

ODEM ELEMENTARY SCHOOL

Where the Future Begins!

4th Six Weeks

Dear OES Families,

As we head into the last few months of the school year, we want to thank OES parents for getting involved in their child/children's education this year. We will be hosting a Family Math & Science Night on Thursday, February 23, 2023. We have had great turn-outs for our school's evening music performances as well. Accelerated Reader (AR) is a big part of our school's initiative. Please keep encouraging your child/children to read and meet their AR goals every month. Thank you for partnering with OES staff in the education of our children.
