

GROWN JEWEL

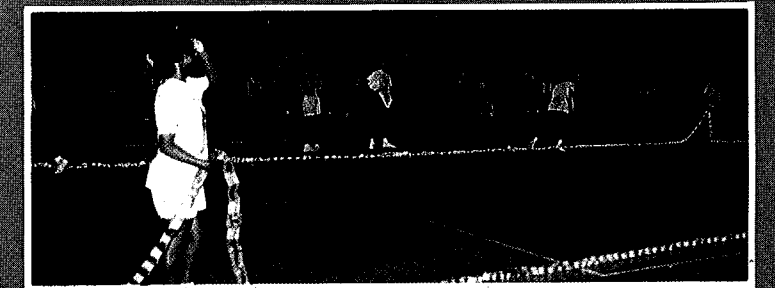

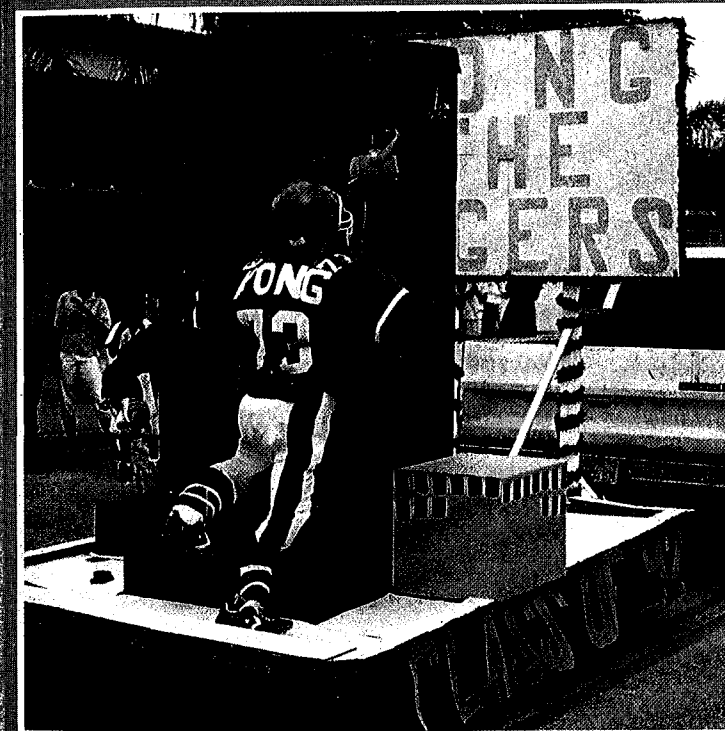

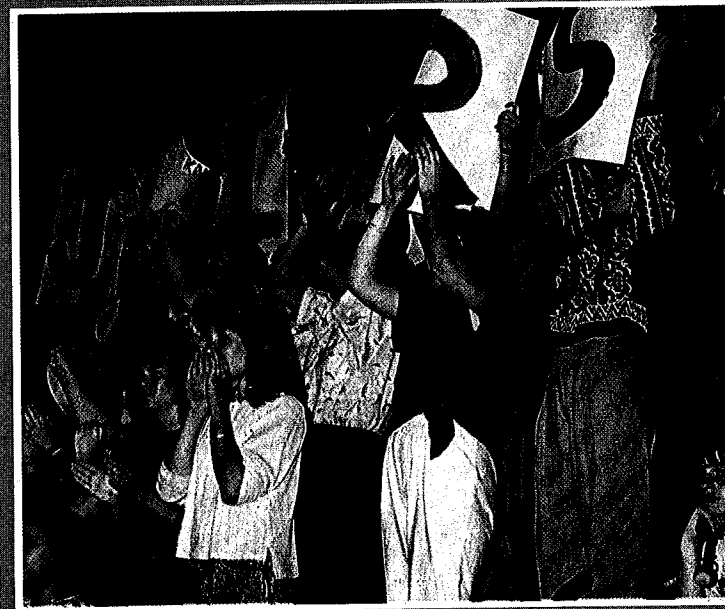

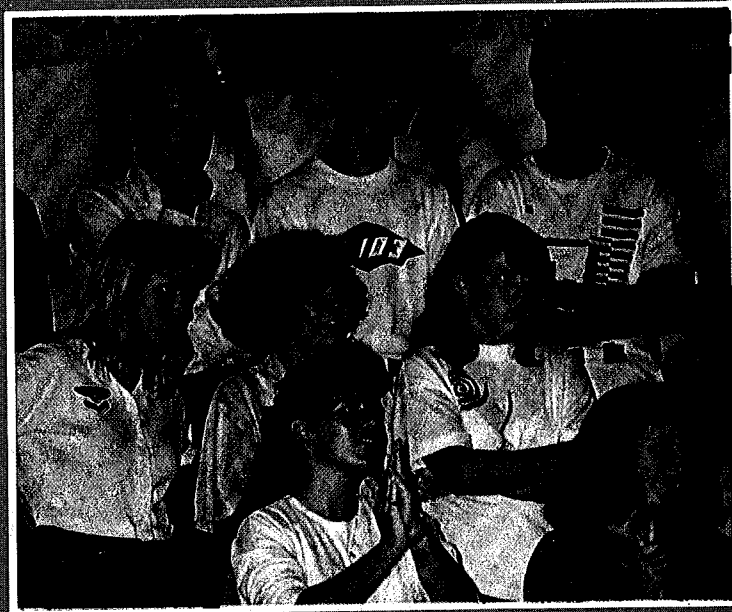

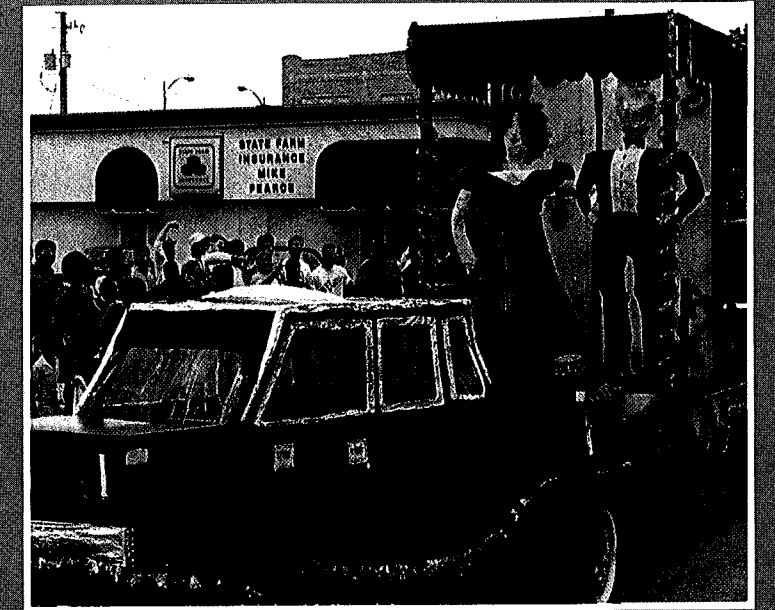

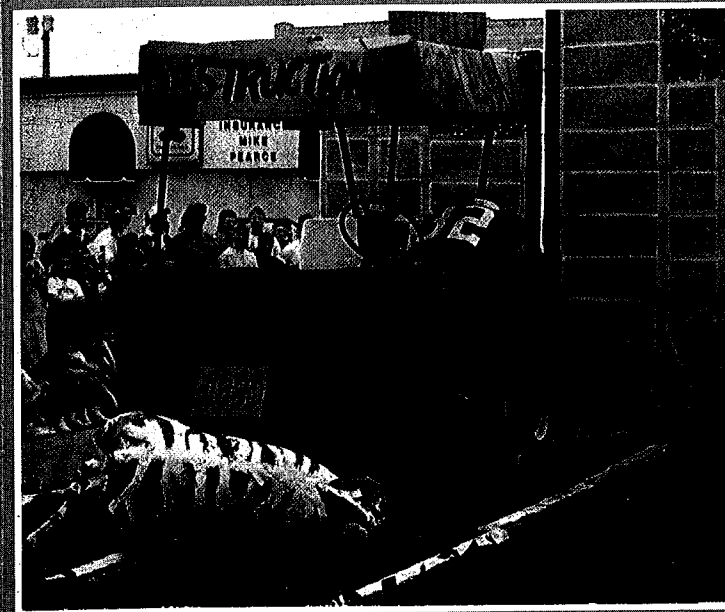

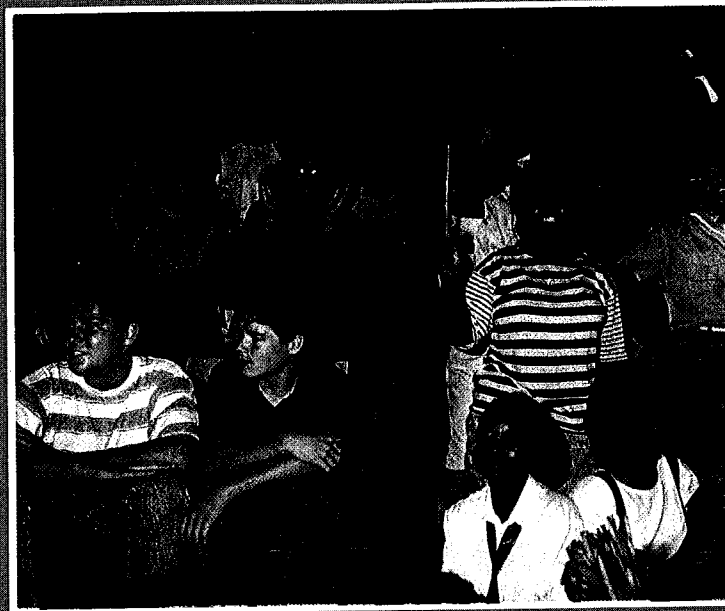

As children we were given outlines of pictures and told to color inside the lines. The teachers and administration of Lake Wales High School give us the outline of a picture and we shade in the memories. The freshmen are just beginning, the sophomores are really getting started, the juniors finally have the hang of things, and the seniors are preparing to shade a new part of their picture. The memories of spirit, friendships, homework, fashion, activities, and teachers are all shades of the picture that sums up our high school days. This yearbook captures a glimpse of the many shades of Lake Wales High School, and now we present to you . . . SHADES OF 90.

October, the Lake Wales Highlanders hosted the Palmetto Tigers in the first half of the game the Highlanders played well against the Tiger and score a dismal 12-0. The hope of the team dwindled as they saw victory slipping through their hands. The Mighty Highlanders, however, crushed their arch-enemies Bartow on its Homecoming night. -Oh How Sweet It Was!

# UNDERCLASS

**JUNIORS DISPLAY TRUE CLASS!!!**

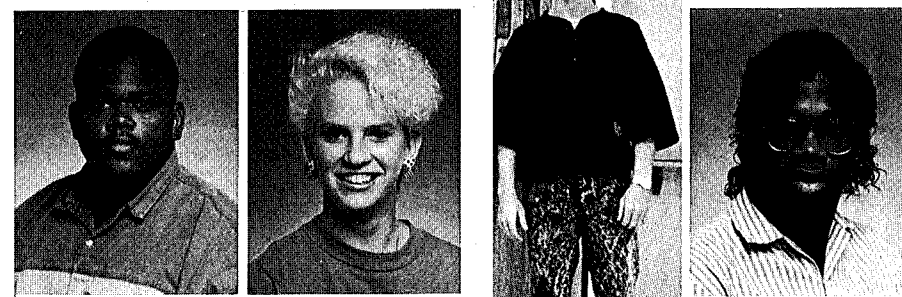

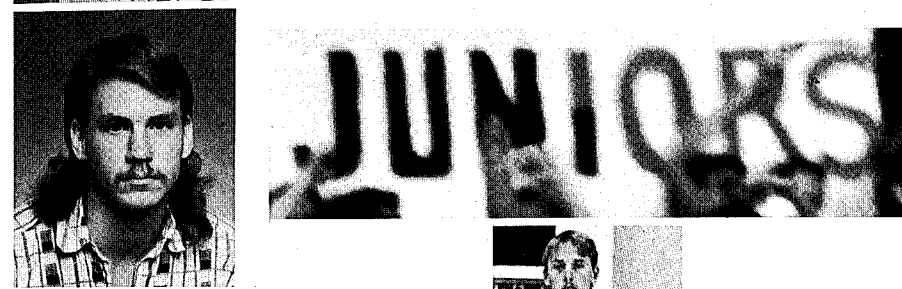

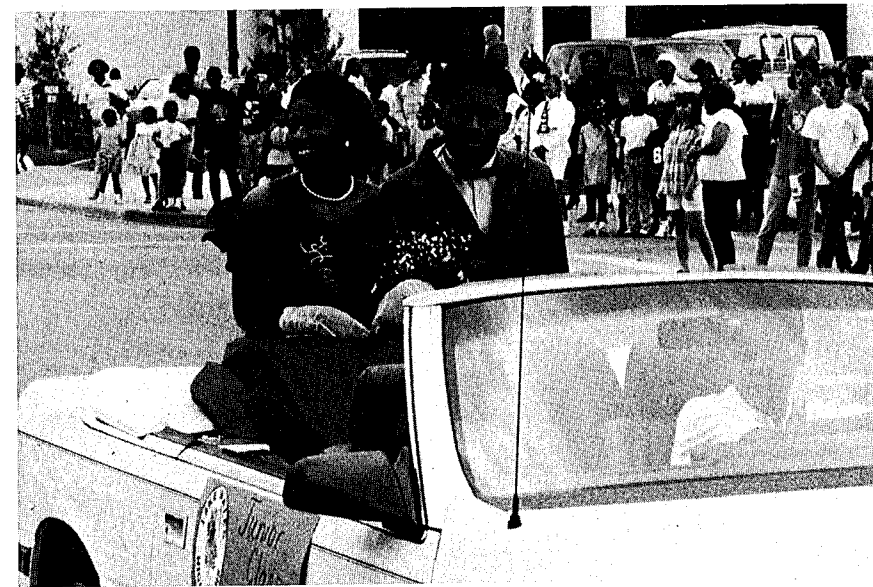

What Spirit!!

The lively class of 1991 captured the Homecoming title and trophy this year for best overall entries. The support of sponsor Al Osteen was a great help and the class President Kathryn Law was a real motivator. Representatives of the class were Patrice Staudemire and Dominique Davis.

This will be a year to remember for the Juniors. They showed school and class pride in everything they did. Nice Job Juniors!!!

Juniors take a break from working on the Homecoming float.

## Freshman Determination

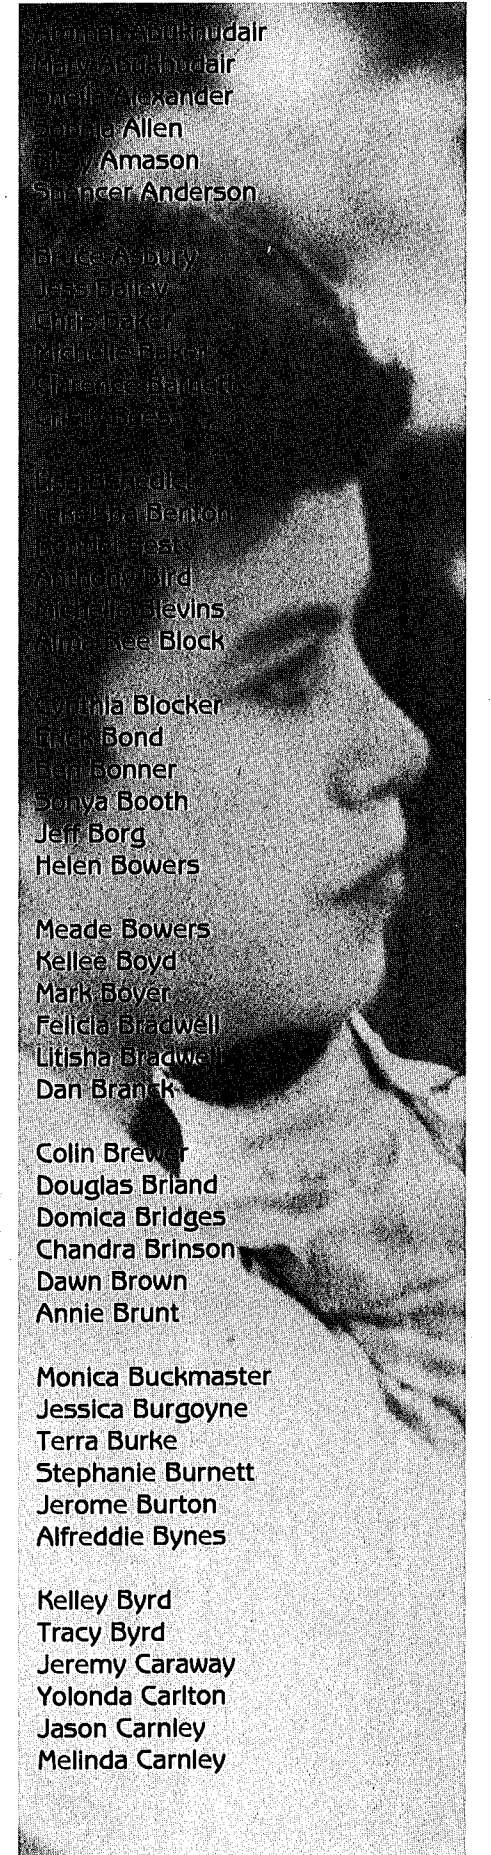

The class of 93' began shading their picture that will contain their high school memories with A LOT of spirit and A LOT of determination. Despite the efforts to discourage them at homecoming, they were able to pull through with a first place float.

Under the leadership of Ms. Ferguson the Freshmen raised money selling tee-shirts and were also required to pay dues.

# Highlanders Whip Bartow

This year's Highlander Varsity Football Team showed tremendous power and support. Despite the team's difficulties, the Highlanders faired well with a 4-6 record. Coach James Hale led the team to a victory over arch rival Bartow as well as some other impressive games. The hard work on the field and in the weight room gave us some great and memorable wins. Thanks guys for a GREAT YEAR!

# SENIORS!

Throughout their years on the Highlander Football Team, our Seniors proved strong. Their spirit was motivational and their hard work set examples. Thanks guys we'll miss ya . . .

# Varsity Cheerleaders

Along with a new sponsor came a new spirit as the Varsity Cheerleaders began the '89-'90 season under the direction of Julie Hale, returning after 2 years off. First the cheerleaders tackled football season by practicing 3 days a week on dances, cheers, and mounts. As basketball season began, practices dropped to once a week but games quadrupled, and the girls showed their talents before numerous crowds. Certainly no one appreciated their encouragement more than the players.

## Are Outstanding!!

# J.V. Hangs Tough

This year's J.V. Highlanders finished the season with a 4-3 record. The players strived to do their best and won some awesome games. Thanks to the J.V. team which had two shutouts and some close scores. They will make a great Varsity team next year.

# J.V. Cheerleaders

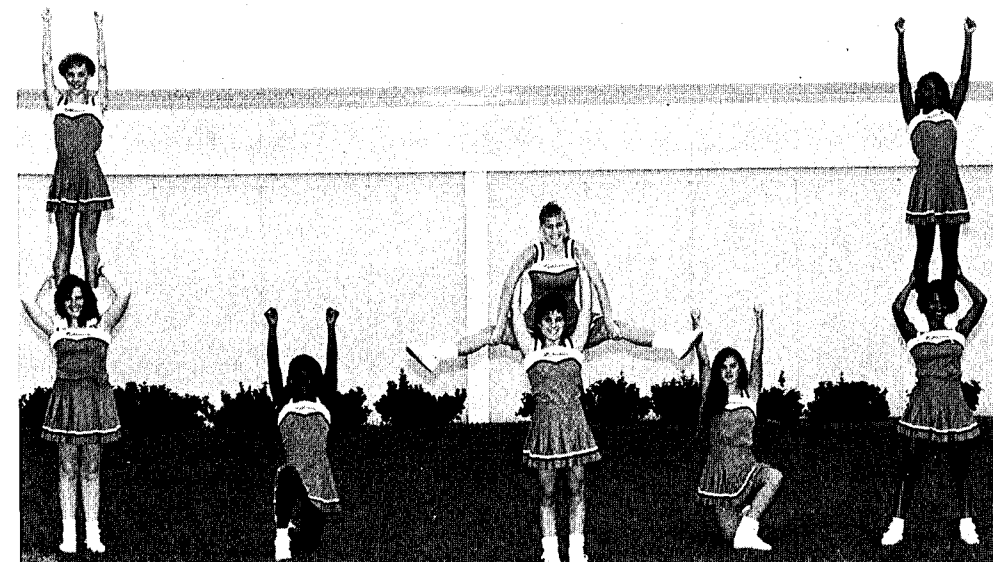

The '89-'90 J.V. Cheerleaders had a great year. They started the season off with football in September and ended with basketball in February. Their sponsor, Mrs. Herrington, gave them many helpful hints. They worked together and had much fun. Way to go J.V. Cheerleaders!

## Spirited Varsity Volleyball Team Gains Experience For 1990 Season

Although the 1989-90 Varsity Volleyball team ended with a record of 7-16, it played each game with determination, keeping its spirit high. With six upcoming seniors, a winning season is predicted for next season.

# First Year, Still Fighting

The 1989-90 J.V. Lady Volleyball team had a rough first year but managed to keep their heads held high. Although the team lacked experience, Coach Gerlosky provided them with much encouragement and knowledge of the sport. As the program continues to build, great things are expected from the J.V. team in the next few years.

The 1990 boys tennis team was coached for the first time this year by B. Gibson. It consisted of eight dedicated members, only one of whom was a senior. The boys didn't do so well this year, but they hope to advance in the years ahead of them. Lake Wales is proud of these spirited young athletes and hopes that the boys will continue to have fun and play to win.

# TENNIS

The girls tennis team had a year full of memories. With only four girls, Wells only having six girls on the team, the girls represented the school well. The girls record was 10 wins and 10 losses, placing 5th out of the district. The girls had a great year with Kimberly Rockness, make up to, Kimmins and Tabitha Terry and Kimberly Rockness in doubles. The team had a wonderful year with memories to last a life time, most of them are on video tape! The teams most fun! AWARDS!! The Varsity Boys Basketball team held a strong lead in the districts. Along with a new coach, Aubrey Whitaker, the team had a successful season with 22 wins and 8 losses. The team had many talented players this year. Darrell "George" Washington led the team with an average of 21 points per game and Raymond "Bird" Allen was close with 20. The most improved player was ninth grader Eugene

Pride. The best defensive players were Willie Larkin and Patrick Seay, while Lemmon Haynes and Robert Odum blocked numerous shots and controlled the boards. Even though the team has a strong future, the Highlanders will miss their seniors: Darrell Washington, Raymond Allen, Robert Odum, Wilson Jones, and Daniel Jenkins.

## We Are The Mighty Highlanders

Despite battling a lack of experience and depth, the Lady Highlanders varsity basketball team built a solid foundation for the future by compiling a 6-17 record. With only one senior, Lorine Roberts, on this year's roster, Lake Wales is sure to be one of the district's toughest teams in 1990-91. Roberts and Joy Freeman led the Highlanders inside game, while guards Suanne Walton, Cam Pham and Chantelle Walker supplied plenty of outside shooting. Sophomore Stephine Denny proved to be one of the toughest rebounders and defensive players in the county, and will only get better with experience. "Not only will all these players have another year of experience behind them," said coach Les Robins, "but Andrea Ward's return will help make Lake Wales a potent force in next year's district race."

## Girls J.V. Basketball

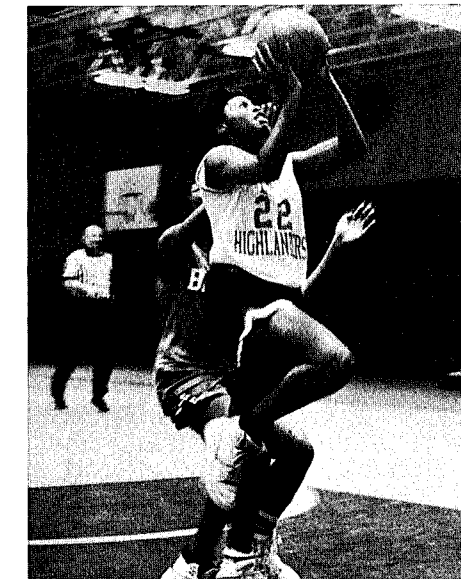

With the elimination of freshman sports a JV girls basketball program was set in motion. Coach Terri Sebring began the season with an enthusiastic group with little or no basketball skills. The team finished with a 4-16 season. When asked about her season Coach Sebring said "During the season there were only two games I was disappointed with the play of the girls. Overall they played their best and showed steady improvement. If each of those girls stick with it, watch out!"

# Highlander Swimmers

"We are an Itsy-Bitsy, Teeny-Weeny, Lokie Walsie, Swimmie Teamie"... this was a popular song sung by the Lake Wales Swim Team. Even though they were few in number, they proved that the old saying, "good things come in small packages," is true. The boys left the season with 8 wins and 9 losses. The girls proved their strength with 12 wins and 5 losses.

Lake Wales also had the best girl medley relay team ever. The relay team consisting of Marsha Bryan, backstroke; Heather Ryland, breaststroke; Tammy Bair, butterfly, and Dawnie Beeson, free-style, broke the school record, took second place at county, and was the first relay team ever in the history of Lake Wales Swim Team to make it to the district finals. ## Highlanders Keep

The Varsity Baseball team had a very successful year. They came first in the county for the 2nd year in a row. L. W. clinched their district in regular season and placed 4th in 3A District Tournament. They will miss the seniors: Shane Carden, Mark Maglisco, Gene Moses, and Lance Wilson. # Swinging For The Future.

Although the J.V. Softball team went winless this year, the girls had a respectable season. Under the leadership of coach David Coyne, the team lost some close games, showing improvements as the season progressed. It was a learning year for the girls, but they showed some potential talent for our future Lady Highlander softball team.

## Soccer Team Beats Luther

It was a rough season for the Lake Wales soccer team, but they managed to get a win over Luther. The fourth-year team worked hard and were dedicated to their sport. The valuable experience and practice will surely make them a contending threat next year.

## Running . . . And Still Running

This year's boys and girls track team's coaches were Coach Parks for the guys and Coach Ferguson for the girls. Both teams put all of their heart and soul into each and every meet, making every one of them fun and exciting. Lots of new friends were made, and many more will be made next year as both track teams keep running . . .

### Lake Wales High Administration

The running of a school can be a very trying time, but our administrators make it seem as though it is done with a great deal of ease. Every day this devoted team of men and women ensure that our school's daily business runs smoothly. Their hard work and dedication will always be greatly appreciated.

## Tomorrow's Leaders Today

The Leaders Club is made up of the presidents of our clubs and classes. These are the people we look up to to set examples, take responsibility, and pave the way to bigger and better things. Sponsored by their leader, Principal Keith Windham, the members of the Leaders Club met to discuss plans for the improvement of our school. ## SSAT II Winners

This year's sophomore class, with much skill and hard work, defeated Haines City High School's sophomore class in their SSAT II scores. Because of this victory, some Haines City staff had to come to Lake Wales High and be a janitor for a day! It was all done in fun, and the school congratulates the sophomores for their determination.

# Student Council — Great Homecoming

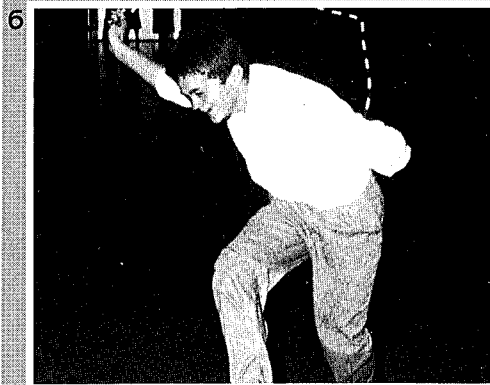

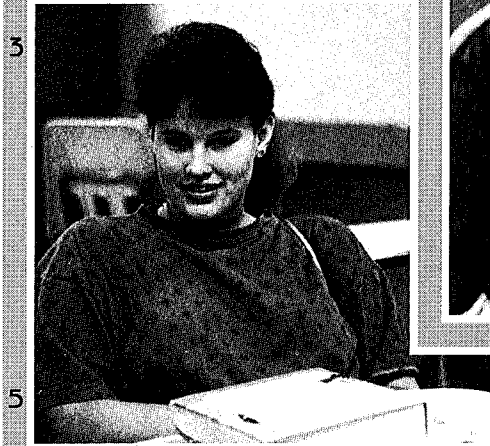

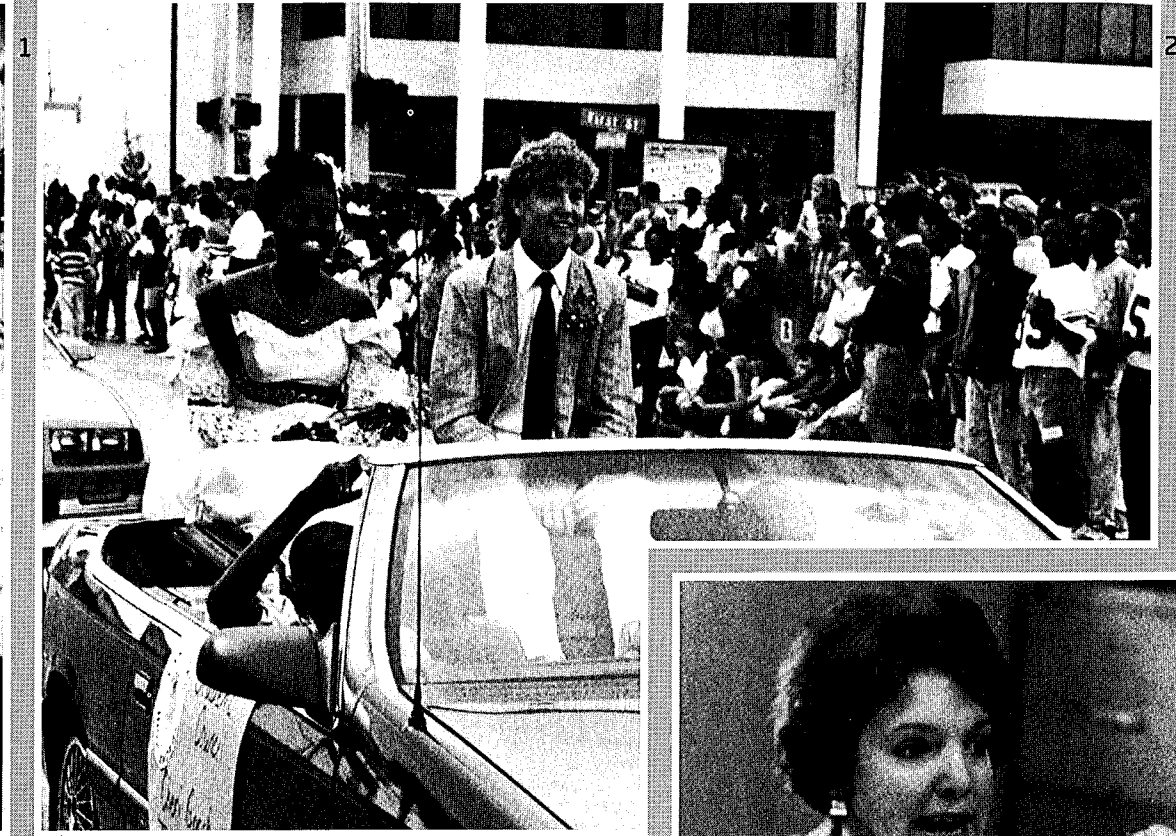

Student Council succeeded this year at Homecoming by hosting an excellent dance and an interesting parade. The dance was held at Lake Wales Country Club and everyone had a great time. The parade was held the day before and was organized by the council. Also this year the Council president, Lance Willaford, set forth the guidelines for the wearing of shorts at Lake Wales High School. Over all the year was a good one for the Student Council.

# The Band Was All "Washed Out!!"

On November 26, 1989 the Lake Wales Highlander Band entered Joe Robbie Stadium to perform at the half-time show. The Miami Dolphins, with our own Lorenzo Hampton, played the Pittsburgh Steelers. About the middle of the 1st half the skies opened up to a shower the band will never forget. For an hour and a half it rained nonstop. By half-time the band, in their brand new \$40,000 uniforms, were soaked to the hilt. We didn't get to perform, but needless to say we had some FUN!!

# "Superior, Superior, Superior . . ."

This was a special year for all who were involved with the Marching Highlanders. The Highlanders received straight superiors at the District Marching Contest and went on their way to Concert Contest. They also received \$40,000 in new uniforms and Scottish jackets. They all felt very proud to be the first to wear the uniforms. The band was able to see the Navy Band and also work with great visiting band directors.

Homecoming was very special to the band because of one special song, "Tunes of Glory." The band had to work extra hard to be able to play it at Homecoming. Everyone who heard them play that night felt a chill. The seniors appreciate the band's effort to keep that song in their hearts. May the Marching Highlanders always play with "TUNES OF GLORY" in their heart.

# Orchestra — The New Addition

Orchestra

Right now you might be thinking to yourself, "Our school has an orchestra?" Well, the answer is yes. This group consisting of only seven members is new to the high school this year, but has gotten off to a great start. Their float placed first in the Christmas parade for best musical entry. The group also performed concerts at the high school to show their accomplishments. The group is expected to grow as the years progress so hopefully they will be recognized in the future.

## Youth In Government Governs

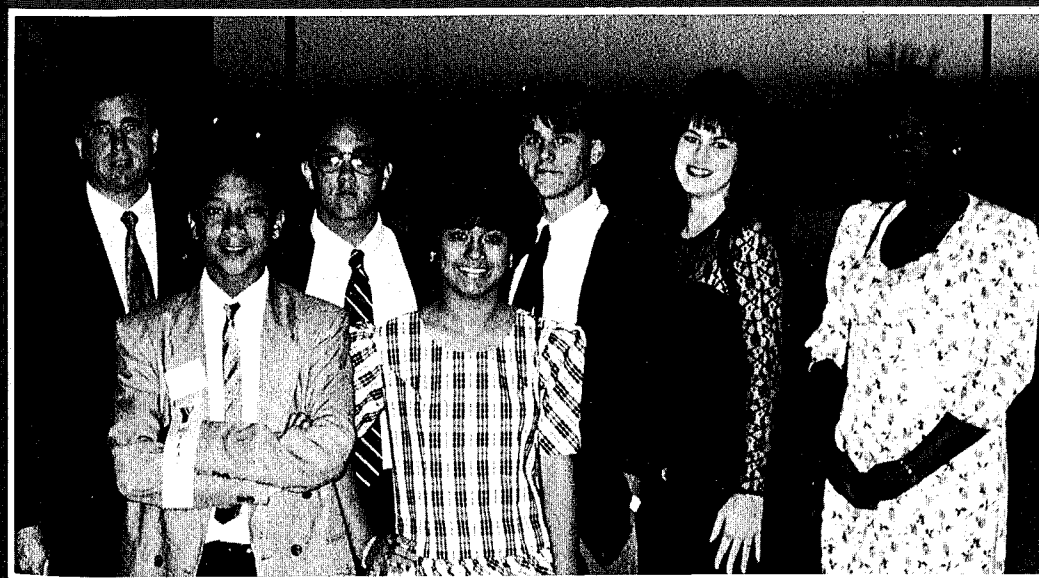

The YMCA once again sponsored the Youth in Government club at Lake Wales High School. Butch Nichols was the group's advisor. The members went to Tallahassee in February. The group, unlike last year, got to present their bill. It didn't make it, but the group made a good presentation. Vince Casinag was the President of the club and led them through their trying times.

# The Best Of The Best

The National Honor Society is a group of hard working students that are devoted to academic success. These students must obtain a 3.5 GPA to be inducted and maintain a 3.2 GPA to remain in the organization. This may sound like it is just an easy grade to make, but there were only 23 new members inducted this year. These students work all year to keep their grades up, yet they do not get the recognition they deserve. Students who don't quite make these grades have no idea of what these kids go through.

Among other things the students participate in the Extended Care Facility at Lake Wales Hospital. Once a month they go in and play the piano and serve refreshments. They adopted a Christmas Family from the Care center so that some family could have a Christmas. The students helped at the Hillcrest and Babson Park Elementary schools' Halloween carnivals this year. They also helped teachers prepare for school at the beginning of this school year.

The new members inducted this year were as follows: Monica Aquino, Dawn Beeson, Elisabeth Bellamy, Leigh Ann Cosce, Chris Dowling, Kelly Crabtree, Bethany Hazzard, Peter Loveman, Stacie Mayer, Venus McDaniels, Stephanie Muhlenforth, Jamie Music, Gary Quartana, Fad Salem, Jason Seyfert, Terra Shepard, Mona Sheth, Tabitha Terry, Ann Turnquist, Lee Wallace, Andrea Ward, Wendy Wayland, and Evelyn Wurth. Congratulations! Your hard work has paid off.

This year, Beacon started out with a big group whose purpose was to serve our school and community. Each girl earns service hours by participating in numerous projects like visitation of the elderly, helping needy families at Christmas and being "big sisters" to several fifth grade students from Polk Avenue Elementary School. This organization also donated money they raised this summer to many worthy causes but hope to achieve even more in the future.

Clinique?  
\**

Clinique is a new girls club at LWHS. The club is sponsored by Karen Herrington (2). The club itself originated on the campus of Lakeland Sr. High, under the sponsorship of Mrs. Pecola Brown. Mrs. Herrington worked as an assistant to Mrs. Brown and after joining the faculty at LWHS saw a need for a club such as "Clinique."

The 1989-90 club did projects such as working booths at the Hillcrest Halloween Carnival, cleaning up afterwards, and they also gave a party for the Varsity Basketball Team just before District play-offs, boosting them to take it all the way to state!

# Drama Club Acts Out

Under the direction of first year sponsor, Mrs. Becky Everhart, the Drama Club produced another excellent play. The students worked hard all year to perform "You're a Good Man, Charlie Brown." All the sets were built by the cast and crew members. The play was performed twice for the community. The International Thespian Society was not as active this year as in the past. This year was a matter of getting the new Drama teacher acquainted with the system. Next year's Drama Club and I.T.S. will have the advantage of a well seasoned teacher.

# ROTC Is A

This year JROTC marched into a very busy year. In December there was a competition at the Univ. of Tampa. In February they took a trip to Cape Canaveral to view the coast. In March they had their annual military ball.

During Spring Break they had a meet at the Univ. of Florida. Following that they had their formal inspection in April.

Finally they had their annual award ceremony in May. JROTC is one competitive group.

# Who Are The Mad H.A.D.'ers??

Let us introduce you to the Mad H.A.D.'ers. They are a group of crazy kids who seem to think that you, meaning us teens, can actually have a good time and party without using drugs and alcohol. Well, you know what they're right and they're proving it more and more each day.

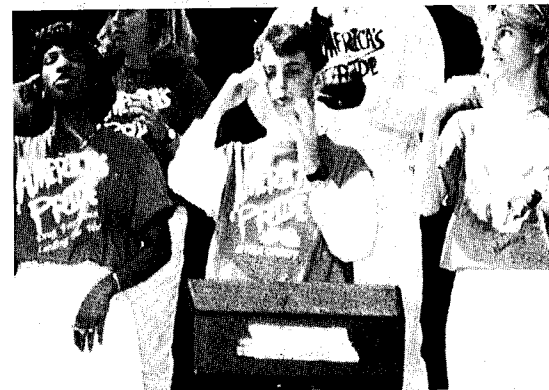

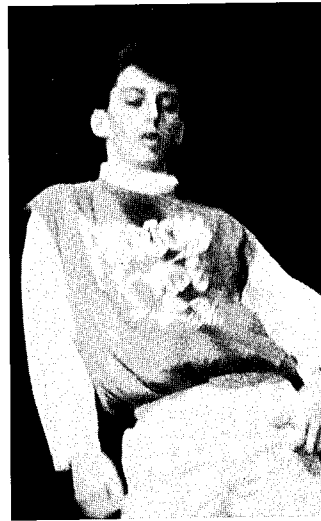

Formerly the Just Say No Club, the Mad H.A.D.'ers consists of Teen Board members, PEER educators, Peer Facilitators and, of course, the H.A.D.'ers themselves. (In case you're wondering, H.A.D. stands for Highlanders Against Drugs — pretty catchy huh?)

The H.A.D.'er officers are Jennifer Page as the pres., Monica Aquino Jen's greatest back up as Vice President, Edward Mudge as Secretary, and last, but not least Latonya Poole as treasurer. Oh and of course who could forget Deede Hunt, their wild and crazy community sponsor.

Well, at any rate, the H.A.D.'ers have taken the school and community by storm. So watch out 'cause the Mad H.A.D.'ers are here to stay Drug Free!

Future Business Leaders of America is just a name, it's the people who make the club. With 131 members, 1989-90 became our strongest year ever. All members participated in activities sponsored by FBLA, such as great speakers on the third Wednesday of each month. Typing I students got an edge on computer technology by working in labs with Mrs. Wells every first and second Wednesdays of the month. The fundraiser for the year was the Halloween candy sale. Treat bags were sold for \$1, sales totaled over nine hundred. Getting into the Christmas spirit came easy. Members of FBLA made Christmas cards through all business courses and placed the cards on the doors of all patients at Lake Wales Hospital. Ninety students participated in competition, sixteen brought home awards and seven went on to compete in state competition in Tallahassee.

## Peer Pride: Small, but important

Lake Wales Senior High School Peer Facilitators may be small, but the work they do in our school is the most important.

Drug and alcohol free, facilitators take an active role in our school and community. All Peer Facilitators are members of Mad H.A.D.'ers (Highlanders Against Drugs), and some are members of PRIDE Team and The Teen Volunteer Program.

This year the students took a stand on the War on Drugs by teaching Refusal Skills in the area elementary schools. Their program has now been added to the curriculum of several fifth grade classes across Polk County. Students were also involved in the county D.A.R.E. Program, Drug Awareness Council Forums, and several other programs. Peer Facilitators, taught by Chris Hancock, is fast becoming the "biggest" class in school.

# The New Breakfast Club

The Breakfast Club is a new organization to LWH5. Sponsored by Mrs. Skaggs' first period Food and Nutrition class, they served breakfast to administration and faculty. Diners ordered their breakfast and chatted as their food was prepared. Students made a variety of entrees such as bacon and eggs, sausage and pancakes, toast, juice and coffee. There were a few teachers who ordered out.

The Academic A-Team did quite nicely this year. Mrs. Grice coached the team into a 2nd place spot in Polk County. The Competition was held at Polk Community College where the team lost to Hains City by a close 4 points.

Two members of our team were fortunate to make the all county team, which competed in state competition at Walt Disney World. The members were Monica Aquino, and Marie Duggan. The team reached the semi-finals and placed 4th. Good job team!

## Publix Helps To Better Education

This year our school along with other area schools was allowed to participate in a drive held by Publix Supermarkets. The drive was to bring in yellow Publix receipts. For \$125,000 in receipts, the school received 1 Apple II E computer. Lake Wales came up with a grand total of \$635,000 in receipts. The school used our receipts to purchase five of the Apple II E computers. The remainder was used to purchase a software kit on how to do a term paper. The software cost \$6,250 in receipts. Thank You Publix!

## Prom 1990

The 1990 junior-senior prom was on May 18, at Bartow Civic Center. It was gorgeously decorated by many juniors and parents. The juniors turned the Civic Center into Cinderella's ball room. Mr. Osteen and four junior class officers put many hours into making prom a night to remember. Blue, silver, and a touch of white filled the night with color. Musical entertainment was provided by the band "Paradise." The magic of the night brought couples closer together, making prom a special memory.

## Heads Up For Derby Day!!

Derby Day '90 was fun and successful, with good participation from the Seniors. The judges were amused and amazed by the creativity of the contestants. E. Harrison won first place with her theme of baseball. The Seniors proved good sports in yet another LWS tradition.

## Tower Day

Tower Day is an old tradition at Lake Wales High School. It is anxiously awaited by every senior. The day of entrance finds the seniors waiting at the bottom with mixed emotions; the day was tremendously hot and 224 steps upward. The incredible view and watching the bells being played was well worth the wait. 1. Lindie is overwhelmed by the height. 2. Mr. Bell-player says "please, I'm trying to concentrate." 3. Kerry Brunson looks for the camera. 4. The gang waits with cameras and B-I-G smiles.

## Night Shift '90 —

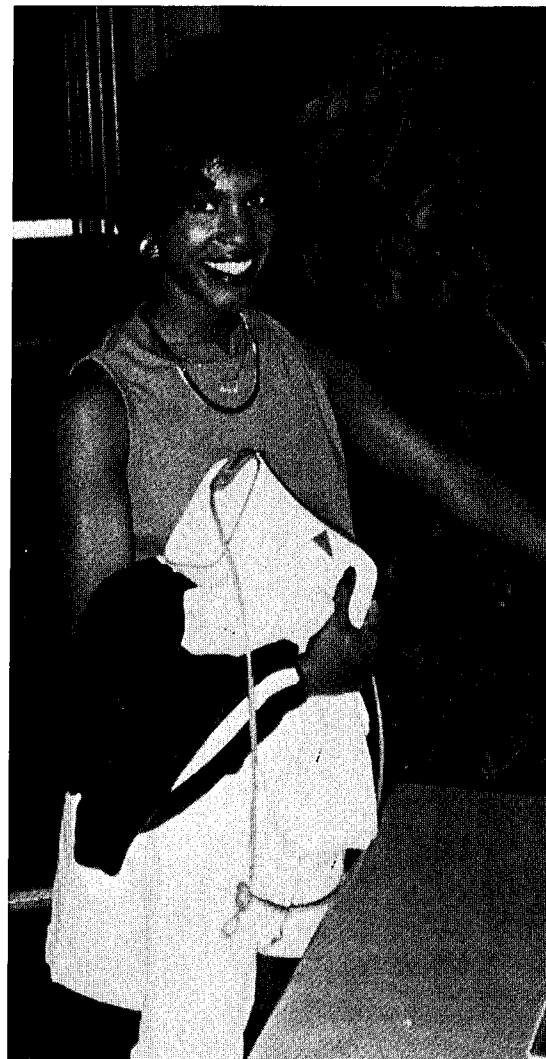

This year's Night Shift was unbelievable! Dancing, skating, and bowling were all under the agenda for the special night. Many prizes were given out, and boy was there food!!! Everyone can say it was a long night, but full of memories. Many thanks go out to Mrs. Boyd, chairman, and all of the other parents that helped to make the night so special for the graduates of 1990.

The night began with dancing at the YMCA. Corrie Tryhus and Marie Duggan demonstrate their "funky" dance step.

# Baccalaureate 1990

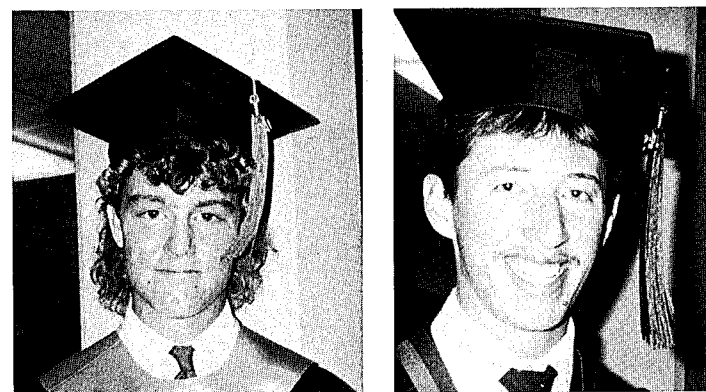

The 1990 Baccalaureate service was held at the new Baptist church this year. It was rain that prevented it from being held at the traditional location of the Lake Wales amphitheater. Despite the crowded service, the graduates, along with everyone else, enjoyed the service which was given by Rev. Edward L. Nelson.

Many thanks go to our dedicated 1989-1990 Annual Staff. With sponsor Les Robins and editors Heather Ryland and Kim Boyd, the yearbook was successfully published, and with great pride. Every staff member deserves a hand for all the hard work they have done, it could not have been done without them. We hope you have enjoyed the book, because our staff sure did enjoy putting it together. Thanks again, staff!

This 1989-1990 yearbook from Lake Wales High School was put together by us the editors, and a dedicated staff of juniors and seniors, all under the supervision of Mr. Les Robins. Everyone worked very hard to make this book one of a kind, and as you turn to each page, shades of this high school year are reflected in every picture and headline. Many thanks goes to our photographers. If it weren't for them you would be looking at blank pages. Also, thanks to our staff, for putting up with our "nagging" and getting everything turned in on time, even when the going got tough. Our theme, Shades of '90, was chosen very carefully to represent and reflect all the magic moments during the 1989-1990 school year. We hope we captured them well, and we hope you enjoyed the book as a whole. Thanks again to everyone who helped put this book together, it was a total success!

Sincerely,

KELLI . . .

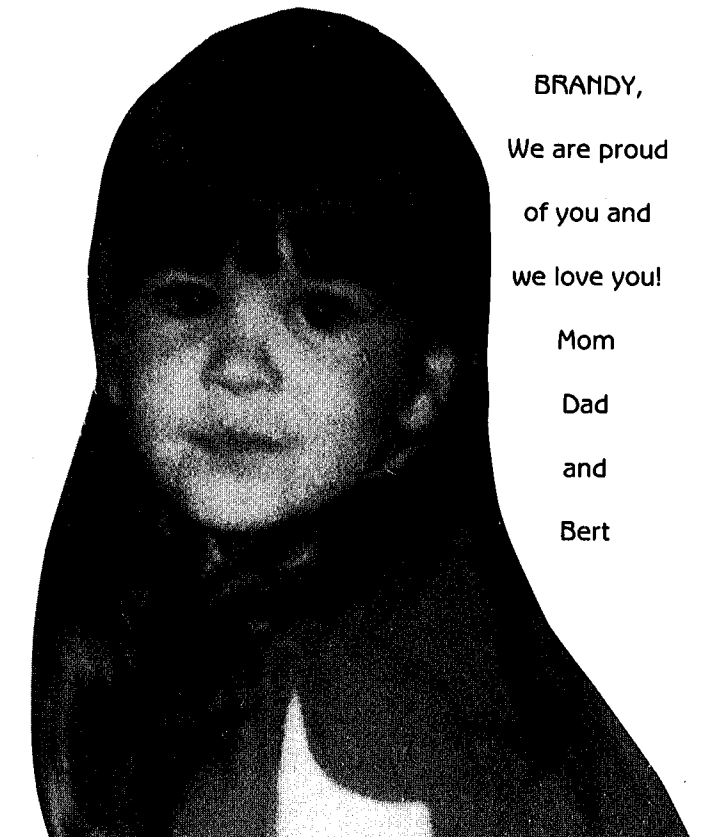

The day we thought would never come will be here all too soon. The second of our daughters will graduate in June. She's traded Mary Janes and frills for pumps and satin dress. And trikes and bikes and Barbie dolls have all been laid to rest. She's gone from heavy metal to country-western song. And her garish teenage posters, thank God, are now all gone. Our butterfly will spread her wings to fly from childhood dreams; To stretch to new horizons and materialize new schemes.
