Subject: Art	Grade: 2	Unit #: 1	Pacing: 40 weeks
Unit Title: Creating: Artistic Elements			

OVERVIEW OF UNIT:

Basic elements of art such as line, color, shape, form, texture, space and value influence the work of an artist. Original artwork can serve as an inspiration to an artist. There are a wide variety of art media each having its own materials processes and technical application methods. In this unit, students will create art projects using a variety of mediums incorporating multiple artistic elements.

Objectives

- Students will be able to identify a line and find them in their environment and art
- Students will be able to determine how art is developed using shapes
- Students will be able to identify the difference between primary and secondary colors
- Students will be able to determine how an artist communicates and expresses emotions with color
- Students will be able to identify warm and cool color families
- Students will be able to use a color wheel to direct their art
- Students will be able to identify how their work can be influenced by original works of art
- Students will identify how art is influenced by artistic elements such as line, color, shape, form, texture, space, and value
