Let's Talk About SIC Goals

Questions to Consider to Help You Develop Two Goals

1. *What improvements would you like to see at JMS? For instance, last year, SIC aimed to enhance communication between parents and the school. Now, we use Remind, Facebook, and Grade-Level Newsletters to keep parents informed. This was a great goal created by SIC last year.*
2. *Is there anything JMS is doing that still needs adjustments?*

Questions?

Thank you for attending the meeting this evening!
