## Information for Applicants

We operate on a referral system. Your application will be filed in our central office. Administrators in need of teachers will consult the application file and consider applications from this file.

For additional information, please use a separate sheet. A description of any original work, either in education or related fields to your work applied for, will be helpful.

An interview is always desirable, and in fact, is frequently required. However, candidates are advised to communicate with this office before going to any considerable expenditure of time or money in seeking an interview. The request to come for an interview in no way implies the applicant will be employed.

The sending of a blank application does not imply the candidate is under consideration for immediate appointment. Applicants should expect to receive information concerning their application only if being considered for an appointment. Applications are kept on file two years after date of receipt by this office.
