipment to the Covered System(s), Company shall not be responsible for any damage to or failure of the Covered System(s) caused in whole or in part by such device or equipment.

12. Reports. Where inspection and/or test services are selected, such inspection and/or test shall be completed on Company's then current Report form, which shall be given to Customer, and, where applicable, Company may submit a copy thereof to the local authority having jurisdiction. The Report and recommendations by Company are only advisory in nature and are intended to assist Customer in reducing the risk of loss to property by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. They are not intended to imply that no other defects or hazards exist or that all aspects of the Covered System(s), equipment, and components are under control at the time of inspection. Final responsibility for the condition and operation of the Covered System(s) and equipment and components lies with Customer.

13. Availability and Cost of Steel, Plastics & Other Commodities. Company shall not be responsible for failure to provide services, deliver products, or otherwise perform work required by this Agreement due to lack of available steel products or products made from plastics or other commodities. (i) In the event Company is unable, after reasonable commercial efforts, to acquire and provide steel products, or products made from plastics or other commodities, if required to perform work required by this Agreement, Customer hereby agrees that Company may terminate the Agreement, or the relevant portion of the Agreement, at no additional cost and without penalty. Customer agrees to pay Company in full for all work performed up to the time of any such termination. (ii) If Company is able to obtain the steel products or products made from plastics or other commodities, but the price of any of the products has risen by more than 10% from the date of the bid, proposal or date Company executed this Agreement, whichever occurred first, then Company may pass through that increase through a reasonable price increase to reflect increased cost of materials.

14. Confined Space. If access to confined space by Company is required for the performance of Services, Services shall be scheduled and performed in accordance with Company's then-current hourly rate.

15. Hazardous Materials. Customer represents that, except to the extent that Company has been given written notice of the following hazards prior to the execution of this Agreement, to the best of Customer's knowledge there is no:

- "Permit confined space," as defined by OSHA,
- Risk of infectious disease,
- Need for air monitoring, respiratory protection, or other medical risk,
- Asbestos, asbestos-containing material, formaldehyde or other potentially toxic or otherwise hazardous material contained in or on the surface of the floors, walls, ceilings, insulation or other structural components of the area of any building where work is required to be performed under this Agreement.

All of the above are hereinafter referred to as "Hazardous Conditions". Company shall have the right to rely on the representations listed above. If hazardous conditions are encountered by Company during the course of Company's work, the discovery of such materials shall constitute an event beyond Company's control and Company shall have no obligation to further perform in the area where the hazardous conditions exist until the area has been made safe by Customer as certified in writing by an independent testing agency, and Customer shall pay disruption expenses and re-mobilization expenses as determined by Company. This Agreement does not provide for the cost of capture, containment or disposal of any hazardous waste materials, or hazardous materials, encountered in any of the Covered System(s) and/or during performance of the Services. Said materials shall at all times remain the responsibility and property of Customer. Company shall not be responsible for the testing, removal or disposal of such hazardous materials.

16. Remote Service. If Customer selects Remote Service, Customer understands and agrees that, while Remote Service provides for communication regarding Customer's fire alarm system to Company via the internet, Remote Service does not constitute monitoring of the system and Customer understands that Remote Service does not provide for Company to

contact the fire department or other authorities in the event of a fire alarm. The Customer understands that if it wishes to receive monitoring of its fire alarm system and notification of the fire department or other authorities in the event of a fire alarm, it must select monitoring services as a separate service under this Agreement. CUSTOMER FURTHER UNDERSTANDS AND AGREES THAT THE TERMS OF SECTION 17.F OF THIS AGREEMENT APPLY TO REMOTE SERVICE.

17. Monitoring Services. If Customer has selected Monitoring services, the following shall apply to such services:

A. Alarm Monitoring Service. Customer agrees and acknowledges that Company's sole and only obligation under this Agreement shall be to provide alarm monitoring, notification, and/or Runner services as set forth in this Agreement and to endeavor to notify the party(ies) identified by Customer on the Contact/Call List ("Contacts") and/or Local Emergency Dispatch Numbers for responding authorities. Upon receipt of an alarm signal, Company may, at our sole discretion, attempt to notify the Contacts to verify the signal is not false. If we fail to notify the Contacts or question the response we receive, we will attempt to notify the responding authority. In the event Company receives a supervisory signal or trouble signal, Company shall endeavor to promptly notify one of the Contacts. Company shall not be responsible for a Contact's or responding authority's refusal to acknowledge/respond to Company's notifications of receipt of an alarm signal, nor shall Company be required to make additional notifications because of such refusal. The Contacts are authorized to act on Customer's behalf and, if so designated on the Contact/Call List, are authorized to cancel an alarm prior to the notification of authorities. Customer understands that local laws, ordinances or policies may restrict Company's ability to provide the alarm monitoring and notification services described in this Agreement and/or necessitate modified or additional services and related charges to Customer. Customer understands that Company may employ a number of industry-recognized measures to help reduce occurrences of false alarm signal activations. These measures may include, but are not limited to, implementation of industry-recognized default settings; implementation of "partial clear time bypass" procedures at our alarm monitoring center and other similar measures at our sole discretion from time to time. THESE MEASURES CAN RESULT IN NO ALARM SIGNAL BEING SENT FROM AN ALARM ZONE IN CUSTOMER'S PREMISES AFTER THE INITIAL ALARM ACTIVATION UNTIL THE ALARM SYSTEM IS MANUALLY RESET. Upon receiving notification from Company that a fire or gas detection (e.g. carbon monoxide) signal has been received, the responding authority may forcibly enter the premises. Cellular radio unit test supervision, if provided under this Agreement, provides only the status of the cellular radio unit's current signaling ability at the time of the test communication based on certain programmed intervals and does not serve to detect the potential loss of radio service at the time of an actual emergency event. Company shall not be responsible to provide monitoring services under this Agreement unless and until the communication link between Customer's premises and Company's Monitoring Center has been tested. **SUCH SERVICES ARE PROVIDED WITHOUT WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

B Limitation of Liability; Limitations of Remedy. Customer understands that Company offers several levels of Monitoring Services and that the level described has been chosen by Customer after considering and balancing various levels of protection afforded and their related costs. It is understood and agreed by the Customer that Company is not an insurer and that insurance coverage, if any, shall be obtained by the Customer and that amounts payable to Company hereunder are based upon the value of the Monitoring Services and the scope of liability set forth in this Agreement and are unrelated to the value of the Customer's property and the property of others located on the premises. Customer agrees to look exclusively to the Customer's insurer to recover for injuries or damage in the event of any loss or injury and that Customer releases and waives all right of recovery against Company arising by way of subrogation. Company makes no guaranty or Warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or services supplied by Company will detect or avert occurrences or the consequences there from that the equipment or service was designed to detect or avert. It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its monitoring obligations under this Agreement. Accordingly, Customer agrees that, Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from occurrences, or the consequences there from, which the equipment or service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or service in any respect, Company's liability with respect to Monitoring Services shall be the lesser of the annual fee for Monitoring Services allocable to the site where the incident occurred or two thousand five hundred (\$2,500) dollars. Such sum shall be complete and exclusive. If Customer desires Company to assume greater liability, the parties shall amend this Agreement by attaching a rider setting forth the amount of additional liability and the additional amount payable by the Customer for the assumption by Company of such greater liability, provided however that such rider shall in no way be interpreted to hold Company as an insurer.

IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S), AS HEREINAFTER DEFINED, OR ANY OF ITS COMPONENT PARTS BY THE CUSTOMER OR ANY THIRD PARTY. COMPANY SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM THE USE, LOSS OF THE USE, PERFORMANCE, OR FAILURE OF THE COVERED SYSTEM(S) TO PERFORM. The limitations of liability set forth in this Agreement shall inure to the benefit of all parents, subsidiaries and affiliates of Company, whether direct or indirect, Company's employees, agents, officers and directors.

C. Indemnity, Insurance. Customer agrees to indemnify, hold harmless and defend Company against any and all losses, damages, costs, including expert fees and costs, and expenses including reasonable defense costs, arising from any and all third party claims for personal injury, death, property damage or economic loss, arising in any way from any act or omission of Customer or Company relating in any way to the Monitoring Services provided under this Agreement, whether such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or otherwise. Company reserves the right to select counsel to represent it in any such action. Customer shall name Company, its officers, employees, agents, subcontractors, suppliers, and representatives as additional insureds on Customer's general liability and auto liability policies.

D. No modification. Modification to Sections 17 B or C may only be made by a written amendment to this Agreement signed by both parties specifically referencing Section 17 B and/or C, and no such amendment shall be effective unless approved by the manager of Company's Central Monitoring Center.

E. Customer's Duties. In addition to Customer's duty to indemnify, defend, and hold Company harmless pursuant to this Section 17:

i. Customer agrees to furnish the names and telephone numbers of all persons authorized to enter or remain on Customer's premises and/or that should be notified in the event of an alarm (the Contact/Call List) and Local Emergency Dispatch Numbers and provide all changes, revision and modifications to the above to Company in writing in a timely manner. Customer must ensure that all such persons are authorized and able to respond to such notification.

ii. Customer shall carefully and properly test and set the system immediately prior to the securing of the premises and carefully test the system in a manner prescribed by Company during the term of this Agreement. Customer agrees that it is responsible for any losses or damages due to malfunction, miscommunication or failure of Customer's system to accurately handle, process or communicate data. If any defect in operation of the System develops, or in the event of a power failure interruption of telephone service, or other interruption at Customer's premises of signal or data transmission through any media, Customer shall notify Company immediately. If space/interior protection (i.e. ultrasonic, microwave, infrared, etc.) is part of the System, Customer shall walk test the system in the manner recommended by Company.

iii. When any device or protection is used, including, but not limited to, space protection, which may be affected by turbulence of air, occupied airspace change or other disturbance, forced air heaters, air conditioners, horns, bells, animals and any other sources of air turbulence or movement which may interfere with the effectiveness of the System during closed periods while the alarm system is on, Customer shall notify Company.

iv. Customer shall promptly reset the System after any activation.

v. Customer shall notify Company regarding any remodeling or other changes to the protected premises that may affect operation of the system.

vi. Customer shall cooperate with Company in the installation, operation and/or maintenance of the system and agrees to follow all instructions and procedures which may be prescribed for the operation of the system, the rendering of services and the provision of security for the premises.

vii. Customer shall pay all charges made by any telephone or communications provider company or other utility for installation, leasing, and service charges of telephone lines connecting Customer's premises to Company. Customer acknowledges that alarm signals from Customer's premises to Company are transmitted over Customer's telephone or other transmission service and that in the event the telephone or other transmission service is out of order, disconnected, placed on "vacation", or otherwise interrupted, signals from Customer's alarm system will not be received by Company, during any such interruption in telephone or other transmission service and the interruption will not be known to Company. Customer agrees that in the event the equipment or system continuously transmits signals reasonably determined by Company to be false and/or excessive in number, Customer shall be subject to the additional costs and fees incurred by Company in the receiving and/or responding to the excessive signals and/or Company may at its sole discretion terminate this Agreement with respect to Monitoring services upon notice to Customer.

F. Communication Facilities.

i. **Authorization.** Customer authorizes Company, on Customer's behalf, to request services, orders or equipment from a telephone company, wireless carrier or other company providing communication facilities, signal transmission services or facilities under this Agreement (referred to as "Communication Company"). Should any third party service, equipment or facility be required to perform the Monitoring services set forth in this

Agreement, and should the same be terminated or become otherwise unavailable or impracticable to provide, Company may terminate Monitoring services upon notice to Customer.

ii. **Digital Communicator.** Customer understands that a digital communicator (DACT), if installed under this Agreement, uses traditional telephone lines for sending signals which eliminate the need for a dedicated telephone line and the costs associated with such dedicated lines.

iii. **Derived Local Channel.** The Communication Company's services provided to Customer in connection with the Services may include Derived Local Channel service. Such service may be provided under the Communication Company's service marks or service names. These services include providing lines, signal paths, scanning and transmission. Customer agrees that the Communication Company's liability is limited to the same extent Company's liability is limited pursuant to this Section 17.

iv. **CUSTOMER UNDERSTANDS THAT COMPANY WILL NOT RECEIVE ALARM SIGNALS WHEN THE TELEPHONE LINE OR OTHER TRANSMISSION MODE IS NOT OPERATING OR HAS BEEN CUT, INTERFERED WITH OR IS OTHERWISE DAMAGED OR IF THE ALARM SYSTEM IS UNABLE TO ACQUIRE, TRANSMIT OR MAINTAIN AN ALARM SIGNAL OVER CUSTOMER'S TELEPHONE SERVICE FOR ANY REASON INCLUDING NETWORK OUTAGE OR OTHER NETWORK PROBLEMS SUCH AS CONGESTION OR DOWNTIME, ROUTING PROBLEMS, OR INSTABILITY OF SIGNAL QUALITY. CUSTOMER UNDERSTANDS THAT OTHER POTENTIAL CAUSES OF SUCH A FAILURE OVER CERTAIN TELEPHONE SERVICES (INCLUDING BUT NOT LIMITED TO SOME TYPES OF DSL, ADSL, VOIP, DIGITAL PHONE, INTERNET PROTOCOL BASED PHONE OR OTHER INTERNET INTERFACE-TYPE SERVICE OR RADIO SERVICE, INCLUDING CELLULAR OR PRIVATE RADIO, ETC. ("NON-TRADITIONAL TELEPHONE SERVICE")) INCLUDE BUT ARE NOT LIMITED TO: (1) LOSS OF NORMAL ELECTRIC POWER TO CUSTOMER'S PREMISES (THE BATTERY BACK-UP FOR THE ALARM PANEL DOES NOT POWER TELEPHONE SERVICE); AND (2) ELECTRONICS FAILURES SUCH AS A MODEM MALFUNCTION. CUSTOMER UNDERSTANDS THAT COMPANY WILL ONLY REVIEW THE INITIAL COMPATIBILITY OF CUSTOMER'S ALARM SYSTEM WITH NON-TRADITIONAL TELEPHONE SERVICE AT THE TIME OF INITIAL CONNECTION TO COMPANY'S MONITORING CENTER AND THAT CHANGES IN CUSTOMER'S TELEPHONE SERVICE'S DATA FORMAT AFTER THE INITIAL REVIEW OF COMPATIBILITY COULD MAKE CUSTOMER'S TELEPHONE SERVICE UNABLE TO TRANSMIT ALARM SIGNALS TO COMPANY'S MONITORING CENTERS. IF COMPANY DETERMINES IN ITS SOLE DISCRETION THAT IT IS COMPATIBLE, COMPANY WILL PERMIT CUSTOMER TO USE NON-TRADITIONAL TELEPHONE SERVICE AS THE SOLE METHOD OF TRANSMITTING ALARM SIGNALS, ALTHOUGH CUSTOMER UNDERSTANDS THAT COMPANY RECOMMENDS THE USE OF AN ADDITIONAL BACK-UP METHOD OF COMMUNICATION TO CONNECT CUSTOMER'S ALARM SYSTEM TO THE MONITORING CENTER REGARDLESS OF THE TYPE OF TELEPHONE SERVICE USED. CUSTOMER ALSO UNDERSTANDS THAT IF COMPANY DETERMINES IN ITS SOLE DISCRETION THAT CUSTOMER'S NON-TRADITIONAL TELEPHONE SERVICE IS OR LATER BECOMES NON-COMPATIBLE, OR IF CUSTOMER CHANGES TO ANOTHER NON-TRADITIONAL TELEPHONE SERVICE THAT IS NOT COMPATIBLE, THEN COMPANY REQUIRES THAT CUSTOMER USE AN ALTERNATE METHOD OF COMMUNICATION ACCEPTABLE TO COMPANY AS THE PRIMARY METHOD TO CONNECT CUSTOMER'S ALARM SYSTEM TO THE MONITORING CENTER. CUSTOMER UNDERSTANDS THAT TRANSMISSION OF FIRE ALARM SIGNALS BY MEANS OTHER THAN A TRADITIONAL TELEPHONE LINE MAY NOT BE IN COMPLIANCE WITH FIRE ALARM STANDARDS OR SOME LOCAL FIRE CODES, AND THAT IT IS CUSTOMER'S OBLIGATION TO COMPLY WITH SUCH STANDARDS AND CODES. CUSTOMER ALSO UNDERSTANDS THAT IF THE ALARM SYSTEM HAS A LINE CUT FEATURE, IT MAY NOT BE ABLE TO DETECT IF A NON-TRADITIONAL TELEPHONE SERVICE LINE IS CUT OR INTERRUPTED, AND THAT COMPANY MAY NOT BE ABLE TO PROVIDE CERTAIN AUXILIARY MONITORING SERVICES THROUGH A NON-TRADITIONAL TELEPHONE LINE OR SERVICE. CUSTOMER FURTHER UNDERSTANDS THAT THE ALARM PANEL MAY BE UNABLE TO SEIZE THE PHONE LINE TO TRANSMIT AN ALARM SIGNAL IF ANOTHER CONNECTION IS OFF THE HOOK DUE TO IMPROPER CONNECTION OR OTHERWISE.**

G. Verification; Runner Service. Some jurisdictions may require alarm verification by telephone or on-site verification (Runner Service) before dispatching emergency services. In the event that a requirement of alarm verification becomes effective after the date of this Agreement, such services may be available at an additional charge. Company shall not be held liable for any delay or failure of dispatch of emergency services arising from such verification. Where Runner Service is indicated, such services may be provided by a third party. COMPANY WILL NOT ARREST OR DETAIN ANY PERSON.

H. Personal Emergency Response Service. If Customer has selected Personal Emergency Response Services, Customer agrees that the very nature of Personal Emergency Response Services, irrespective of any delays, involves uncertainty, risk and possible serious injury, disability or death, for

which Company should not under any circumstances be held responsible or liable; that the equipment furnished for Personal Emergency Response Services is not foolproof and may experience signal transmission failures or delays for any number of reasons, whether or not our fault or under Company's control; that the actual time required for medical emergency providers to arrive at the premises and/or to transport any person requiring medical attention is unpredictable and that many contributing factors, including but not limited to such things as telephone network operation, distance, weather, road and traffic conditions, alarm equipment function and human factors, both with responding authorities and with Company, may affect response

18. Limited Warranty. COMPANY WARRANTS THAT ITS WORKMANSHIP AND MATERIAL, EXCLUDING MONITORING SERVICES, FURNISHED UNDER THIS AGREEMENT WILL BE FREE FROM DEFECTS FOR A PERIOD OF NINETY (90) DAYS FROM THE DATE OF FURNISHING. Where Company provides product or equipment of others, Company will warrant the product or equipment only to the extent warranted by such third party. EXCEPT AS EXPRESSLY SET FORTH HEREIN, COMPANY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SERVICES PERFORMED OR THE PRODUCTS, SYSTEMS OR EQUIPMENT, IF ANY, SUPPORTED HEREUNDER. COMPANY MAKES NO WARRANTY OR REPRESENTATION, AND UNDERTAKES NO OBLIGATION TO ENSURE BY THE SERVICES PERFORMED UNDER THIS AGREEMENT, THAT COMPANY'S PRODUCTS OR THE SYSTEMS OR EQUIPMENT OF THE CUSTOMER WILL CORRECTLY HANDLE THE PROCESSING OF CALENDAR DATES BEFORE OR AFTER DECEMBER 31, 1999.

19. Taxes, Fees, Fines, Licenses, and Permits. Customer agrees to pay all sales tax, use tax, property tax, utility tax and other taxes required in connection with the equipment and services listed, including telephone company line charges, if any. Customer shall comply with all laws and regulations relating to the equipment and its use and shall promptly pay when due all sales, use, property, excise and other taxes and all permit, license and registration fees now or hereafter imposed by any government body or agency upon the equipment or its use. Company may, without notice, obtain any required permit, license or registration for Customer at Customer's expense and charge a fee for this service. If Customer fails to maintain any required licenses or permits, Company shall not be responsible for performing the services and may terminate the services without notice to Customer.

20. Outside Charges. Customer understands and accepts that Company specifically denies any responsibility for charges associated with the notification or dispatching of anyone, including but not limited to fire department, police department, paramedics, doctors, or any other emergency personnel, and if there are any charges incurred as a result of said notification or dispatch, said charges shall be the responsibility of Customer.

21. Insurance. Customer shall name Company, its officers, employees, agents, subcontractors, suppliers, and representatives as additional insureds on Customer's general liability and auto liability policies.

22. Waiver of Subrogation. Customer does hereby for itself and all other parties claiming under it release and discharge Company from and against all hazards covered by Customer's insurance, it being expressly agreed and understood that no insurance company or insurer will have any right of subrogation against Company.

23. Force Majeure, Exclusions. Company shall not be responsible for delays, interruption or failure to render services due to causes beyond its control, including but not limited to material shortages, work stoppages, fires, civil disobedience or unrest, severe weather, fire or any other cause beyond the control of Company. This Agreement expressly excludes, without limitation, provision of fire watches; reloading of, upgrading, and maintaining computer software; making repairs or replacements necessitated by reason of negligence or misuse of components or equipment or changes to Customer's premises; vandalism; power failure; current fluctuation; failure due to non-Company installation; lightning, electrical storm, or other severe weather; water; accident; fire; acts of God; testing inspection and repair of duct detectors, beam detectors, and UV/IR equipment; provision of fire watches; clearing of ice blockage; draining of improperly pitched piping; batteries; recharging of chemical suppression systems; reloading of, upgrading, and maintaining computer software; corrosion (including but not limited to micro-bacterially induced corrosion ("MIC")); cartridges greater than 16 grams; gas valve installation; or any other cause external to the Covered System(s) and Company shall not be required to provide Service while interruption of service due to such causes shall continue. This Agreement does not cover and specifically excludes system upgrades and the replacement of obsolete systems, equipment, components or parts. All such services may be provided by Company at Company's sole discretion at an additional charge. If Emergency Services are expressly included in the Service Solution, the Agreement price does not include travel expenses.

24. Delays. Company shall have no responsibility or liability to Customer or any other person for delays in the installation or repair of the System or the performance of our Services regardless of the reason, or for any resulting consequences.

25. Termination. Company may terminate this Agreement immediately at its sole discretion upon the occurrence of any Event of Default as hereinafter defined. Company may also terminate this Agreement at its sole discretion

upon notice to Customer if Company's performance of its obligations under this Agreement becomes impracticable due to obsolescence of equipment at Customer's premises or unavailability of parts.

26. No Option to Solicit. Customer shall not, directly or indirectly, on its own behalf or on behalf of any other person, business, corporation or entity, solicit or employ any Company employee, or induce any Company employee to leave his or her employment with Company, for a period of two years after the termination of this Agreement.

27. Default. An Event of Default shall include 1) any full or partial termination of this Agreement by Customer before the expiration of the then-current Term. 2) failure of the Customer to pay any amount within ten (10) days after the amount is due and payable. 3) abuse of the System or the Equipment. 4) failure by Customer to observe, keep or perform any term of this Agreement; 5) dissolution, termination, discontinuance, insolvency or business failure of Customer. Upon the occurrence of an Event of Default, Company may pursue one or more of the following remedies, 1) discontinue furnishing Services, 2) by written notice to Customer declare the balance of unpaid amounts due and to become due under the this Agreement to be immediately due and payable, provided that all past due amounts shall bear interest at the rate of 1 ½% per month (18% per year) or the highest amount permitted by law, 3) receive immediate possession of any equipment for which Customer has not paid. 4) proceed at law or equity to enforce performance by Customer or recover damages for breach of this Agreement, and 5) recover all costs and expenses, including without limitation reasonable attorneys' fees, in connection with enforcing or attempting to enforce this Agreement.

28. One-Year Limitation on Actions; Choice of Law. It is agreed that no suit, or cause of action or other proceeding shall be brought against either party more than one (1) year after the accrual of the cause of action or one (1) year after the claim arises, whichever is shorter, whether known or unknown when the claim arises or whether based on tort, Agreement, or any other legal theory. The laws of Massachusetts shall govern the validity, enforceability, and interpretation of this Agreement.

29. Assignment. Customer may not assign this Agreement without Company's prior written consent. Company may assign this Agreement without obtaining Customer's consent.

30. Entire Agreement. The parties intend this Agreement, together with any attachments or Riders (collectively the "Agreement") to be the final, complete and exclusive expression of their Agreement and the terms and conditions thereof. This Agreement supersedes all prior representations, understandings or agreements between the parties, written or oral, and shall constitute the sole terms and conditions relating to the Services. No waiver, change, or modification of any terms or conditions of this Agreement shall be binding on Company unless made in writing and signed by an Authorized Representative of Company.

31. Headings. The headings in this Agreement are for convenience only.

32. Severability. If any provision of this Agreement is held by any court or other competent authority to be void or unenforceable in whole or in part, this Agreement will continue to be valid as to the other provisions and the remainder of the affected provision.

33. Electronic Media. Customer agrees that Company may scan, image or otherwise convert this Agreement into an electronic format of any nature. Customer agrees that a copy of this Agreement produced from such electronic format is legally equivalent to the original for any and all purposes, including litigation. Customer agrees that Company's receipt by fax of the Agreement signed by Customer legally binds Customer and such fax copy is legally equivalent to the original for any and all purposes, including litigation.

34. Legal Fees. Company shall be entitled to recover from the Customer all reasonable legal fees incurred in connection with Company enforcing the terms and conditions of this Agreement.

35. License Information (Security System Customers): AL Alabama Electronic Security Board of Licensure 7956 Vaughn Road, PMB 392, Montgomery, Alabama 36116 (334) 264-9388; AR Regulated by: Arkansas Board of Private Investigators and Private Security Agencies, #1 State Police Plaza Drive, Little Rock 72209 (501)618-8600; CA Alarm company operators are licensed and regulated by the Bureau of Security and Investigative Services, Department of Consumer Affairs, Sacramento, CA, 95814. Upon completion of the installation of the alarm system, the alarm company shall thoroughly instruct the purchaser in the proper use of the alarm system. Failure by the licensee, without legal excuse, to substantially commence work within 20 days from the approximate date specified in the agreement when the work will begin is a violation of the Alarm Company Act: NY Licensed by the N.Y.S. Department of the State: TX Texas Commission on Private Security, 5805 N. Lamar Blvd., Austin, TX 78752-4422, 512-424-7710. SUMMARY SHEET

RECOMMENDATION TO SUPERINTENDENT FOR SCHOOL BOARD AGENDA

AGENDA ITEM NO. 10c

Date of School Board Meeting: January 24, 2017

TITLE OF AGENDA ITEM: Annual Certification of Facilities Data

DIVISION: Department of Facilities

(Example: Secondary Education, Property Records, etc.)

 This is a CONTINUATION of a current project, grant, etc.

PURPOSE AND SUMMARY OF ITEM: Board approval for the Annual Certificate of Facilities Data through the Department of Education (FISH Report).

FUND SOURCE: N/A

AMOUNT: N/A

PREPARED BY: Bill Hunter

POSITION: Director of Facilities

INTERNAL INSTRUCTIONS TO BE COMPLETED BY PREPARER

1 Number of ORIGINAL SIGNATURES NEEDED by preparer.

SUPERINTENDENT'S SIGNATURE: page(s) numbered Page 2

CHAIRMAN'S SIGNATURE: page(s) numbered Page 2

Be sure that the COMPTROLLER has signed the budget page.

Commissioner of Education

MEMORANDUM

TO: District School Superintendents
District Facilities Planners

FROM: Linda Champion 

DATE: January 5, 2017

SUBJECT: Annual Certification of Facilities Data

Section 1013.31(1)(d), Florida Statutes, states in part, "...School districts shall periodically update their inventory of educational facilities...." Section 6.1(5)(c), State Requirements for Educational Facilities (SREF) 2014, requires that, "Prior to April 1 of each year, each district shall review the Florida Inventory of School Houses (FISH) and shall certify to the Office of Educational Facilities (OEF), that the inventory is current and accurate."

Accurate facilities data is essential in our analyses of the need for class size reduction and the determination of Public Education Capital Outlay (PECO) maintenance requirements, which ultimately result in legislative funding. Any FISH errors can significantly influence funds the district will receive, and will distort all analyses made from FISH data.

Please return the attached form, signed by the appropriate officials, before April 1, 2017. The district superintendent and the board chair must sign the certification; the signature of the director of facilities planning is optional.

If you have any questions concerning the process or inventory, please contact Ms. Violet Brown, senior educational program director, OEF, at 850-245-9232 or violet.brown@fldoe.org.

Thank you for your assistance in this matter.

FLORIDA DEPARTMENT OF EDUCATION
OFFICE OF EDUCATIONAL FACILITIES
FLORIDA INVENTORY OF SCHOOL HOUSES
CERTIFICATION OF FACILITIES DATA

WHEREAS, Section 1013.03(3), F.S., states in part that the Department of Education must, "Require boards to submit other educational plant inventories data...."

WHEREAS, Section 1013.31(1)(d), F.S., states in part, "...School districts shall periodically update their inventory of educational facilities...."

WHEREAS, State Requirements for Educational Facilities, Section 6.1(5)(c) requires that, "Prior to April 1 of each year, each district shall review the Florida Inventory of School Houses and shall certify to the Office that the inventory is current and accurate."

THEREFORE, on behalf of the School Board of Gadsden County, the authorized representatives whose signatures appear below hereby certify that, to the best of their knowledge, the educational facilities inventory data for the district contained in the Florida Inventory of School Houses is current and accurate pursuant to applicable statutes and rules.

2017 SECOND GRADE END OF THE YEAR TRIP

Purpose: We will discover an adventure in learning with Wild Adventures' incredible education programs! We will explore 20 giant, prehistoric dinosaurs! Dinosaur Explore is included with admission. Wild Adventures will also provide us with educational materials and lessons to support our experience.

The student will experience fun, interactive learning in a one-of-a-kind setting. They will also experience several exciting educational programs like: Alapaha Trail, Safari Petting Zoo, Tigers of India, Butterfly Garden and Fun with Physics at your chosen achievement level.

2017 SECOND GRADE END OF THE YEAR TRIP

To celebrate the successes and hard work of our students, an end of the year field trip to Wild Adventures in Valdosta, Georgia has been planned. **This special event will take place on Friday, May 12, 2017. We will be leaving promptly at 8:00am and returning at 5:00pm.**

- **Limited space available. First come, first serve.**
- **Field Trip is based on behavior.**

TRIP COST

The total cost of this trip will be \$100 per student

This cost covers:

- The Bus Admission Buffet Lunch/Snack

PAYMENTS

You may make one full payment of \$100 if you choose, or you may pay in installments.

Friday, January 27, 2017

A non-refundable deposit payment of \$50.00 is due.

Monday, March 24, 2017

A second payment of \$25.00 is due.

Monday, April 21, 2017

A final payment of \$25.00 is due.

Sign, detach and return this portion to school

I have read the information above and give my permission for _____
(student's name)

to attend the field trip. I agree to make one full payment pay in installments. If paying in installments, I agree to the above payment schedule. Full payment is due on the first installment date. Enclosed, please find cash in the amount of _____. I also give my permission for _____ to receive emergency medical treatment if needed. In case of an emergency please contact:

Name: _____

Phone: _____

Parent/Guardian Signature: _____

Date: _____

WILD ADVENTURES

THEME PARK

Lorikeet Landing

There are many birds to discover in Lorikeet Landing. Can you find some of them?

Black Cap Lorikeets

Budgie

Red Billed Hornbill

Rainbow Lorikeet

Goldies Lorikeet

Golden Pheasant

Red Crested Turaco

Fun Facts:

- Budgies are originally from Australia and are popular pets.
- The character Zazu, in the movie The Lion King, is a red-billed hornbill.
- Golden pheasants colors can fade if they are exposed to sun for long amounts of time. The forests they live in protect their vibrant colors.
- The Red Crested Turaco's call sound somewhat like a monkey.
- The Rainbow Lorikeet is a true parrot and primarily likes to eat seeds.
- Lory or lorikeet? The difference between the two is approximately the same as the difference between a parrot and a parakeet. Lory generally refers to a bird with a short tail, while lorikeets have a long tail. The words are synonymous.

What other birds and fun facts did you discover?

Litter and You

Litter is the careless discard of refuse; it is misplaced, abandoned, or discarded waste.

What you throw out today can still be found on this earth for thousands of years to come.

- Glass bottles can take 1 million years to decompose.
- A plastic foam cup takes more than 500 years.
- Aluminum cans decompose in 200 – 500 years.
- Plastic bags: 10 – 20 years
- Cigarette butts: 1 – 5 years
- A piece of paper: 2-4 weeks
- Rubber boot sole: 50-80 years
- Nylon fabric: 30-40 years
- Plastic 6-pack cover: 450 years

In just four days in April 2001, the Georgia Department of Transportation collected over 79,000 bags of trash. The weight of the trash equals the weight of 12 average elephants and stacks as high as five Mount Everests.

Georgia residents use about 6.3 pounds of garbage a day.

There are 11 Litter Control Laws in Georgia. If you are found guilty of littering you can face fines up to \$1000 and can be ordered to pick up the litter in your community for community service.

In the fiscal year of 2003, the GDOT estimated the cost of litter to be 17 million dollars.

Trash from cars includes cigarette butts, fast food paper products, and beverage cans.

As the traffic in Georgia increases, so does the cost to keep our roadsides clean. The DOT estimates that an increase of 20% each year is the rising cost of litter in our state.

The Georgia DOT is responsible for maintaining 18,000 center lane miles in state routes and 5,000 shoulder miles of interstate roadsides. If every person does their part in litter control, the state could save nearly \$3 million annually just in Atlanta alone.

During the Great American Clean-Up crew dedicated 60,000 hours of picking up to 107,631 bags of litter statewide, at a cost of \$900,000 for a one week period of time in April 2003.

What about You?

There are many ways for that one person can help keep Georgia beautiful.
What can you do?

- **Take an active role in your community**
 - Volunteer to pick up trash
 - Find ways to recycle materials, rather than throwing them away
 - Newspapers, ink cartridges, plastic, cell phones
 - Inform others about their role in controlling litter
 - Don't throw litter from your car

- **Take an active role at your school**
 - Pick up litter from around the school
 - Recycle computer paper, soda cans, and plastic bottles
 - Tell other students about the importance of waste

- **Take an active role at your house**
 - Separate trash from recyclable materials
 - Purchase recycled products
 - Place trash in waste receptacles
 - Get your family involved

- Education and an active role in your community are the most important tools to help keep Georgia beautiful. Be a part of a winning team and do your part!

To Learn More about Litter

To become an active participant in the fight against litter, education is the key. Take time to explore the resources listed and find a role that interests you to keep Georgia beautiful.

ACTIVITIES

ACTIVITY 1: GEORGIA FACTS

Keeping Georgia clean is a statewide effort by all Georgia citizens. How much do you know about the beautiful state of Georgia?

WORD BANK

Jimmy Carter	Atlanta	\$14 million	6.3 pounds
Brown thrasher	live oak	59,441 sq miles	January 2, 1788

1. Each resident in the state of Georgia approximately disposes of _____ of trash each day.
2. _____, the 39th president of the United States was born in Plains, Georgia on October 1, 1924. He is a spokesman for the organization Habitat for Humanity. He hosts a Habitat for Humanity International Day one week a year, which has built more than 200,000 homes worldwide.
3. The _____ is the state bird and the mascot for Litter. It Costs You campaign.
4. It costs an estimated _____ a year to keep Georgia litter free.
5. On _____, the state of Georgia became the 4th state to become part of the United States.
6. _____ is the capital of Georgia.
7. There are _____ of beautiful land in the state of Georgia.

ACTIVITY 2: WILD ABOUT RECYCLING

Recycling can be found throughout Wild Adventures. At Wild Adventures, our team members are busy reusing materials to make our park beautiful and the experience enjoyable for all guests. The animal stage is made from reused warehouse pallets and crates. The wood is taken apart and used to create the beautiful background of the animal stage. In the Alapaha Trail, you can see many examples of recycling. The lemurs frolic in an enclosed area filled with climbing rocks, vines, and waterfalls. The climbing rocks were made of recycled tires. The education stations are framed with wood from crates in the warehouse. The water in the waterfalls are cycled from the ponds and used in a continuous loop for the cascading falls that many guests love to admire. Our team members work hard to make the park beautiful and to find creative ways of using materials that other people would disregard and throw away.

Circle the correct answer.

1. What do the team members use to create the animal habitats?
SHOES TIRES PLASTIC NEWSPAPER
2. What materials are used to create the background to the animal stage?
CRATES TIRES PALLETS TARPS
3. What are the different elements that Wild Adventures reuses?
SHOES TIRES NEWSPAPER CRATES HUSKS
4. What material is used in a continuous loop?
FEED LEAVES WATER GRASS TIRES

ACTIVITY 3: HOW IT ALL STACKS UP

Answer each math word problem. Include the plan you use to find your answer.

1. If there are 18,000 people in the park one summer day and half of those people drop one cup and one napkin each on the ground, how many pieces of trash will be on the ground? _____
2. Straws and lids are not offered in the park because they could potentially hurt the animals, if swallowed. If a group of 100 students are visiting the park and 25% of them have lids and 10% have straws, how many students would potentially be endangering the animals? _____
3. Wild Adventures team members make sure the park is beautiful for the guests to enjoy. If 18 team members collect 9 pieces of trash each, how much trash will the team members collect? _____
4. If the one contains 1,000 gallons of water and the heat of the sun absorbs 20% of the water, how many gallons of water will remain to be used again? _____

ACTIVITY 4: LITTER LOTTERY

Many items can be found in the trash containers throughout the park. Create a table chart using tally marks and a bar graph to show the various items found.

CUPS- 16 POPCORN BOXES- 9 COTTON CANDY BAGS- 5
 NAPKINS- 11 FOOD CARTONS- 13

Table Chart:

ITEM	AMOUNT
CUPS	
POPCORN BOXES	
COTTON CANDY BAGS	
NAPKINS	
FOOD CARTONS	

Bar Graph:

Wild Adventures Petting Zoo

Our popular petting zoo allows you to get up close and personal. There are many different animals in the petting zoo throughout the year such as goats, sheep, chickens and rabbits.

Fill in the blanks:

Kitten	Milk	Hair	Wool
Eggs	Ears	Cheese	Grass

Goats

The African Pygmy Goat can produce over half a gallon of _____ a day. The milk is higher in fat and protein content than cow's milk and is known for making good butter, _____, and soaps. They are a smaller breed of goat.

Sheep

Hair sheep are not a cross between sheep and goats. They have the same number of chromosomes as wooled sheep. The primary difference between hair sheep and wooled sheep is the ratio of hair to wool fibers. All sheep have both types of fibers. Hair sheep have more _____ fibers and wool sheep have more _____ fibers. Wooled sheep need sheared. Hair sheep do not.

Chickens

There are 30 known types of chickens and hundreds of chicken breeds in existence. The physical traits used to distinguish chicken breeds are size, plumage color, comb type, skin color, number of toes, amount of feathering, earlobe color, egg color, and place of origin. They are also roughly divided by primary use, whether for _____, meat, or ornamental purposes, and with some considered to be dual-purpose.

Rabbits

There are many species of rabbit. The male is called a buck and the female is a doe; a young rabbit is a _____ or kit. Half the world's population is in North America. They have long _____ for better hearing and very strong back legs to protect themselves. Rabbits are herbivores, which means they eat by grazing on _____ and leafy weeds.

WILD ADVENTURES

Greetings Parents and Students,

The East Gadsden High School students will be going to Wild Adventures Theme Park for our end of the year field trip on April 28, 2017. The bus will be leaving the school at 8:00 a.m. and will be returning at 7:00 p.m. The cost to get into the theme park and lunch will be \$36.25. You may pay in installments. **The deadline for all money will be on April 5, 2017. There will be no refunds.** Also, the students will need to bring extra spending money for souvenirs.

Thank You,

Ms. Rosalyn Collins

East Gadsden High School Teacher

I give permission for my child, _____ to attend the field trip to Wild Adventures Theme Park in Valdosta, Georgia. Every precaution will be taken to ensure your child's safety.

Lesson Plans

Teacher: Ms. Rosalyn Collins Subject: Learning Strategies Grades: 9th-12th

Dates: April 13th-28, 2017

1st, 2nd, 6th and 7th pd. Learning Strategies

3rd and 4th Pull-Outs/Inclusion (5th Planning)

Learning Targets :(What will the students know, and be able to do after this lesson?) (Continuance on targets)

- **The students will learn how to determine the meaning of words and phrases.**
- **The students will learn how to determine a central idea of a text.**
- **The students will learn the aspects of reading strategies through videos and PowerPoints.**
- **The students will increase their social developmental skills through global awareness by attending the field trip at Wild Adventures Theme Park.**

Questioning: (Three thought provoking questions used in your lesson.)

- 1. How can you use pictures and context clues to assist with decoding of new words?**
- 2. Explain how fluency affect your reading comprehension.**
- 3. Analyze what readers do when they do not understand everything in a text.**
- 4. Evaluate what observations were made during the Wild Adventures field trip that enhanced your awareness?**

HOMEWORK: MAIN IDEA/CONTEXT CLUES HANDOUT

Field Trip Activities Follow-Up on Monday 5-11-2015:

The students will complete Compare/Contrast Venn Diagrams

The students will journal write in regards to the field trip in the form of a newspaper article, diary format or a letter to a friend.

Vocabulary: (What words will the students need to know, and use during the lesson today?)

SIMPLETON, DREADFUL, TRANSPARENT, STAMMER, PRIMORDIAL, RESTRICTION, CONCENTRATIONS, ENVIRONMENTAL, GLOBAL, AWARENESS, SOCIAL SKILLS

Writing: (How students will write in each class?)

Journal

10 min.

Other: Write objective summaries; Write detailed paragraphs on the discussion questions

AGENDA

Bellringer: Journal Writing, Edits, Discussions, Videos, Grammar Checks, Comprehension Checks; Homework Review; Time: 5 Minutes

Introduction/Hook: Brainstorming

Time: 5 min.

Modeling: (Teacher do) How will you scaffold instruction for all students. What is happening in your class? Think Alouds, Discuss Text Markings, Context Clues PowerPoints, Reading Strategy PowerPoints, and Main Idea PowerPoints Time: 10 min.

Guided Practice: (Teacher and Student Do) What is happening in your class? Discuss Vocabulary Words, Reading Groups, Guided Reading Strategies Time: 10 min.

Independent Practice: (Student Do) What is happening in your class? Venn Diagrams, Graphic Organizers, Context Clues Activities, Compare/Contrast Activities, Main Idea Activities, Frayer Models Time: 20 min.

Closure: (At the end of this lesson how will the students remember what was taught?)

Exit Slip

Other: Summarize the lesson

Remediation: (How will you reteach to struggling students?)

Small Group/One-on-One

Acceleration: (How will you teach students who have already mastered the concept?)

Higher Order Thinking Main Idea and Context Clues Activities

Assessment Strategies: (At the end of this lesson how will you know what the students learned?)

Written Work

Other: Quizzes/Tests; Written Work; Presentations; Individual Practice

Instructional Strategies :(After the lesson, what do you want to remember about the lesson?)

Directed Instruction

Other: Modeling; Word Wall; Differentiated Instruction; Higher Order Thinking; Questioning Techniques; Technology

Data: (Benchmark test results, pre-test results, etc.)

Assessments:

Materials: (At the end of this lesson how will the students remember what was taught?)

Smartboard/Smart Responders

Compare/Contrast PowerPoints

Main Idea PowerPoints

Context Clues PowerPoints

Main Idea/Supporting Details Handouts

Context Clues Handouts

Reading Exercises (Multiple Choice Questions and Written Responses)

Reflection (After the lesson, what do you want to remember about the lesson):

1. How did student work connect to other disciplines and or real life?

The students work will connect to other disciplines because it exposed them to the same type of disciplines that they will see in their general educational classrooms.

2. How did this lesson reflect academic rigor?

The students will be exposed to using higher order thinking skills.

3. How did this lesson impact student learning?

The students have not been taught the lesson yet.

4. How did this lesson engage students in collaborative learning and enhance their collaborative learning skills?

The students will work in collaborative groups.

5. How will you use these learning experiences or student products as formative assessments?

I will use those learning experiences as a formative assessment by using the results as a pretest, mid-assessment and post-assessment data.

6. What quality feedback did you gain from the assessment?

As a teacher, I will learn whether or not the students picked up on the concept of main idea and context clues when I teach and re-teach the material.

7. How will you adjust instruction to reteach and retest for mastery?

Instruction will be re-adjusted by re-teaching the material until the students have mastered the material and the use smaller group time will be incorporated.

8. What evidence proved the students "got it"?

A score of 80 or more

9. How will you accelerate instruction for students who got it?

Move them on to a higher level of main idea /context clues skills

Common Core Standards: (Written out with numbers)
