Foreword

As time goes on, and we go out into the world, this book will bring back to us vivid memories of the past. Our sorrows, hopes, failures, and ambitions will be remembered with just a glance at this—our yearbook.

Thus we present this book to all who so desire, in hopes that it will mean much to you.

Principal's Message

Bunkie High School

C. G. Snoddy, Principal

Bunkie, La.

The benefits that accrue to a school and student body when planning an annual are of well established educational value. School life is fundamentally academic, and in order to lend interest and color to the student body, faculty and public which we serve, the annual has been selected as a project that we consider most worthy.

The citizenry and alumni in particular will be glad to reminisce when they look over scenes that are familiar to them, some of which have made very little change since they were students of this school. I am sure that the esprit de corps of the old as well as the new students will be improved because of this new and worthy undertaking.

Sincerely,

C. G. Snoddy

Acknowledging ...

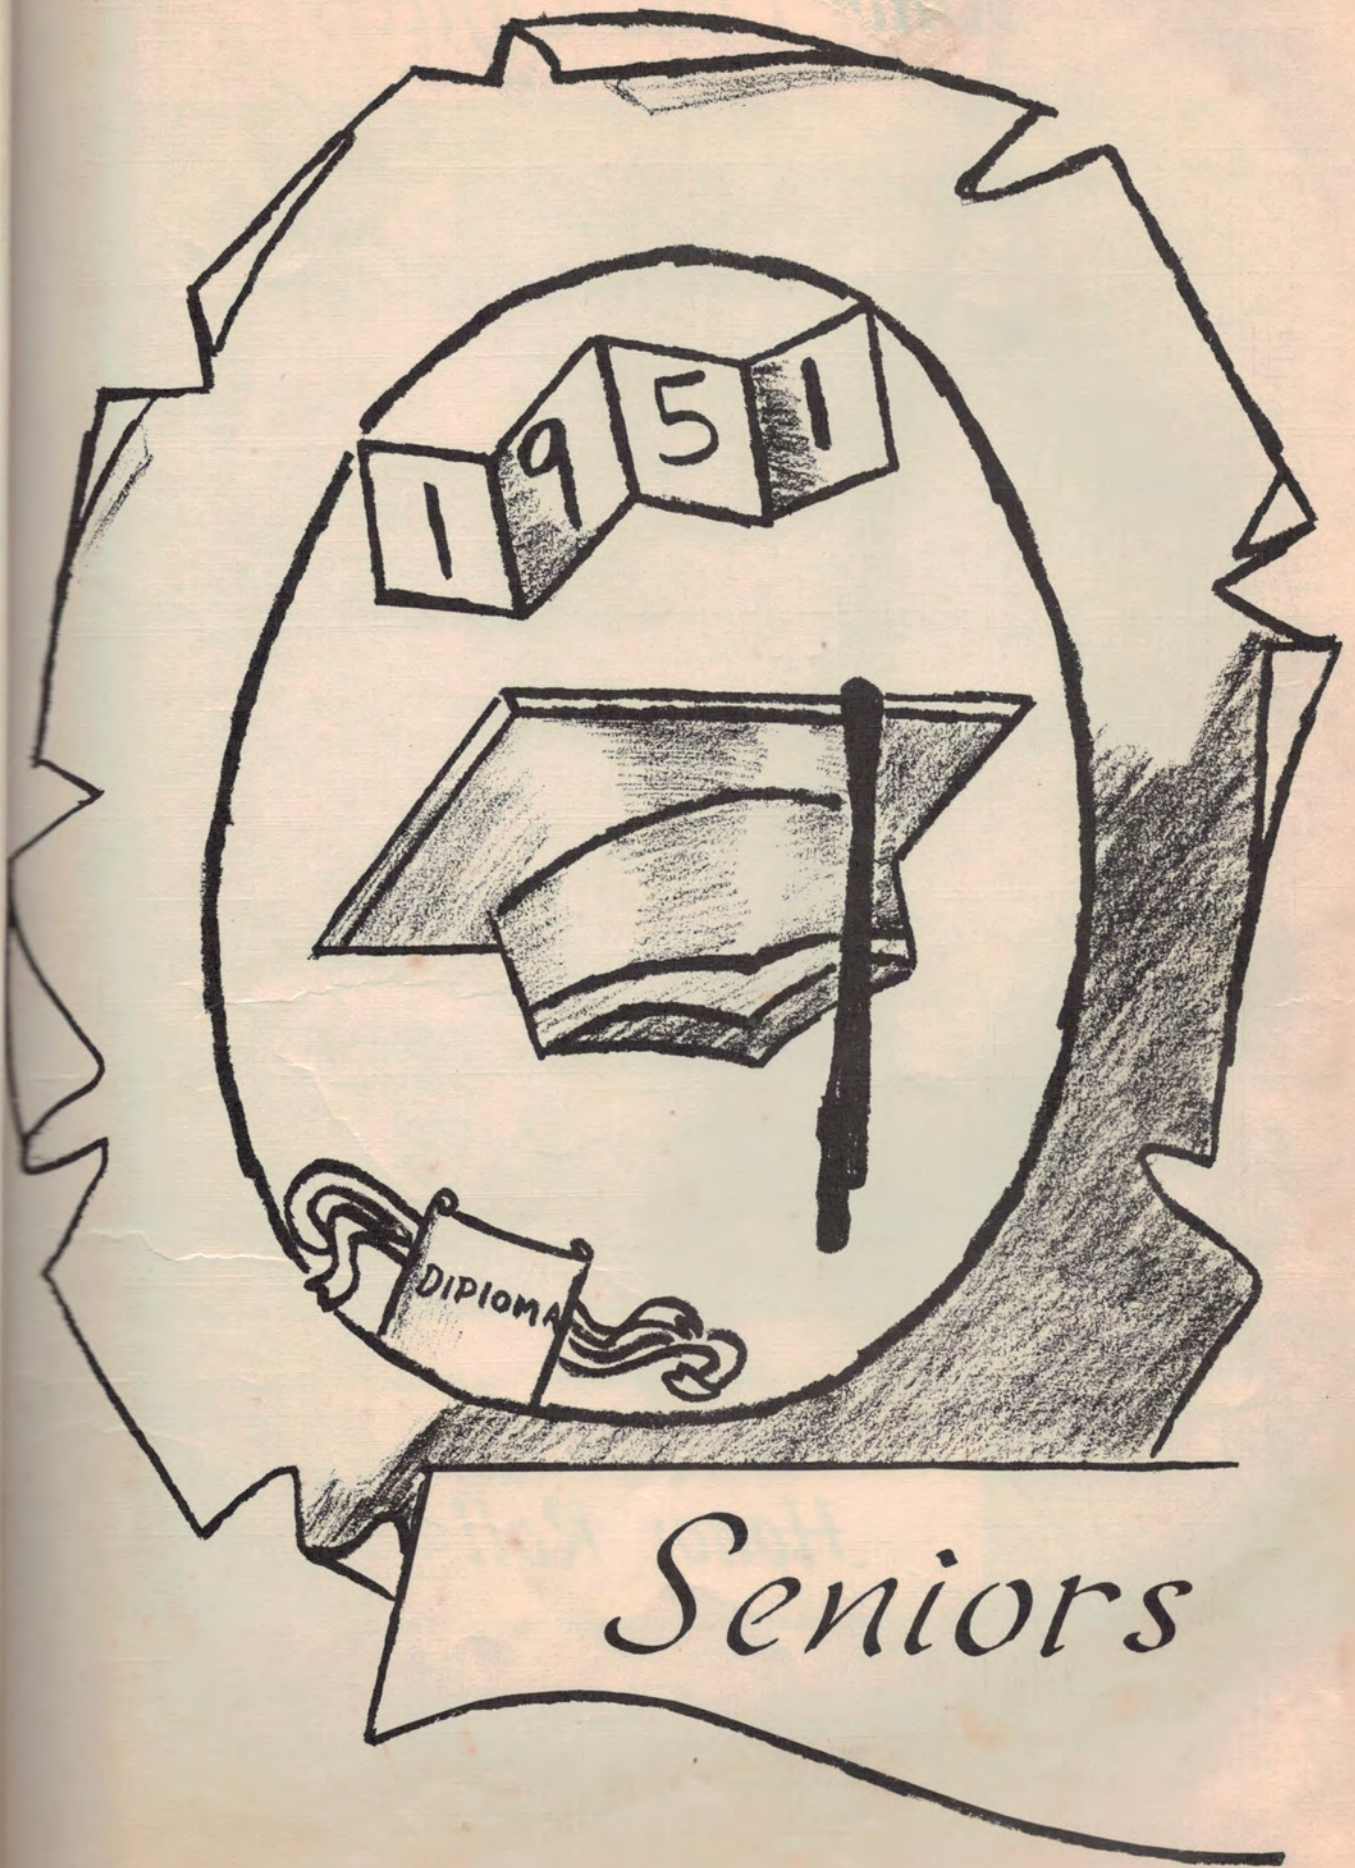

Lillian Ann Barker for the originality and thought which she used in naming this, our first yearbook. The name which was submitted by her and selected from a large number of entries was the BUNAVOLA. It was named in this manner: *Bun* representing *Bunkie*, *avo* for *Avoyelles*, and *la* for *Louisiana*.

Mrs. Finlay and Mr. Goette, our sponsors, for their support, encouragement, and guidance in making this year book, the Bunavoa. Our appreciation to them goes all the way.

The "B" Club of Bunkie High School was organized in the 1950-51 school year as a result of the increasing number of varsity lettermen.

All these boys have qualified by observing all training rules and staying scholastically eligible. The purpose of this club is to promote enthusiasm and to enlarge the athletic program of this school.

This, the first "B" Club, will stand as an example to any young man aspiring to become an athlete. We know that this club will become a cherished tradition in years to come.

Ten lettermen from the previous season along with twenty newcomers reported to practice at the beginning of the season. These lettermen were from the squad that won the Avoyelles Parish Championship in 1950. They were: Carter, Perry, Guillory, Gremillion, Andrus, Elliot, Ducote, Brister, Kelley, and Marcotte.

Eight lettermen . . . Carter, Perry and Guillory as forwards, and Andrus, Ducote, Brister, Marcotte, and Kelley as guards were chosen to represent Bunkie High School in Athletic events. Louella Perry was elected Captain and Irma Ducote Co-Captain.

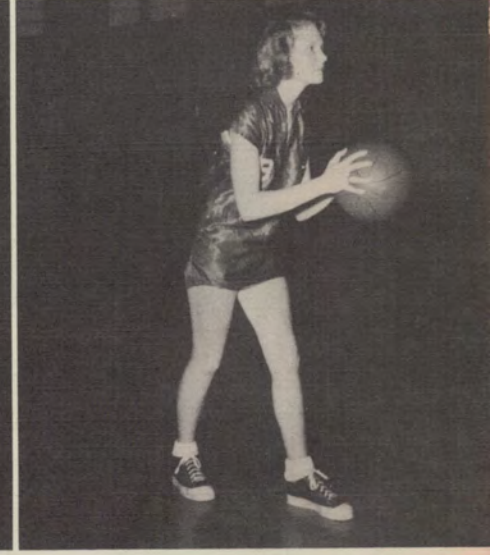

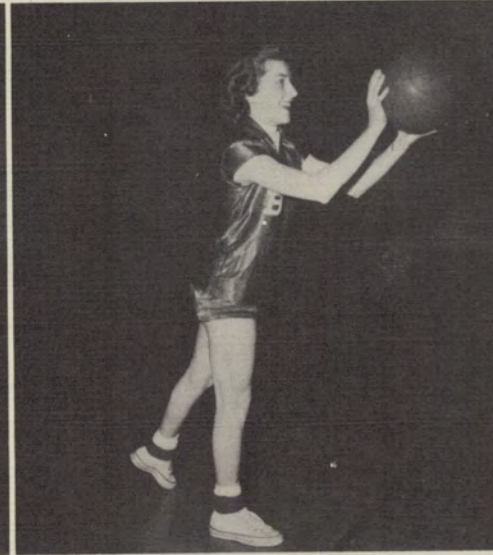

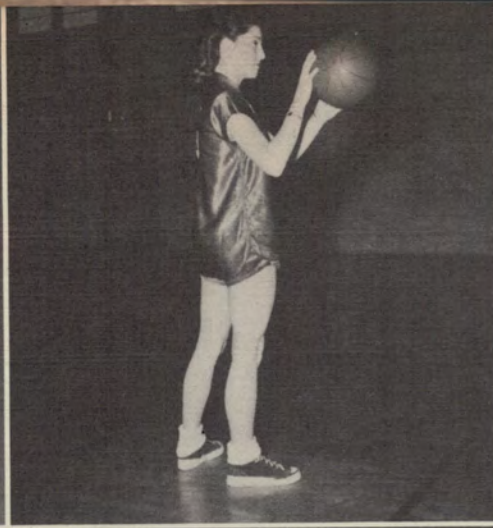

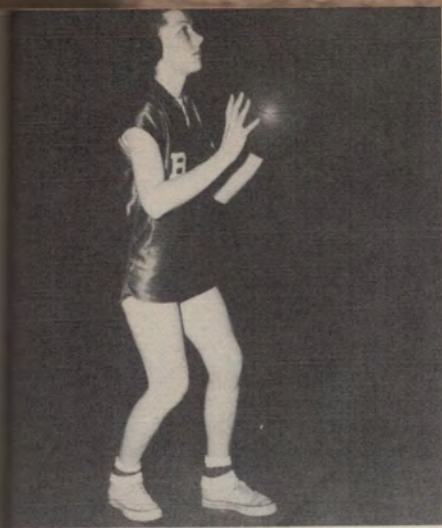

Attending the Plaucheville Tournament on November 18, Bunkie lost their second game to Plaucheville. This put fire behind the Pantherettes and they soon became the most powerful team in the parish and surrounding localities.

The Bunkie sextet took Second Place in the Parish Tournament. After defeating Simmesport and Lafargue, Bunkie lost to Cottonport in the finals with a difference of five points. Trudy Andrus was chosen all tournament guard and Barbara Guillory and Louella Perry were chosen all tournament forwards. This was Perry's second year of receiving this honor. The Bunkie sextet scored a total of 654 points against 517 made by their opponents. Barbara Guillory was responsible for most of Bunkie's points scored. This squad will miss the service of six who graduate this year . . . Perry, Guillory, Andrus, Marcotte, Gremillion, and Ducote.
