BOULDER ELEMENTARY

A Welcome Message from Mr. Jamison

Greetings: I am David Jamison, your new principal at Boulder Elementary. I moved here recently from Great Falls where I was teaching German at CMR High School. Prior to that I was a principal in a remote rural school district in Montana. I've already been able to meet several wonderful people, and I am looking forward to getting to know many more people of this community. Thank you to everyone for the many warm welcomes. The teachers and staff are looking forward to the beginning of the school year. The maintenance crew has been hard at work this summer getting everything in the building ready. The floors are looking shiny! This school is blessed to have a wonderful staff of caring teachers and paras who are preparing for a year of learning with our students. Please plan on attending the open house at 5:30pm, Tuesday August 27th, meet your students' teachers and have some good cooking and conversations. I look forward to meeting you.

Welcome New Staff:
