2022-2023 Profile

St. John Paul II Catholic High School (JP2) is a college preparatory school for grades 9-12, located in Cummings Research Park in Huntsville, Alabama, and serving North Alabama and Southern Tennessee. Founded in 1996 as Catholic High School, St. John Paul II Catholic High School is sponsored by the Diocese of Birmingham in Alabama. Our student body is governed by a house system with students placed into one of four houses. Each house has leadership positions available to all grades. We provide our students with extracurricular activities during the school day through our PowerHour (e.g., lunch, club meetings, tutoring, and teacher office hours).

Overview of Curriculum / School Initiatives

Designed to motivate and challenge all students, the academic program at St. John Paul II Catholic High School is driven by equity and the highest possible learning expectations for students. Our proficiency-based learning and graduation policies ensure that all students leave as highly literate and skilled graduates. The academic schedule is organized on a modified block schedule with 8 credits per year. Students attend four block classes daily (A/B days). Student course selection may be limited due to our required 5 core courses and faculty scheduling. Sophomores are limited to one AP class, juniors to three AP classes, and seniors to four AP classes. Special courses offered at St. John Paul II Catholic High School include Cybersecurity.
