**Welcome**

This student handbook is published and issued to students each year to serve as a guide for information, requirements, and procedures to be followed at Northside Middle School. This handbook is a supplement to the Student Handbook for Middle Schools published and distributed by the Houston County Board of Education. Both are available for your review at [www.hcbe.net](http://www.hcbe.net). It is our hope that the information found in this handbook will meet with the approval of parents and students. However, disagreement with a policy or procedure will not be grounds for ignoring or failing to comply with this area of school life. We look forward to working in a spirit of cooperation with all students and parents to challenge you and develop you to your full potential. We are here for you. Our expectation is for all students to have the best school year possible. We encourage all students to make good decisions. Remember, this is your school – take pride in it! Since 1970, Northside Middle School has built a tradition of excellence. Many students before you have traveled these same halls and classrooms preparing for success in all phases of life. Keep this tradition alive. We expect you to have a GREAT year. We desire to inspire! We expect success!

### **ACTIVITIES AFTER SCHOOL HOURS**

A number of after school activities will be planned for the enjoyment and social development of students. Northside Middle School feels that these activities constitute an integral part of the total development of young people. These activities will include club projects, class projects, social events, athletic and other school related functions. Transportation must be provided by the parent/guardian. Any student that is unable to be picked up within 30 minutes following any after school activity will be unable to attend the next after school event. (Principal's discretion will apply.)

1. All school rules apply to school activities after regular school hours.
2. Guests from other schools must also follow NMS rules.
3. Students should remain seated at athletic events and be considerate of others. Students may visit the concession stand or restroom. However, lingering in these areas is strictly forbidden.
4. Once in the gym or on the field, students who leave and return must pay to get back in the event.
5. Attendance at an after-school activity should be for the enjoyment of the activity. Students will be required to leave without refund if their actions indicate other intentions or interests.
6. State standards specify that all athletic events during the school week must be over no later than 6:45 p.m. Students must be picked up promptly.
7. Special dances are held throughout the school year. DANCES ARE FOR NORTHSIDE MIDDLE STUDENTS ONLY! Times will be announced prior to the event. Students should be picked up promptly.
8. Students must be counted present for the day in order to participate in any school activity.
9. Students assigned ISS are not allowed at school functions and may not participate in extracurricular activities beginning on the first day of ISS and ending upon completion of the last assigned day.

### **BREAK**

Everyday each grade level will have a scheduled break during the morning. A snack is suggested during this time. Break will take place in the

classrooms until further notice. Snacks will be available to purchase during this time.

### **AGENDAS**

At NMS, student agendas are used to keep track of class work, homework assignments, important dates, and as a hall pass. The agenda can be used as a communication tool for both parents and teachers. The student agenda will also allow our school personnel to track the amount of time and frequency students are out of class.

### **ATTENDANCE**

Student achievement and school attendance go hand in hand. It is most important that students be in school unless there are legitimate reasons for their absence. Georgia law allows for student's absences to be excused only for the following reasons: Personal illness, illness in the immediate family, death in the family, recognized religious holidays, and court order.

Upon return to school after an absence, students must present a note from parents to the first period teacher within three days. The note must contain the following:

- Name of Student
- Date (of return to school)
- Date(s) of absence
- Reason for absence
- Signature of parent

If a student is absent and does not bring a written excuse within three days upon return to school, the absence will be considered unexcused. Missed assignments cannot be made up when the absence is unexcused. The school may refer students with excessive absences to the school social worker. At five unexcused absences a student will be placed on a truancy contract. Students who have extended absences because of illness or accidents may apply for admission to the Hospital/Homebound Program. Our counselor has all the information concerning eligibility for this program.

Parents may apply for a prearranged, unexcused absence in instances where it is absolutely necessary for the student to be out of town. This must be done PRIOR to the absence by sending a letter of request to the principal explaining the reason for the student's impending absence. A pre-arranged absence allows a student to make up work missed but counts toward a student's total absences.

### **Compulsory Attendance:**

Georgia Compulsory Attendance Law mandates that all students between the ages of 6 and 16 attend school. All students missing more than five unexcused days in Georgia are declared truant by law. Guidelines for attendance are as follows:

**Level I: Three (3)** unexcused absences - School staff will contact parents via email, phone call or teacher notification form and document the contact.

**Level II: Five (5)** unexcused absences - School staff will notify parent of the truancy and request a conference where parents must sign a Truancy Contract.

**Level III: Eight (8)** unexcused absences - School staff notifies Social Services Department who will then provide the information to the court for judicial proceedings to begin.

*\*To receive an award for Perfect Attendance, a student may be neither absent nor tardy, nor may he/she be dismissed before the end of the instructional day.*

**To be eligible for promotion to the next grade, students in grades K-8 are expected to achieve 95 percent attendance or no more than 9 days absent. Students who achieve 90-94 percent attendance (10-18 days absent) may be promoted at the discretion of the building principal. Students who achieve less than 90 percent attendance may not be promoted to the next grade. Parents of students affected by this rule may request a review of the circumstances. This request must be made in writing to the principal of the school no later than five (5) days after the end of the school year. Appropriate documentation should accompany the request. The matter will be adjudicated as outlined in the middle school procedures manual.**

### **BICYCLES**

Students may ride bicycles to school. Upon arrival at school, students must get off and walk their bicycle to park in the designated area, lock it, and leave it until time to go home. Students should not lock more than one bicycle with the same lock. Students should not ride bikes on campus. Riding of bicycles around and through the campus in the morning, during and after school is forbidden. The school is at no time responsible for damage or loss of a bicycle.

### **ATTENDANCE ZONES**

Students must attend school in the attendance zone in which they live. Proof of residence may be requested by the school. If either of the natural parents live in Houston County, the student must attend the school in which the residence of the natural parent(s) is located without regard to whether the student lives with the parent or a guardian; or if both parents live in Houston County and are separated, divorced or living apart for any reason, the child must attend the school in the zone in which the adult resides who has physical custody under a court order on a temporary or permanent basis. The school **MUST** be notified if students move during the school year.

### **AWARDS AND STUDENT RECOGNITION**

At Northside Middle School we believe it is very important to celebrate the success of our students. In order to do so, we have implemented various recognition programs to be held throughout the year. Teachers, administrators, and outside agencies select award recipients. It is our intent to recognize deserving students.

### **BOOK BAGS**

Book bags should not be excessive in size. No book bags with wheels. Students will be permitted to take their book bags around with them throughout the school day.

### **ARRIVAL PROCEDURES**

Students may arrive at school no earlier than 7:00 a.m. Between 7:00 – 7:30, parents providing transportation must drop-off students at the front of the building. Students will be given breakfast in designated areas of the building. Students not in first period by 7:30 are considered tardy and will report to the office to sign-in.

### **HOMEWORK**

Learning is important and should continue after school hours. Homework may be assigned daily and should in no way be viewed as punishment but as a way of encouraging and extending learning. Homework is provided for several reasons: To provide extra practice on learned skills, further learning in areas covered in the classroom, opportunity for students to learn good work habits, opportunity for growth in responsibility, and to provide parents an opportunity to see what children are studying and how well they are doing.

## **BUS INFORMATION**

Students are expected to cooperate and use common sense while riding the bus. The bus driver is in charge at all times. Students are to follow the rules and listen to the instructions given to them. Please read the information on Bus Conduct in the HCBE handbook. School bus transportation is a privilege. Students will be disciplined for misbehavior and may be suspended from riding the bus. When a student is denied bus transportation due to misconduct, his/her absence from school is not excused. Students must ride their assigned busses. Ultimately, all discipline procedures are at the discretion of the principal and depends on the severity of the offense.

**First Sign of Student Misbehavior:** The bus driver will make contact with the parent to ask for help with the student. The driver will document the specific elements of the incident and document the conversation with the parent.

**First Bus Report:** A conference may be held with the school official, parent, and driver. A contract may be executed between student, parents, and school.

**Second Bus Report:** One (1) day off bus.

**Third Bus Report:** Three (3) days off bus.

**Fourth Bus Report:** Five (5) days off bus.

**Fifth Bus Report:** Seven (7) days off bus.

**Sixth Bus Report:** Ten (10) days off bus.

**Seventh Bus Report:** Off bus the remainder of the year.

\* This is a suggested progressive discipline system that comes with principal discretion.

Please be aware that a student may be suspended from the bus for 1-10 days on the first report if the principal determines the incident warrants suspension.

## **CELL PHONE / ELECTRONIC DEVICE USE**

Electronic devices may not be carried on your person during the school day. Cell phones should remain powered off and kept in student's book bag during the day. Any unauthorized use of a cell phone or electronic device, including recording classroom activities or any events on campus, will be subject to school discipline – which will include confiscation of the cell phone or electronic device and ISS will be assigned. NMS IS NOT RESPONSIBLE FOR ANY LOST OR STOLEN CELL PHONES OR ELECTRONIC DEVICES.

## **CONFERENCES**

If parents would like to meet with a teacher, they should call the academic team leader at 929-7845 to arrange an appointment. Each teacher is assigned a telephone extension number that will be posted on our website. In order to promote the middle school team concept, all conferences are held during connections time and all team teachers are present.

## **COUNSELING AND GUIDANCE SERVICES**

Our guidance/counseling program is designed to meet the needs of all our students. It is driven by data and follows the curriculum of the American School Counselor Association. Our mission is to provide all students direct counseling services that will facilitate their academic, personal/social, and career development so they will enjoy success both in the present and in the future. Our school counselors provide:

- Classroom guidance
- Individual counseling
- Student support team (SST)
- Small group counseling
- Crisis intervention
- Teacher/parent consultations

## **EARLY DISMISSALS**

If at all possible, parents should schedule appointments for after school hours. To help provide the most orderly environment possible for our entire school, we will not call students out of class for an early dismissal after 2:30. Students must be picked up in the office, and parents/guardians are required to show picture identification. Parents will also sign the early dismissal sheet for safety reasons. A student will not be called to the office until a parent/designee arrives to pick him or her up. If a student returns the same day, he or she must first come to the office to sign back in and get an admittance slip. If you are picking up your child who usually rides a bus, it needs to be done before 2:30. For safety reasons, we cannot allow student to be taken off the bus.

## **BREAKFAST**

Every student will be provided a free breakfast. We will have grab-n-go stations set up for students as they enter the building.

### **FIGHTING**

Fighting is not acceptable and it will not be tolerated at NMS. Fighting will result in harsh penalties for those individuals involved. Slap-boxing is considered a form of fighting. Punishment will include being suspended home the day of the fight, an additional day of home suspension, days of ISS upon returning, and possible ticket issued by law enforcement. Fines associated with a ticket for fighting are payable to the Juvenile Court of Houston County. In addition, any student involved in a fight at NMS may be prohibited from participating in any dance, field trip, battle of the jets, or 8<sup>th</sup> grade day for the remainder of the year for which the fight occurs.

### **FLOWERS/BALLOONS**

The delivery of flowers and balloons to students at school is not permitted. This is a Houston County Board of Education policy.

### **GRADING SCALE**

*Report card grades are based on a student's mastery of standards along with a teacher's professional judgment.*

A = 100-90 = exceeds standards

B = 89-80 = meets standards

C = 79-70 = in progress

F = 69-50 = does not meet standards and/or no evidence of mastery

I = student work is "in progress" based on learning contract and/or no evidence of mastery

### **DISCIPLINE**

**The school system reserves the right to punish behavior which is subversive to good order and discipline in the schools.**

Northside Middle School expects students to learn appropriate behavior and use it each day. The following guidelines will help each student stay focused on their educational opportunities.

1. Obey the rules of the school and individual classrooms.
2. Be regular in attendance and on time to class.
3. Come prepared to each class with book, paper, pen/pencil, and homework assignment.
4. Study the lessons of your classes each day.
5. Do not use another student's work and claim it as your own. Plagiarism will not be tolerated. Do your own work.
6. Follow dress code expectation. See the **Dress Code Requirements**.

7. Use good manners as you pass through the halls, cafeteria, and other areas of the school. Don't run, shove, shout, scream, or act in a way that creates disorder in the school.
8. Show respectful behavior to the adults working in the school. When they give you instruction about your behavior, pay attention, and do as you are told. This includes all adults in the building.
9. Show respect to other students in the school. Treat them the way you want to be treated.
10. Use courtesy during assemblies and other group meetings. Stop talking when the program begins, pay attention to the speaker or program, use appropriate applause when the program is finished.
11. Do not verbally or physically intimidate, threaten, harass, or assault any other student. If you are being "pushed" or feel there is a risk to your safety, report it to an adult in the school or have your parents report it to the office.
12. Do not bring items to school to sell. Do not borrow items from others without getting permission.
13. If you become aware of some situation that makes you feel unsafe, TELL US! Come to the office, speak to an adult in the hall, or find some reason to come to the office so that you can give us the information.
14. If you bring something to school by mistake, and you know you should not have brought it, bring it to a teacher or to the school office immediately. *What determines a "mistake?" If you are showing it around to other students, bragging or laughing about having it, and you do not turn it in, "It's NOT a mistake."*

*NOTE: The administration, faculty, and staff reserve the right to reprimand students when guidelines, rules and regulations are not followed. Giving false information to staff members will result in disciplinary action. The Houston County School System endeavors to provide a safe and secure environment for all students. The Board authorizes reasonable searches of students and their possessions. The Board authorizes random searches of board owned property such as lockers, desks and other such property that may be assigned to students.*

## DRESS CODE

There is a positive relationship between a neat, appropriate appearance and a good learning environment. All students are encouraged to take pride in themselves and in their school work. Failure to comply with the Houston County dress code policy will result in disciplinary action. Principals are given sole discretion in the determination of proper and improper dress of students. The dress, apparel, or grooming must not be detrimental to the educational climate or to the health and safety of the student or other students. In addition, the administration reserves the right to require students to wear a belt in their pants if the pants are oversized at the waist. Sagging pants will not be tolerated. Belt buckles cannot be oversized. (1 ½ inches is the maximum). Hoods may not be worn in the building. ***The Principal's discretion applies to all of the above.***

Note: Dress Code Policies are enforced at all school related functions unless other notice is given. Final decisions and judgments concerning appropriate dress are made at the discretion of the administration. Students who violate dress code will be asked to call their parents for a change of clothing; if parents cannot bring appropriate clothing, the student may be placed in ISS for the day. Students who arrive at school with unacceptable hair color or style may be placed in ISS until the color or style is corrected.

## DISCIPLINE FORMS

When disruptions or misbehavior occurs, an office referral form will be given to students. It is the student's responsibility to carry this home to his/her parents. Forging a parent's name or altering the form in any way will result in further disciplinary action.

## IN-SCHOOL SUSPENSION

Students may be assigned to In-School Suspension for infractions of the rules, disruptions, disobedience or failing to carry out previously assigned punishment. This program allows students to remain in school while being suspended from the regular school schedule. Students will be provided curriculum-based assignments and will not be academically penalized for the time in ISS. However, students may not compete or engage in any extracurricular activity as a spectator or participant while assigned to ISS. The following rules apply to all students assigned to ISS at NMS:

### **INTERNET POLICY**

However, it is the student's responsibility to take the initiative in arranging for the make-up work. All make-up work must be completed within five school days. Unexcused absences (family trips out-of-town, etc.) need to be preapproved by the principal or assistant principal for a student to be allowed to make up work.

Failure to pay for lost or damaged books/media materials will result in the withholding of report cards, progress reports, etc.

### **LOOK ALIKE WEAPONS**

For this reason, we ask parents to help educate their children and check to be sure that nothing gets brought to school that might cause concern or misunderstanding. This includes: toy replicas of guns, knives, or other weapons. Toy weapons may be treated as real weapons.

### **WITHDRAWAL FROM SCHOOL**

If in the course of the school year you need to withdraw your child from school, please notify the school counselor. Students should report to the counselor's office to receive a withdrawal form and begin the process. The form must be signed by each teacher, the media specialist, lunchroom

manager and attendance clerk. Students must turn in textbooks, pay all fines (library, lost/damaged books, lunchroom) before they can be cleared.

#### **IMPORTANT THINGS TO REMEMBER**

- **ACADEMIC INTEGRITY IS VALUED AT NMS!** Students may receive a zero if caught cheating on any assignment, quiz or test. Further cheating violations will also result in disciplinary action.
